Da Black Scorpion Ali El, 2013-01-15 I originally wrote this book as a movie script back in 1992 while awaiting trial It was a add on to a movie that I had started filming before being locked up It was my answer to the movie Rocky But if you knew anything about the publishing business you would know that at the time it was virtually impossible to get published as a black author So this book went in my bag Once convicted and sent off to the plantation this book was passed around amongst the convicts alongside the likes of Goines and Ice Berg Til finally my homie

shipped with it I tried unsuccessfully to contact Apple for about two years with no luck By this time 2002 I had written four more books and with the emergence of independent black publishers I realized that my own try at independent publishing in 1998 wasn't a pipe dream but rather the lack of vision from unnamed people So once again I tried to go thru the established Finally I concluded that a nigga that has never had nothing don't know how to be true to the game So back to square one with the idea of dropping two books at the same time I rewrote the book and merged it with the book that all my readers liked the most But since my luck is as good as a rabbit losing his foot You know I lost the book again Finally January 2006 I re wrote this book Only this time I set out to put it in book form as I wrote it And here it is all hand written cover and all 14 years in the making Damn why so long
