Hunt, Jonathan Klaaren**

Refugee Protection In International Law:

The Refugee in International Law Guy S. Goodwin-Gill, Jane McAdam, 2021-09-09 The status of the refugee in international law and of everyone entitled to protection has ever been precarious not least in times of heightened and heated debate people have always moved in search of safety and they always will In this completely revised and updated edition the authors cast new light on the refugee definition the meaning of persecution including with regard to gender and sexual orientation and the protection due to refugees and those affected by statelessness or disasters They review the fundamental principle of non refoulement as a restraint on the conduct of States even as States themselves seek new ways to prevent the arrival of those in search of refuge Related principles of protection non discrimination due process rescue at sea and solutions are analysed in light of the actual practice of States UNHCR and treaty monitoring bodies The authors closely examine relevant international standards and the role of UNHCR States and civil society in providing protection contributing to the development of international refugee law and promoting solutions New chapters focus on the evolving rules on nationality statelessness and displacement due to disasters and climate change This expanded edition factors in the challenges posed by the movement of people across land and sea in search of refuge and their interception reception and later treatment The overall aim remains the same as in previous editions to provide a sound basis for protection in international law taking full account of State and community interests and recognizing the need to bridge gaps in the regime which now has 100 years of law and practice behind it

Refugee Protection in International Law Erika Feller, Volker Türk, Frances Nicholson, 2003-06-26 Millions of people are forced today to flee persecution The core international legal instrument on which they must rely to find safety is the 1951 Convention Relating to the Status of Refugees This book examines key challenges the Convention faces on the basis of nine papers by eminent international refugee lawyers which were then discussed at an expert roundtable meeting in 2001 as part of UNHCR's Global Consultations on International Protection The papers are published here in one volume together with the conclusions of the roundtables and other documents

Refugee Protection and the Role of Law Susan Kneebone, Dallal Stevens, Loretta Baldassar, 2014-06-27 Sixty years on from the signing of the Refugee Convention forced migration and refugee movements continue to raise global concerns for hosting states and regions for countries of origin for humanitarian organisations on the ground and of course for the refugee This edited volume is framed around two themes which go to the core of contemporary refugeehood protection and identity It analyses how the issue of refugee identity is shaped by and responds to the legal regime of refugee protection in contemporary times The book investigates the premise that there is a narrowing of protection space in many countries and many highly visible incidents of refoulement It argues that Protection which is a core focus of the Refugee Convention appears to be under threat as there are many gaps and inconsistencies in practice Contributors to the volume who include Erika Feller Elspeth Guild H l ne Lambert and Roger Zetter look at the relevant issues from the perspective of a number of

different disciplines including law politics sociology and anthropology The chapters examine the link between identity and protection as a basis for understanding how the Refugee Convention has been and is being applied in policy and practice The situation in a number of jurisdictions and regions in Europe North America South East Asia Africa and the Middle East is explored in order to ask the question does jurisprudence under the Refugee Convention need better coordination and how successful is oversight of the Convention

The Refugee Definition in International Law Hugo Storey, 2023-09-21 In international law the refugee definition enshrined in Article 1A 2 of the Refugee Convention and its 1967 Protocol is central Yet seven decades on the meaning of its key terms are widely seen as unclear The Refugee Definition in International Law asks whether we must continue to accept this or whether a systematic legal analysis can shed new light on this important term The volume addresses several framework questions concerning approaches to definition interpretation ordering and the interrelationship between the definition's different elements Each element is then analysed in turn applying Vienna Convention of the Law of Treaties rules in systematic fashion Each chapter evaluates the main disputes that have arisen and seeks to distil basic propositions that are widely agreed as well as certain suggested propositions for resolving ongoing debates In the final chapter the basic propositions are assembled to demonstrate that in fact there is now more clarity about the definition than many think and that considerable progress has been made toward achieving a working definition

