Mistrusting Refugees E. Valentine Daniel,John Chr. Knudsen,1995 A welcome contribution to the literature on refugees and refugee experience It brings a refreshingly broad range of interpretive strategies and data to bear on the problem of how humanitarian agencies intellectuals and political activists might best understand the conflictive experiences of refugees

Deborah A Poole New School for Social Research A momentous effort in the elaboration of a meaningful discourse on the issue of refugees

Jean Paul Dumont George Mason University *Fostering Refugee Resilience* Basma El Zein,Ahmed Al Jarwan,2025-04-22 Experts and practitioners from around the world highlight innovative initiatives case studies and recommendations for building more inclusive communities They emphasize the talents resilience and potential contributions of refugees rather than viewing refugees as passive recipients of aid

The Rights of Refugees under International Law James C. Hathaway,2021-04-22 Do states have a duty to assimilate refugees to their own citizens Are refugees entitled to freedom of movement to be allowed to work to have access to public welfare programs or to be reunited with family members Indeed is there even a duty to admit refugees at all This fundamentally rewritten second edition of the award winning treatise presents the only comprehensive analysis of the human rights of refugees set by the UN Refugee Convention and international human rights law It follows the refugee s journey from flight to solution examining every rights issue both historically and by reference to the decisions of senior courts from around the world Nor is this a purely doctrinal book Hathaway s incisive legal analysis is tested against and applied to hundreds of protection challenges around the world ensuring the relevance of this book s analysis to responding to the hard facts of refugee life on the ground

Environmental Justice and the Rights of Ecological Refugees Laura Westra,2009-09-02 Climate change and other

environmental problems are increasingly leading to the displacement of populations from their homelands whether through drought flooding famine or other causes Worse there is currently no protection in international law for people made refugees by such means Following on from her previous explorations of environmental justice as it relates to future generations and indigenous peoples Laura Westra now turns her attention to the plight of ecological refugees In Part I Westra provides an overview of what defines an ecological refugee and their present legal status Part II goes into greater depth as to who the vulnerable are and what protection they have in international law Part III looks to the future advocating a comprehensive approach to the problem With extensive examples and analysis this is a compelling treatment that will be indispensable for legal professionals government and business leaders academics and students of the role of law in the protection of the rights of refugees

Refugees in an Age of Genocide Katharine Knox, Tony Kushner, 2012-10-12 This is a study of the history of global refugee movements over the 20th century ranging from east European Jews fleeing Tsarist oppression at the turn of the century to asylum seekers from the former Zaire and Yugoslavia Recognizing that the problem of refugees is a universal one the authors emphasize the human element which should be at the forefront of both the study of refugees and responses to them
