Righteous By Faith Alone A Devotional Commentary On Romans:

Righteous by Faith Alone Herman Hoeksema, 2002 This exposition on Romans is clear in language simple and warm in teaching rich in practical application and faithful to Scripture It is addressed not to the scholars but to the very same audience for whom the apostle wrote the epistle the beloved of God called to be saints **Romans: A Devotional Commentary** Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The letter of Romans is not just a general statement of Christian beliefs It s a personal letter to believers struggling with real issues and still learning the implications of believing in the God of Israel Throughout this letter vital truths emerge including humanity s universal predicament the nature of the message of salvation by grace through faith the relationship between faith and works the death of our old life and the gift of new life through the resurrection of Christ how this all fits in God s overall plans and what it all means for daily life Read this letter for the depth and details but never lose sight of the breadth of the vision it presents Written by beloved devotional writer and biblical scholar Chris Tiegreen each book of The See Series does more than encourage us simply to know and then do rather casts a vision for us to see then be then live Like Jesus who incorporated visual language into all his teaching this series aims at refocusing our inner eye If we can see what biblical writers saw and live according to that vision we can be transformed A valuable resource packed with insight each commentary includes an introduction to the biblical book to aid your study an introduction for each subsection of the book explaining its place and purpose in the text the historical context or background of that section and how it fits into the big picture vision of biblical truth a series of devotionals on the text that further explain purpose and meaning offer suggestions for practical application and inspire and challenge you to re envision to learn to see in new ways a discussion guide in the back to help you further reflect on the Scripture passages and or talk about them with others to expand your spiritual vision even more Romans A Devotional Commentary guides you through this New Testament epistle from the apostle Paul bringing transformation for your mind heart and imagination **Herman Hoeksema: A Theological Biography** Patrick Baskwell, 2009-07-01 The historic development of the theology of Herman Hoeksema presented as a biography by Dr Patrick Baskwell Theology Professor at ST Petersburg Theological Seminary 334 pages paperback **Romans** Dr. Matthew N.O. Sadiku, 2011-09-27 Every serious student of the Bible desires to understand the holy text discover biblical principles and apply the truths to his or her life Romans A Pentecostal Commentary by Christian author Dr Matthew N O Sadiku is designed to help students pastors and Bible teachers understand the book of Romans in a clear and simple manner Working from the popular New International Version NIV Dr Sadiku provides helpful verse by verse commentary for the book of Romans in a straightforward simple style Because the approach is uniquely Pentecostal Dr Sadiku adheres to the doctrine of biblical inerrancy and adopts a literalist approach to the interpretation of this biblical text Romans is considered by many to be one

of the most important books in the Bible as well as the most transformative it was used as the battle cry of Martin Luther against legalism and superstition during the Reformation Dr Sadiku explores new theories on Paul's letters to the Romans and supports his interpretations with historical and cultural background information from the Scriptures and outside sources Dr Sadiku also shares some of the blessings and lessons learned from his study More than a commentary this engaging text will deepen your understanding of Romans and Christ himself *Exploring Romans* George R. Knight, 2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul's central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God's response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian's life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well

Book jacket **Simply Put A Lutheran Devotional Guide** Doug Frazer, 2025-08-04 Clear Grounded Centered in Christ Simply Put offers a devotional journey through the essentials of Lutheran faith from Scripture alone to the freedom found in Christ With biblical foundations confessional insights and practical reflection this guide brings clarity to core teachings without oversimplifying their depth For lifelong Lutherans curious learners and anyone seeking comfort in God's promises this book speaks plainly and faithfully **Live Free or Die Lawfully: A devotional commentary on Galatians** Joshua Wingerd, 2019-10-28 There are only two paths Freedom or Slavery Spirit or Flesh Faith or Law Blessing or Cursing Life or Death Which path are you on This is Paul's argument in the first letter he ever wrote under the Spirit's inspiration He wants his readers then and now to live in the path of freedom and life The Galatians had traded salvation by grace alone through faith alone for a gospel of works of Law Paul has some seemingly harsh words for them because to replace grace with anything else is to destroy the Gospel of Jesus Christ Luther as a Spiritual Adviser Dennis Ngien, 2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions The aim of this book is to unfold the pastoral not the polemical side of the reformer drawing on the spiritual insights he offers to people of high and low estate These writings are devotional and catechetical in shape and intent yet not devoid of rich theological substance the fruit of his rigorous reflections They are the exercises of Luther's basic calling as a theologian pastor and are the concrete illustrations of the interface of theology and piety the former being the abiding presupposition and logical cause of the latter Through them readers are informed not only of the Reformation theology of justification but also introduced to a distinct expression of the Christian faith in which Christ

