Ringo Starr Straight Man Or Joker:

Ringo Starr Alan Clayson,1991-01-01 The Beatles: Having Read the Book Greg Sterlace,2015-07-26 The cottage industry of Beatles publications is more prolific now than it ever was As the band recedes into the mystic fog of 20th century history we get more and more documentation about their music their love lives their personalities and their finances I wanted to try to make sense of it by reviewing the best and the worst of the Beatles tomes as they stand side by side in bookstores everywhere I spent 40 years reading about them knowing that one day I would share my accumulated knowledge with the fans in Pepperland Having read the book I d love to turn you on **Rock Stars Do the Dumbest Things** Margaret Moser,Bill Crawford,2007-04-01 Aerosmith Elvis Presley Michael Jackson Nine Inch Nails Ozzy Osbourne U2 What do all of these artists have in common They re rich and rowdy rock n roll renegades whose wild stunts dumb quotes and out of control lifestyles are featured in Rock Stars Do the Dumbest Things Where else will you find an explanation goodness knows we need one of the Spice Girls fourteen and one half minutes of fame straight from the mouths of babes Baby Spice that is We re like a religious cult Or where will you learn Izzy Stradlin s of Guns N Roses deep thoughts on the virtues of vomiting out of a bus going sixty five miles an hour And how live octopuses end up in a bathtub with Led Zeppelin s female playmates Whether you re a Metallica or Madonna fan you ll get plenty of jaw dropping facts and anecdotes along with biographical and career highlights of over eighty eight raunchy rock n rollers From current starts like Marilyn Manson and Courtney Love to classic rockers like the Rolling Stones and the Eagles Rock Stars Do the Dumbest Things is proof that rock music is still crazy after all these years The Beatles Bob Spitz,2012-06-25 The definitive biography of The Beatles hailed as irresistible by the New York Times riveting by the Boston Globe and masterful by Time As soon as The Beatles became famous the spin machine began to construct a myth one that has continued to this day But the truth is much more interesting much more exciting and much more moving the highs and the lows the love and the rivalry the awe and the jealousy the drugs the tears the thrill and the magic to never be repeated In this vast revelatory exuberantly acclaimed and bestselling book Bob Spitz has written the biography for which Beatles fans have long waited *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day

Ringo Michael Seth Starr,2016-09-01 Ringo With a Little Help is the first in depth biography of Beatles drummer Ringo Starr who kept the beat for an entire generation and who remains a rock icon over fifty years since the Beatles took the world by storm With a Little Help traces the entire arc of Ringo s remarkable life and career from his sickly childhood to his life as The World s Most Famous drummer to his triumphs addictions and emotional battles following the breakup of the Beatles as he comes to terms with his legacy Born in 1940 as Richard Starkey in the Dingle one of Liverpool s most gritty rough and tumble neighborhoods he rose from a hardscrabble childhood marked by serious illnesses long hospital stays and little schooling to emerge against all odds as a locally renowned drummer Taking the stage name Ringo Starr his big break

with the Beatles rocketed him to the pinnacle of worldwide acclaim in a remarkably short time. He was the last member of the Beatles to join the group but also the most vulnerable and his post-Beatles career was marked by chart-topping successes, a jet-setting life of excess and alcohol abuse, and ultimately his rebirth as one of rock's revered elder statesmen. **The Beatles as Musicians** Walter Everett, 2001. This volume is a comprehensive chronologically ordered study of every aspect of the musical life of the Beatles: composition, performance, recording, and reception histories from the group's beginnings in 1956 through to 1965. **The Beatles as Musicians : Revolver through the Anthology** Walter Everett, Associate Professor of Music in Music Theory, University of Michigan, 1999-03-31. Given the phenomenal fame and commercial success that the Beatles knew for the entire course of their familiar career, their music per se has received surprisingly little detailed attention. Not all of their cultural influence can be traced to long hair and flashy clothing; the Beatles had numerous fresh ideas about melody, harmony, counterpoint, rhythm, form, colors, and textures. Or consider how much new ground was broken by their lyrics alone: both the themes and imagery of the Beatles' poetry are key parts of what made and still makes this group so important, so popular, and so imitated. This book is a comprehensive chronological study of every aspect of the Fab Four's musical life, including full examinations of composition, performance, practice, recording, and historical context during their transcendent late period, 1966-1970. Rich, authoritative interpretations are interwoven through a documentary study of many thousands of audio print and other sources. Library Journal, 1992. Includes beginning Sept 15, 1954, and on the 15th of each month Sept-May, a special section. School library journal, ISSN 0000-0035, called Junior Libraries, 1954-May 1961, also issued separately. **Paul McCartney** Barry Miles, 1998-10-15. A definitive authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world's most famous musicians, the world of the Beatles, his partnership with John Lennon, and more. **Fab Howard Sounes**, 2010-10-26. He is one of the most famous, most wealthy people on the planet, and yet he remains little known and understood as a personality. At long last, Paul McCartney is the subject of a major, deeply researched, psychologically acute biography. It tells a story that will illuminate and surprise. The publication finds McCartney, who turns 70 in 2012, revitalized as a performer, touring with a set of mostly Beatles songs, and a man buffeted by profound changes in recent years: the death of his first wife Linda, the death of George Harrison, a second marriage to Heather Mills, and its spectacular failure, the fall out from which is still crashing around him. **The Beatles Diary Volume 1: The Beatles Years** Barry Miles, 2009-10-27. An intimate day-by-day history of all four Beatles from childhood to the break-up of the group. All the concerts, film, TV, and radio appearances, interviews, hushed-up scandals, the sex, and the drugs, the triumphs and quarrels, and all the Beatles-related births, marriages, and deaths. Essential reading for anyone interested in rock's most influential phenomenon of all time. **Ringo Starr** Marsi József, 2025-05-19. Ki az a Richard Starkey? Avagy Sir Ringo Starr lete Ringo Starr?
