A Path to Joy David Bernard,2023-11-21 Most people want to be happy but is happiness obtainable People wish for it work for it and try to purchase it but are hardly ever able to find it However embracing what God offers leads to finding happiness This book A Path to Joy God s Way to Live with More Happiness and Fulfillment teaches how to have lasting joy Lasting joy is a joy that endures every circumstance and every difficulty The reason this happiness can withstand hardships is because it is sustained by God s faithfulness Even though life s experiences are unpleasant at times they are meant for eternal good But God is not interested in making his people suffer Instead he wants humanity to learn reliance on his strength In fact he doesn t expect people to have the strength to overcome trials on their own He wants believers to trust that he will sustain them in the difficulty And since God is faithful he will always make a way It is best practice to maintain trust in him and not doubt his promises This is the path to true happiness Exploring Mormon Thought Blake T. Ostler,2006-03-01 In volume 2 of the series Exploring Mormon Thought The Problems of Theism and the Love of God Blake Ostler explores issues related to soteriology or the theory of salvation He argues that the commitment that God loves us and respects our dignity as persons entails that God must leave us free to choose whether to have a saving relationship with him He explores the logic of love and argues that the LDS doctrine of a war in heaven embodies the commitment that God leaves us free to choose whether to enter into relationship with God He explores the nature of inter personal prayer and the contributions of LDS beliefs to a robust prayer dialogue He offers a view consistent with LDS commitments that makes sense out of asking God to assist others to alter the natural environment and to grow in relationship with God He then turns to the concept of grace and argues that the traditional views lead to insurmountable problems He argues that though God does not owe any obligation to us to give us grace God does so out of love However because divinity arises from loving relationships he argues that God could not fail to give sufficient grace to all persons and remain a loving God
