Rio Guns:

Devil Gun Steve Pickering, 2020-11-19 A tale of adventure and courage that invites the reader on a journey across the treacherous Atlantic to 19th Century America where our hero Denim Armstrong struggles to make his mark in a land of opportunity and violence The story takes us across the landscape of the Wild West where we witness revenge killings showdowns and turns of fortune with memorable and sometimes notorious historical characters shaping Denim's destiny

Rio Guns John Thomas Edson, 1963 *The Global War on Your Guns* Wayne R. LaPierre, 2006 **Sixguns and Society** Will Wright, 2023-04-28 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consciousness and society If a myth is popular it must somehow appeal to or reinforce the individuals who view it by communicating a symbolic meaning to them This meaning must in turn reflect the particular social institutions and attitudes that have created and continue to nourish the myth Thus a myth must tell its viewers about themselves and their society This study which takes up the question of the Western as an American myth will lead us into abstract structural theory as well as economic and political history Mostly however it will take us into the movies the spectacular and not so spectacular sagebrush of the cinema Unlike most works of social science the data on which my analysis is based is available to all of my readers either at the local theater or more likely on the late late show I hope you will take the opportunity whenever it is offered to check my findings and test my interpretations the effort is small and the rewards are many And if your wife husband mother or child asks you why you are wasting your time staring at Westerns on TV in the middle of the night tell them firmly as I often did that you are doing research in social science This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 From the Preface The purpose of this book is to explain the Western's popularity While the Western itself may seem simple it isn't quite an explanation of its popularity cannot be for the Western like any myth stands between individual human consc

Gun Control Policies in Latin America Diego Sanjurjo, 2019-05-23 This book analyses the crucial role that guns play in the dynamics of extreme violence engulfing Latin America and the policies that are being implemented to confront it Gun control is surprisingly not a prominent issue in most countries of the region but this situation is rapidly changing as proliferation and violence dramatically increase The book adopts an extended version of John Kingdon's influential Multiple Streams Framework to explore how gun control enters political agendas and why some countries act to end gun violence and others do not In this effort the Brazilian Disarmament Statute and the Uruguayan Responsible Firearm Ownership Law serve as in depth case studies that exhibit the region's heterogeneity and put Kingdon's policy theory to the test Gun Control

Policies in Latin America is an essential reading for anyone interested in Latin American security and public policies *Gun Crime in Global Contexts* Peter Squires, 2014-06-27 Every year around three quarters of a million people die directly or indirectly as a result of gun violence with most deaths occurring in the poorest yet also most highly weaponized parts of the world Firearm proliferation 875 million global firearms is a direct contributor to both regional conflicts and to crime This book attempts to understand the inter related dynamics of supply and demand which are weaponizing the world Now over ten years after Peter Squires's *Gun Culture or Gun Control* the issues pertaining to gun violence and gun control have developed dramatically With *Gun Crime in Global Contexts* Peter Squires offers a cutting edge account of contemporary developments in the politics of gun crime and the social and theoretical issues that surround the problem This book contains an innovative political analysis of neo liberal globalization and weapon proliferation an overview of recent gun control debates and gang strategies in the UK an updated analysis of US gun politics self defence race and the culture war a critical analysis of US school and rampage shootings how they have impacted the gun debate and how different societies have responded to mass shootings an examination of the UN's development of an Arms Trade Treaty 2001 13 a discussion of weapon trafficking discussions about youth gangs around the world including those in Brazil Kenya West Africa Mexico and South Africa With its interdisciplinary perspective and global reach this book will be important reading for academics and students interested in youth and gang crime violent crime and comparative criminal justice as well as peace and security studies and international relations *Two Armies on the Rio Grande* Douglas A. Murphy, 2014-10-28 Winner Clotilde P Garcia Tejano Book Prize The opening campaign of the US Mexican War transformed the map of each nation and shaped the course of conflict Armed with a broad range of Mexican military documents and previously unknown US sources Douglas Murphy provides the first balanced view of early battles such as Palo Alto and Resaca de la Palma He reassesses previously covered territory and also poses new questions Why did Mexico establish its defenses south of the Rio Grande while claiming territory north of the river What was Mexico's strategy in the campaign against the United States What factors most affected Mexico's defeat In confronting these questions Murphy shows that the campaign was a complex chess match with undercurrents of political intrigue economic motivations and personal animosities as much as military action *Two Armies on the Rio Grande* will transform our understanding of the US Mexican War *Brothers of The Gun* B.S. Dunn, 2017-01-03 Buford Lance fought for every inch of his B L connected ranch so he'd be damned if he was going to hand over a large portion of his Cottonwood Creek range to homesteaders Instead he decides to fight again This time he hires two of the best guns in the business Lucas Kane The Gun King They said he was invincible that there was nobody faster Jordan Kane The Prince Next in line for the throne He'd take on any job It was said that he'd shoot his own mother if the price was right One an out and out killer the other his polar opposite who could never commit murder no matter the price When Lucas Kane refuses the job Lance has him bushwhacked It begins an infamous blood letting talked about for years to come and leads to

the change of a town's name in an effort to forget. Ultimately it draws two brothers into a showdown where only one can walk away. Will the Gun King keep his throne? Or can the Prince finally get to wear the crown he desperately covets. *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993