The Grounds of Refugee Protection in the Context of International Human Rights and Humanitarian Law Mark R. von Sternberg, 2021-10-25 This volume examines the ways in which human rights and humanitarian law have influenced the development of the refugee definition as interpreted in the United States and Canada Analysis focuses on how these two significant jurisdictions have addressed refugee protection in a modern context The problem areas discussed include persecution during periods of upheaval resistance to the State in times of civil war opposition to coercive family planning programs and the diverse issues raised by gender based asylum claims The view is advanced that the grounds of refugee protection are not fixed but parallel discriminatory social and political attitudes towards defined groups The study also advocates that human rights and humanitarian law principles should continue to shape the evolution of refugee jurisprudence so as to achieve more effectively the Convention's goals This work will be of great interest to academics practitioners and policy makers in the refugee field as well as to scholars of international human rights and humanitarian law

The Regional Law of Refugee Protection in Africa Marina Sharpe, 2018-07-19 This book analyses the legal framework for refugee protection in Africa including both refugee and human rights law as well as treaty and institutional elements The regime is addressed in two parts Part One analyses the relevant treaties the 1951 Convention relating to the Status of Refugees the 1969 Organization of African Unity Convention Governing the Specific Aspects of Refugee Problems in Africa and the 1981 African Charter on Human and Peoples Rights The latter two regional instruments are examined in depth This includes the first fulsome account of the African Refugee Conventions drafting an interpretation of its unique refugee

definition and original analysis of the relationships between the three treaties Significant attention is devoted to the systemic relationship between the international and the regional refugee treaties and to the discrete relationships of conflict and complementary relationships between the two refugee instruments as well as to the relationships between the African Refugee Convention and African Charter Part Two focuses on the institutional architecture supporting the treaty framework The Organization of African Unity is addressed in a historical sense and the contemporary roles of the African Union the African Commission on Human and Peoples Rights and the current and contemplated African human rights courts are examined This book is the first devoted to the legal framework for refugee protection in Africa

The Rights of Refugees under International Law James C. Hathaway, 2005-09-15 This book presents the first comprehensive analysis of the human rights of refugees as set by the UN Refugee Convention In an era where States are increasingly challenging the logic of simply assimilating refugees to their own citizens questions are now being raised about whether refugees should be allowed to enjoy freedom of movement to work to access public welfare programs or to be reunited with family members Doubts have been expressed about the propriety of exempting refugees from visa and other immigration rules and whether there is a duty to admit refugees at all Hathaway links the standards of the UN Refugee Convention to key norms of international human rights law and applies his analysis to the world's most difficult protection challenges This is a critical resource for advocates judges and policymakers It will also be a pioneering scholarly work for graduate students of international and human rights law

International Refugee Law H?ne Lambert, 2017-07-05 The essays selected and reproduced in this volume explore how international refugee law is dynamic and constantly evolving From an instrument designed to protect mostly those civilians fleeing the worse excesses of World War II the 1951 Refugee Convention has developed into a set of principles customary rules and values that are now firmly embedded in the human rights framework and are applicable to a far broader range of refugees In addition international refugee law has been affected by international humanitarian law and international criminal law and vice versa Thus there is a reinforcing dynamic in the development of these complementary areas of law At the same time in recent decades states have shown a renewed interest in managing migration thereby raising issues of how to reconcile such interests with refugee protection principles In addition the emergence of concepts of participation and responsibility to protect promise to have an impact on international refugee law

The Readmission of Asylum Seekers under International Law Mariagiulia Giuffr , 2020-02-20 This monograph could not be more timely as discourses relating to refugees access to territory rescue at sea push back and push back by proxy dominate political debate Looking at the questions which lie at the junction of migration control and refugee law standards it explores the extent to which readmission can hamper refugees access to protection Though it draws mainly on European law notably the European Convention on Human Rights it also examines other international frameworks including those employed by the United Nations and instruments such as the Refugee Convention Therefore this book is of importance to readers of international law refugee law

