## **Reframing Pilgrimage:**

Reframing Pilgrimage Simon Coleman, John Eade, 2004-08-02 Reframing Pilgrimage argues that sacred travel is just one of the twenty first century's many forms of cultural mobility. The contributors consider the meanings of pilgrimage in Christian, Mormon, Hindu, Islamic, and Sufi traditions as well as in secular contexts and they create a new theory of pilgrimage as a form of voluntary displacement. This voluntary displacement helps to constitute cultural meaning in a world constantly en route. Pilgrimage which works both on global economic and individual levels is recognised as a highly creative and politically charged force intimately bound up in economic and cultural systems. Reframing Pilgrimage Simon Coleman, John Eade, European Association of Social Anthropologists, 2004. Reframing Pilgrimage argues that sacred travel is just one of the twenty first century's many forms of cultural mobility. The contributors consider the meanings of pilgrimage in Christian, Mormon, Hindu, Islamic, and Sufi traditions as well as in secular contexts and they create a new theory of pilgrimage as a form of voluntary displacement. This voluntary displacement helps to constitute cultural meaning in a world constantly en route. Pilgrimage which works both on global economic and individual levels is recognised as a highly creative and politically charged force intimately bound up in economic and cultural systems. Redefining Pilgrimage Antón M. Pazos, 2016-04-22 Exploring what does and what does not constitute pilgrimage. Redefining Pilgrimage draws together a wide variety of disciplines including politics, anthropology, history, religion, and sociology. Leading contributors offer a broad range of case studies from a wide geographical area exploring new ways of approaching pilgrimage beyond the classical religious model. Re-thinking the global phenomenon of pilgrimages in the 21st century, this book offers new perspectives to redefine pilgrimage. **Pilgrimage as Transformative Process** Heather A. Warfield, Kate Hetherington, 2018-11-26 The construct of transformation has emerged as a prominent theme in academic discourse. Based on the accepted notion that processes and living organisms are in an ongoing state of development, it is unsurprising that this concept of transformation would find resonance within literature on the pilgrimage phenomenon. Examples of transformational processes intersecting with pilgrimage are the movement from sickness to wellness, from grief to closure, and from fractured to integrated. That the pilgrimage journey itself can be construed as a transformational quest was noted by Winkelman and Dubisch (2005) who stated: 'Life-transforming experiences are at the core of both traditional and more contemporary forms of pilgrimage.' In the current volume, Warfield and Hetherington examine the transformational process of pilgrimage journeys. Contributors are Sharenda Holland, Barlar Anne M. Blankenship, Valentina Bold, Shirley du Plooy, Alexandria M. Egler, Miguel Tain Guzman, Kate Hetherington, Scott Libson, Chadwick Co. Sy, Su Kip Redick, Roy Tamashiro, and Heather A. Warfield. **Cities of Pilgrimage** Suhaylā Shahshahānī, 2009 Pilgrimage places anthropological works on a privileged platform for religious studies. The origin of built environment sets apart a platform for worship. It contains the dichotomy of life and death, striving towards the spirit of a dead that may or may not be religious. It is a soul searching process, a coming to terms with hopes and disillusion.

Human situations in the flow of globalised urban areas draw together primal human search and economic considerations The sacred and the profane the belief in miracles and the management of both necessitate fresh search of urban pilgrimage

New Pathways in Pilgrimage Studies Dionigi Albera, John Eade, 2016-11-18 Although there has been a massive increase in the volume of pilgrimage research and publications traditional Anglophone scholarship has been dominated by research in Western Europe and North America In their previous edited volume *International Perspectives on Pilgrimage Studies* Routledge 2015 Albera and Eade sought to expand the theoretical disciplinary and geographical perspectives of Anglophone pilgrimage studies This new collection of essays builds on this earlier work by moving away from Eurasia and focusing on areas of the world where non Christian pilgrimages abound Individual chapters examine the practice of ziyarāt in the Maghreb and South Asia Hindu pilgrimage in India and different pilgrimage traditions across Malaysia and China before turning towards the Pacific islands Australia South Africa and Latin America where Christian pilgrimages co exist and sometimes interweave with indigenous traditions This book also demonstrates the impact of political and economic processes on religious pilgrimages and discusses the important development of secular pilgrimage and tourism where relevant Highly interdisciplinary international and innovative in its approach *New Pathways in Pilgrimage Studies* Global Perspectives will be of interest to those working in religious studies pilgrimage studies anthropology cultural geography and folklore studies