The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department, comments on previous volumes: "The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog." Thomas Cripps, "Endlessly absorbing as an excursion into cultural history and national memory." Arthur Schlesinger Jr., *Report of the Secretary of the Navy*, United States. Navy Dept., 1878. *Annual Report of the Secretary of the Navy*, United States. Navy Department, 1874. **Annual Reports of the Navy Department for the Fiscal Year ...** United States. Navy Department, 1878. **House Documents, Otherwise Publ. as Executive Documents** United States. Congress. House, 1875. *Encyclopedia of Pulp Fiction Writers* Lee Server, 2014-05-14. Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works. [Walking to Mercury](#) Starhawk, 2011-11-23. In *The Fifth Sacred Thing* readers fell in love with Maya Greenwood, the 98-year-old writer who led Northern California's successful 21st-century rebellion against a racist totalitarian regime of the South. *Walking to Mercury* takes readers back to the 20th century and powerfully dramatizes the forces that shaped this extraordinary woman. The book opens and closes with the middle-aged Maya struggling with a profound personal and spiritual crisis. The culminating factor has been her mother's death, and now Maya embarks on a trek in the Himalayas intending to sprinkle her mother's ashes at the base of Mt. Everest and finally lay to rest her tumultuous past. At rest stops in tiny Tibetan villages she reads diary pages her lover Johanna has tucked into her bag; the diary Johanna kept throughout their shared youth during the Vietnam era. In vivid flashbacks to those radical days we accompany the young Maya as she awakens to the summer of love, joins the anti-war movement, and enters into a relationship with the abusive alcoholic Rio. She finally gathers the strength to break free and seek her own true path, which takes her from the streets of Manhattan to the mountains of Mexico. Eventually she emerges stronger and wiser, infused with the wisdom of the earth and the spirit of the goddess. Traveling through the landscape of memories helps Maya reclaim her past and foreshadows the miraculous events readers of *The Fifth Sacred Thing* know her to be capable of in the future. **Open Fire** Charles Fruehling Springwood, 2007-01-15. *Open Fire* presents a broad analysis of the social, cultural, and political significance of firearms and the worlds they create. [Small Arms Survey 2012](#) Graduate Institute of International and Development Studies (Geneva, Switzerland), *Small Arms Survey*, Geneva, 2012-08-30. The *Small Arms Survey 2012* seeks to increase our scrutiny of what is changing and not changing in relation to armed violence and small arms proliferation. Chapters on firearm homicide in Latin America and the Caribbean, drug violence in selected Latin American countries, and non-lethal violence worldwide illustrate that security is a moving target; armed violence, both lethal and non-lethal, continues to undermine the

security and wellbeing of people and societies around the world The goal of curbing small arms proliferation embodied in the UN Programme of Action appears similarly elusive Chapters on illicit small arms in war zones trade transparency Somali piracy and the 2011 UN Meeting of Governmental Experts highlight some of the successes but also the continuing challenges in this area Country studies on Kazakhstan and Somaliland along with the final instalment of the authorized transfers project round out the 2012 edition The United Service Journal and Naval and Military Magazine ,1830 **Brassey's Naval Annual** ,1940 **Contentious Politics in Brazil and China** December Green,Laura Luehrmann,2018-05-15 Contentious Politics in Brazil and China Beyond Regime is a highly accessible and compelling examination of two fast emerging countries in the global arena It is not common to see Brazil and China examined side by side but authors December Green and Laura Luehrmann show the utility of this unorthodox comparison By moving beyond region and regime this book offers a thought provoking analysis of two very different countries dealing with many concerns and problems in surprisingly similar ways With a focus on current issues Contentious Politics in Brazil and China covers migration urbanization criminality the environment sexual politics and HIV AIDS response foreign policy and international relations This text not only illuminates each country s realities more clearly than traditional regional or regime type comparisons can but it offers unexpected insights into the study of state society relations

Unveiling the Magic of Words: A Review of "**Rio Guns**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Rio Guns**," a mesmerizing literary masterpiece penned by way of a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.