human rights and migration studies at the global level It offers an analysis of both the legal and policy questions at play and engages fully with widely disputed cases concerning readmission agreements deportation with assurances and interception at sea By so doing this book seeks to clarify a complex field which has at times suffered from partiality in both its terminology and substance States, the Law and Access to Refugee Protection Maria O'Sullivan,Dallal Stevens,2017-03-23 This timely volume seeks to examine two of the most pertinent current challenges faced by asylum seekers in gaining access to international refugee protection first the obstacles to physical access to territory and second the barriers to accessing a quality asylum procedure which the editors have termed access to justice To address these aims the book brings together leading commentators from a range of backgrounds including law sociology and political science It also includes contributions from NGO practitioners This allows the collection to offer interdisciplinary analysis and to incorporate both theoretical and practical perspectives on questions of immense contemporary significance While the examination offers a strong focus on European legal and policy developments the book also addresses the issues in different regions Europe North America the Middle East Africa and Australia Given the currency of the questions under debate this book will be essential reading for all scholars in the field of asylum law *Advancing Refugee Protection in South Africa* Jeff Handmaker, Lee Anne De la Hunt, Jonathan Klaaren, 2008 Divided into three thematic parts to guide the reader this important volume documents the development and implementation of refugee policy in South Africa over a 10 year period from 1996 until 2006 In doing so it addresses issues of detention gender children and health as well as welfare policies for refugees The contributions all written by academics and practitioners of refugee protection vividly illustrate the tangible shifts and concerns of a process that is not only aimed at establishing policies and legislation but also practices concerning refugees **The Protection of General Interests in Contemporary International Law** Massimo Iovane, Fulvio M. Palombino, Daniele Amoroso, Giovanni Zarra, 2021-08-04 This book analyses three key concepts global public goods global commons and fundamental values as tools geared towards the protection of the general interests of the international community After providing an overview of these concepts the book examines how international law has responded to them in a wide range of fields and investigates how global governance has improved or worsened this response Contributions from a group of experts explore the legal foundations of general interests and discuss which interests have or have not been deemed to deserve the protection of international law Other chapters focus on whether and to what extent it is appropriate that international law intervenes to regulate such interests considering the interplay between multiple actors including states international and regional organisations and non state actors The book explores how states and other actors have used international law to protect general interests what lessons can be learned from these efforts and what significant challenges still need to be addressed **Refugee Protection in Brazil and Latin America - Selected Essays** Liliana Lyra Jubilut, 2018-05-05 Refugees and their protection have started to be a part of daily conversation in recent years New flows from Africa to Europe new crisis in

Asia and in the Americas and record numbers since the Second World War for instance have paved the way for news reports in the media political discourses on the topic and debates on how to actually protect these persons In a world scenario of increasingly i closed borders ii association of migration to security issues iii lack of political will to ascertain human rights and iv disregard for migration as a right in se the challenges on and for refugees protection have been progressing as have the need for international protection of persons fleeing well founded fear of persecution due to their race religion nationality political opinion or membership to a social group i e refugees Regional approaches and national practices gain relevance especially if they can be seen as good practices even if not without flaws What are the main challenges and opportunities regarding Refugee Protection in Latin America and in Brazil The book offers a very convincing response The essays by Liliana Jubilut reflect rigorous academic research and years of practical experience on supporting asylum seekers and refugees The author is certainly one of the most influential scholars in Brazil working in the Forced Migration field and the essays provide a comprehensive view of Refugee Protection in Brazil and Latin America Gabriel Gualano de Godoy PhD UNHCR Chief of Mission in the Dominican Republic and former Head of UNHCR Protection Unit in Brazil This book shed clear lights on the development of refugee protection in Latin America for the years to come Liliana Jubilut is already a leading scholar on refugee protection in Latin America and her articles reflect a long myriad of issues related to refugee protection since status determination resettlement local integration and the remarkable humanitarian visas for the Syrian refugees She shows the developments and setbacks and recover the most important developments since the Cartagena Declaration with a sharp eye and historical perspective This book will soon become an essential bibliography for anyone trying to understand the particular and innovative refugee protection initiatives in this troubled but generous region Wellington Pereira Carneiro PhD UNHCR Senior Official having worked in Brazil and Colombia for UNHCR and in Panama prior to joining the UN Refugee Protection in Southeast Asia Susan Kneebone, Reyvi Mariñas, Antje Missbach, Max Walden, 2024-12-01 Despite being long term hosts to refugee populations Indonesia Thailand and Malaysia are not yet part of the 1951 Refugee Convention In all three states refugees are regulated as discretionary humanitarian exceptions to immigration legislation With contributions from scholars within and outside the region this book promotes new thinking on protection of refugees and on resolving tensions between states actors and institutions in the region It evaluates the key concepts of sovereignty security and humanitarianism in this context the different bases of protection by state and non state actors and the meaning of responsibility and regionalism in Southeast Asia **Asylum-Seeker and Refugee Protection in Sub-Saharan Africa** Cristiano d'Orsi, 2015-08-11 It is not often acknowledged that the great majority of African refugee movement happens within Africa rather than from Africa to the West This book examines the specific characteristics and challenges of the refugee situation in Sub Saharan Africa offering a new and critical vision on the situation of asylum seekers and refugees in the African continent Cristiano d Orsi considers the international regional and domestic legal and institutional frameworks linked

