Choral-Orchestral Repertoire Jonathan D. Green, David W. Oertel, 2019-12-05 *Choral Orchestral Repertoire A Conductor's Guide Omnibus Edition* offers an expansive compilation of choral orchestral works from 1600 to the present Synthesizing Jonathan D Green's earlier six volumes on this repertoire this edition updates and adds to the over 750 oratorios cantatas choral symphonies masses secular works for large and small ensembles and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations Each entry includes a brief biographical sketch of the composer approximate duration text sources performing forces available editions and locations of manuscript materials as well as descriptive commentary a discography and a bibliography Unique to this edition are practitioner's evaluations of the performance issues presented in each score These include the range tessitura and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition There is also a description of the specific challenges staffing and rehearsal expectations related to the performance of each work *Choral Orchestral Repertoire* is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles

A Conductor's Guide to Choral-Orchestral Works Jonathan D. Green, 2003 Now in paperback This innovative survey of large choral orchestral works written between 1900 and 1972 and containing some English text examines eighty nine works from Elgar's *Dream of Gerontius* to Bernstein's *Mass* For each work the author provides a biography of the composer complete instrumentation text sources editions availability of performing materials performance issues discography and bibliographies of the composer and the work Based upon direct score study each work has been evaluated in terms of potential performance problems rehearsal issues and level of difficulty for both choir and orchestra When present solo roles are described The forty nine composers represented include Samuel Barber Arthur Bliss Benjamin Britten Henry Cowell Frederick Delius R Nathaniel Dett Gerald Finzi Howard Hanson Roy Harris Paul Hindemith Ulysses Kay Constant Lambert Peter Mennin Gunther Schuller William Schumann Michael Tippett Ralph Vaughan Williams William Walton and Healey Willan Written as a field guide for conductors and anyone else involved in programming concerts for choir and orchestra this text should prove a useful source of new repertoire ideas and an invaluable aid to rehearsal preparation Cloth edition first published in 1994

The Musical Times & Singing-class Circular, 1914 *A New Dictionary of Music* Arthur Jacobs, 2017-07-28 What is a fugue What is the difference between a saxophone and a saxhorn Who besides Puccini wrote an opera called *La Boheme* In what year was the National Broadcasting Company Orchestra formed under Arturo Toscanini's direction These and thousands of similar questions are answered in this comprehensive dictionary that remains unrivaled as a single volume summary *A New Dictionary of Music* is a basic reference work for anyone interested in music whether performer or layman It covers orchestral solo choral and chamber music opera and in its musical aspects the ballet There are entries for composers with biographies and details of compositions works well known by their titles such as

operas and symphonic poems orchestras performers and conductors of importance today musical instruments including those of the dance and brass bands and technical terms English names and terms are used whenever possible but foreign terms in general use are cross referenced Particular importance has been attached to bringing the reader abreast of new musical developments The composers and musical works chosen were those most likely to be encountered Where an opera is given an entry a brief explanation of the title follows Similarly explication is provided for other works bearing literary or otherwise allusive titles Among performers and conductors only the following are included those who although dead continue to be prominent through recorded performances e g Gigli the highest ranking international artists of today plus a very few apparently on the verge of attaining that rank and a few who though not necessarily at the very head of their profession are closely associated with composers in bringing out new works or are conductors in charge of important orchestras

Constant Lambert Stephen Lloyd, 2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he d ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired *The Rio Grande* but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn Book jacket 2009
