**A History of Fascism in France** Chris Millington, 2019-12-12 CHOICE Outstanding Academic Title 2021 A History of Fascism in France explores the origins development and action of fascism and extreme right and fascist organisations in France since the First World War Synthesizing decades of scholarship it is the first book in any language to trace the full story of French fascism from the First World War to the modern National Front via the interwar years the Vichy regime and the collapse of the French Empire Chris Millington unpicks why this extremist political phenomenon has at times found such fervent and widespread support among the French people The book chronologically surveys fascism in France whilst contextualizing this within the broader European and colonial frameworks that are so significant to the subject Concluding with a useful historiographical chapter that brings together all the previously explored aspects of fascism in France A History of Fascism in France is a crucial volume for all students of European fascism and France in the 20th century

The National Magazine ,1905      How a useless startup burns 25 millions in 3 days Michael Wenkart, 2014-04-10 Did you observe new Startups burning Millions in just a few days This is what happened more than once in recent years however sometimes startups are successful If you are seriously thinking about starting your own business you need to give deep consideration to a lot of factors before taking the plunge A very high percentage of start ups fail often in a very short space of time And the reasons for failure are numerous and wide ranging If you don't give sufficient thought and planning to your new venture it is very likely that you will be among them It is always helpful to know of other people's experiences in these sort of areas What they did or didn't do can provide you with clear pointers as to how you should proceed Many people have been down the road and many have failed Their failures might contain the seeds of your success if you are able to understand where they went wrong and use that information to your benefit Running your own business takes guts and stamina among lots of other qualities If you are thinking of taking the plunge you will need and deserve a lot of luck Good hunting