to refugee protection in Sub Saharan Africa and explores the contributions African refugee protection has brought to the cause on a global scale Key issues covered in the book include the theory and the practice of non refoulement an analysis of the phenomenon of mass influx the concept of burden sharing and the role of freedom fighters The book goes on to examine the expulsions of refugees and the historical role played by UNHCR in Sub Saharan Africa As a work which follows the persecution and legal challenges of those in search of a safe haven this book will be of great interest and use to researchers and students of immigration and asylum law international law human rights and African studies

Refugee Protection in Europe Joanne van Selm-Thorburn, 2023-08-21 This book addresses the issue of refugee protection in Europe drawing on the approaches taken to the crisis in former Yugoslavia to find lessons for future comprehensive policies Suitable for academics students and policy makers this book gives a comprehensive overview of the twentieth century history of refugee protection the relationship between protection and human rights and European integration in the asylum and immigration policy area The focus of the book is the development of comprehensive approaches to forced migration and particularly the emergence of temporary protection mechanisms in the European context Four specific national measures are analyzed and a model for future EU policy is advanced This model satisfies specified practical and theoretical requirements governing the role of protection in international relations and relations between individuals and states

The Evolution of Humanitarian Protection in European Law and Practice Liv Feijen, 2021-04 Humanitarian protection has evolved from an act of charity into a legal obligation not to remove certain categories of non nationals

Problems of Protection Niklaus Steiner, Mark Gibney, Gil Loescher, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

The Problem of Refugees in the Light of Contemporary International Law Issues Vera Gowlland Debbas, 1996 H vell

Latin America and Refugee Protection Liliana Lyra Jubilut, Marcia Vera Espinoza, Gabriela Mezzanotti, 2021-08-13 Looking at refugee protection in Latin America this landmark edited collection assesses what the region has achieved in recent years It analyses Latin America s main documents in refugee protection evaluates the particular aspects of different regimes and reviews their emergence development and effect to develop understanding of refugee protection in the region Drawing from multidisciplinary texts from both leading academics and practitioners this comprehensive innovative and highly topical book adopts an analytical framework to understand and improve Latin America s protection of refugees

Refugee Protection In International Law Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Refugee Protection In International Law free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Refugee Protection In International Law free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Refugee Protection In International Law free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Refugee Protection In International Law. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Refugee Protection In International Law any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Refugee Protection In International Law Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Refugee Protection In International Law is one of the best book in our library for free trial. We provide copy of Refugee Protection In International Law in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Refugee Protection In International Law. Where to download Refugee Protection In International Law online for free? Are you looking for Refugee Protection In International Law PDF? This is definitely going to save you time and cash in something you should think about.
