A New Heart MANUEL GONZALES,2024-12-09 This is a heart changing book that could change your life and mind forever A person cannot survive long with a weak heart How s your heart Is it strong or does it need some fine tuning Perhaps it needs a complete replacement What if the surgeon God performed a heart surgery and made you whole The Lord is a skillful surgeon that can do that work in you if you allow Him Just picture your life with a brand new heart With this book I would like to share a testimony about my heart transplant as a witness to the miracles of God As I was in Loma Linda Hospital waiting for a heart transplant my prayer during the time I spent there was that God would use my situation to encourage others and that I would be a witness of his goodness and healing miracles In my prayer

I asked that He allow me to receive ideas or topics for devotionals teachings or commentaries each day He graciously granted me that prayer Every day in the hospital I was given a thought a devotional a teaching or a commentary with which I was able to expand throughout the year and include in this book These topics are meant to teach to encourage to make you reflect and as it is with the Word of God at times it convicts It is my hope for born again Christians that this book would reinforce their walk with Christ and that for unbelievers it would guide them to Christ As you read meditate on the message and apply it to your life but above all meditate on the Word of God that is found in each devotional A brief biography is also included at the beginning to introduce myself and walk you through my family background and how I got here At the end I have included some unique devotionals that apply God s science to everyday life