and his cross occupy the centre stage What is noticeable is the one single overarching theme God s ways with people that the Reformer as a spiritual adviser sought to relate to the events of his days such as evils severe afflictions the prevalent lay abuse of the Eucharist He counseled how to meditate aright on Christ s passion prepare to face the terror of death advise the sick rightly approach the sacrament of the altar why and how to pray aright what benefits could be gained from the Lord s Prayer and how to live out a life of discipleship under the cross Ngien s work reveals Luther as a true theologian i e theologian of the cross at work in the pastoral context **Coral Ridge Presbyterian Church Communicator** ,2001

Dandoy, 2021-04-02 God grabbed hold of a Presbyterian pastor to take him to the religion of Messianic Jews What follows is a mystery story that reveals answers to the dilemmas in a problematic faith In traditional rabbinic Judaism it is blasphemy and in church doctrine it is heresy But as a third biblical religion with its own soteriology it is neither false nor mistaken Untying the knot of contradictions in Messianic Judaism sheds light on the eminence of Judaism and the chauvinism of Christianity It turns familiar assumptions upside down with a monotheistic hermeneutic for reading the New Testament and an inclusive soteriology unfolding the revelation of God's new idea It is new wine that invites believers to a deeper devotion through reexamination of fundamental truths The majority of Messianic congregations share many of the beliefs and teachings of evangelical Protestantism a choice that has not achieved the goals of the Messianic movement because the contradiction in the evangelical assumption is real Explore the alternative truths of radical monotheism through the eyes of a gentile convert from the church who learned to read the Bible with new eyes and met Yeshua Jesus again for the first time **Antidote For the Guilt of Sin** Martin Murphy, 2020-10-20 This book is not an academic commentary of Romans However it is an exposition of the first 5 chapters of Romans with an eye on the doctrine of justification by faith alone The theological themes and topics found in the book of Romans are deep and wide The doctrine of the righteousness of God and justification by faith alone is a primary interest in this study [The Swedish Pietists: A Reader](#) Mark Safstrom, 2015-03-24 Beginning in the 1830s and stretching into the first decades of the twentieth century the Lutheran state churches of Scandinavia experienced a great spiritual awakening At the center of this movement were devotional materials and sermons made accessible through colporteurs and booksellers throughout Scandinavia as well as among immigrants in North America Two of the most

influential and widely read authors of this period were the Swedish preachers Carl Olof Rosenius 1816-1868 and Paul Peter Waldenström 1838-1917 who became household names through their immensely popular devotional journal *Pietisten*. The Pietist. Both men emerged from the long tradition of revivalism within the Lutheran state churches of Europe known as Pietism and consciously drew on this heritage as they helped to articulate and redefine the priorities of revival Christianity in a new era. This collection includes many excerpts never before translated into English as well as an accessible and thorough introduction to these authors' careers and historical contexts. Influenced by their irenic tone, simplicity, and evangelical warmth, translator and editor Mark Safstrom makes available some of the best of Rosenius's and Waldenström's writing for a new generation of laypeople, pastors, and scholars. *Psalms Through the Centuries, Volume 1* Susan Gillingham, 2012-04-30