**Women and Pilgrimage** E. Moore Quinn, Alison T. Smith, 2022-03-08 *Women and Pilgrimage* presents scholarly essays that address the lacunae in the literature on this topic The content includes well trodden domains of pilgrimage scholarship like sacred sites and holy places In addition the book addresses some of the less well known dimensions of pilgrimage such as the performances that take place along pilgrims paths the ephemeral nature of identifying as a pilgrim and the economic social and cultural dimensions of migratory travel Most importantly the book's feminist lens encourages readers to consider questions of authenticity essentialism and even what it means to be a woman pilgrim The volume's six sections are entitled Questions of Authenticity Performances and Celebratory Reclamations Walking Out Women Forging Their Own Paths Women Saints Their Influence and Their Power Sacred Sites Their Lineages and Their Uses and Different Migratory Paths Each section will enrich readers knowledge of the experiences of pilgrim women The book will be of interest to scholars of pilgrimage studies in general as well as those interested in women travel tourism and the variety of religious experiences

Pilgrimage in the Marketplace Ian Reader, 2013-09-11 The study of pilgrimage often centres itself around miracles and spontaneous populist activities While some of these activities and stories may play an important role in the emergence of potential pilgrimage sites and in helping create wider interest in them this book demonstrates that the dynamics of the marketplace including marketing and promotional activities by priests and secular interest groups create the very consumerist markets through which pilgrimages become established and successful and through which the sacred as a category can be sustained By drawing on examples from several contexts including Japan India China Vietnam Europe and

the Muslim world author Ian Reader evaluates how pilgrimages may be invented shaped and promoted by various interest groups In so doing he draws attention to the competitive nature of the pilgrimage market revealing that there are rivalries borrowed ideas and alliances with commercial and civil agencies to promote pilgrimages The importance of consumerism is demonstrated both in terms of consumer goods souvenirs and pilgrimage site selection rather than the usual depictions of consumerism as tawdry disjunctions on the sacred As such this book reorients studies of pilgrimage by highlighting not just the pilgrims who so often dominate the literature but also the various other interest groups and agencies without whom pilgrimage as a phenomenon would not exist

**Women in Sufism** Marta Dominguez Diaz, 2014-10-24 Exploring the diverse myriad of female religious identities that exist within the various branches of the Moroccan Sufi Order Q diriyya B dsh shiyya today this book evidences a wide array of religious identities from those more typical of Berber culture to those characterised by a sober approach to Sufism as well as those that denote New Age eclecticism The book researches the ways in which religious discourses are corporeally endorsed After providing an overview of the Order historically and today enunciating the processes by which this local tar qa from North eastern Morocco has become the international organization that it is now the book explores the religious body in movement in performance and in relation to the social order It analyses pilgrimage by assessing the annual visit that followers of Hamza B dsh sh make to the central lodge of the Order in Mad gh it explores bodily religious enactments in ritual performance by discussing the central practices of Sufi ritual as manifested in the B dsh shiyya and delves attention into diverse understandings of faith healing and health issues Women and Sufism provides a detailed insight into religious healing sufi rituals and sufi pilgrimage and is essential reading for those seeking to understand Islam in Morocco or those with an interest in Anthropology and Middle East studies more generally

Pilgrimage in the Age of Globalisation Nelia Hyndman-Rizk, 2012-04-25 This edited collection brings together a series of ethnographically grounded studies on sacred and secular pilgrimage in the age of globalisation from around the world

Pilgrimage is explored as a distinctive form of mobility in late modernity which emphasises inner transformation Thus the studies in this volume show how pilgrimage unifies physical and metaphysical mobility into a holistic project of self realisation through motion

*Exemplary Life* Andreas Bandak, 2022-06-29 Based on over five years of ethnographic fieldwork in Syria Exemplary Life focuses on the life of a Damascus woman Myrna Nazzour who serves as an aspirational figure in her community Myrna is regarded by her followers as an exemplary figure a living saint and the messages apparitions stigmata and oil that have marked Myrna since 1982 have corroborated her status as chosen by God Exemplary Life probes the power of examples the modelling of sainthood around Myrna s figure and the broader context for Syrian Christians in the changing landscape of the Middle East The book highlights the social use of examples such as the ones inhabited by Myrna s devout followers and how they reveal the broader structures of illustration evidence and persuasion in social and cultural settings Andreas Bandak argues that the role of the example should incite us to investigate which trains of

thought set local worlds in motion In doing so Exemplary Life presents a novel frame for examining how religion comes to matter to people and adds a critical dimension to current anthropological engagements with ethics and morality
