Ship to the Stars

A friendly alien your past friend Charles Williamson has sent you a message!

He requests that he has a starship hidden on the planet, and needs you to start construction.

The starship is in deep hibernation mode. You'll have to start it up when you arrive. Don't expect it from before trying to start it and the startup sequence completes. It will be a long, difficult series of tasks.

If you can't get the ship off the ground, Charles Williamson will send you off the planet to the stars.
