Rise And Decline Of Anglican Idealism In The Nineteenth Century:

The Rise and Decline of Anglican Idealism in the Nineteenth Century T. Gouldstone, 2005-02-11 Scientific and historical studies in the Nineteenth century challenged Christian believers to restate their faith in ways which took account of new knowledge An example of this is the influence of philosophical idealism on a generation of writers and theologians principally centred around the University of Oxford However these optimistic and socially privileged men and women failed to come to terms with the mass movements and rapid changes in fin de siècle England The Church moved out of touch with national life and is reaping the consequences today

Philosophy, History, and Theology Alan P.F. Sell, 2012-04-06 Alan Sell here presents a selection of his wide ranging informative and entertaining reviews Among philosophical themes discussed are Locke and the Enlightenment Richard Price John Stuart Mill philosophical idealism and analytical philosophy of education and of religion Historical studies run from the Middle Ages onwards and encompass English Welsh and Scottish Nonconformity the Evangelical Revival the Oxford Movement theological education American Reformed thinkers the crisis of belief and the Social Gospel in Canada and evangelical and liberal theology Theological topics include Origen Calvin and Dutch Reformed thinkers American Baptists Mercersburg Theology Scottish theology liberation theology assurance the atonement ecclesiology ecumenism art and theology Christian ethics worship and spirituality

British Idealism and International Thought Nazli Pinar Kaymaz, 2020-07-09 This book gives a comprehensive account of the British Idealist approach to international relations from the 1880s to 1930s In an attempt to historically contextualise the shifts in several British Idealists approaches to the nature of international relations and human rights it focuses on their reflections on the Second Boer War the Great War and the League of Nations The ensuing discussion offers valuable insights into British Idealists evolving approaches to the topics of imperialism cosmopolitanism internationalism multiculturalism and human rights While the pioneering Idealists like T H Green and Bernard Bosanquet are acknowledged as those who set the tone of discussion on these central issues works by minor British Idealists such as J S Mackenzie J H Muirhead Henry Jones R B Haldane and H J W Hetherington reveal British Idealism s capacity for adaptation to novel ideational positions under adverse international conditions

Scripture, Skepticism, and the Character of God Dane Neufeld, 2019-07-11 During a period of great religious upheaval Anglican philosopher and ecclesiastic Henry Longueville Mansel 1820 1871 became famous for his 1858 Bampton Lectures which sought to defend traditional faith by employing a skeptical philosophy Understanding Mansel and the passionate debate that surrounded his career provides insight into the current struggle for ancient religions to articulate their traditions in a modern world In Scripture Skepticism and the Character of God Dane Neufeld explores the life and thought of the now forgotten nineteenth century theologian Examining the ideological differences between this philosopher and his contemporaries Neufeld makes a case for the coherence of Mansel s position and traces the vestiges of his thought through the generations that followed him Mansel found himself at the centre of an explosive debate concerning

the Christian scriptures and the moral character of the God they described Though the rise of science is often credited with provoking a crisis of doubt shifting ideas about humanity and God were just as central to the spiritual unrest of the nineteenth century Mansel's central argument that the entire Bible must be read as a unified witness to the reality of God provoked disagreement among theologians churchmen and free thinkers alike who were uncomfortable with certain aspects of the scriptural portrayal of God's activity and character Mansel's attempt to reconcile theological skepticism with scripturalism was misunderstood He was branded a hopeless fideist by the free thinkers and a dangerous skeptic by high broad and evangelical churchmen alike Many of the controversies in contemporary Christianity concern the collision between modern morality and biblical renderings of God Neufeld argues that Henry Mansel while a deeply polarizing figure brought clarity and precision to this debate by exposing what was at stake for Christian belief and biblical interpretation in the Victorian period

A Study Guide for Christina Rossetti's "Uphill" Gale, Cengage Learning, 2016 A Study Guide for Christina Rossetti's *Uphill* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs

William Temple and Church Unity Edward Loane, 2016-09-29 This book evaluates William Temple's theology and his pursuit of church unity It exposes a number of paradoxes and conflicts that have generally gone under appreciated in assessments of Temple William Temple was one of the most outstanding leaders of the early ecumenical movement In many ways his ecumenical efforts provided a paradigm others have looked to and followed Through detailed analysis of primary sources this study sheds light on several behind the scenes conflicts Temple experienced as he worked toward church unity Edward Loane explores the foundation of Temple's work by analyzing the philosophy and theology that underpinned and fueled it The book also exposes the tensions between Temple's denominational allegiance and his ecumenical convictions a tension that in some ways undermined his work for reunion This book reveals issues that contemporary Christians need to grapple with as they seek to further church unity

The Missionary of Knowledge Christopher Cunliffe, 2024-04-01 An accessible introduction to the life and thought of Hastings Rashdall one of the most prominent figures in the Church of England of his day This book makes the case for his continuing influence and relevance

The High Church Revival in the Church of England Jeremy Morris, 2016-09-19 In *The High Church Revival in the Church of England* new insights are opened up into one of the most significant movements of devotional and liturgical revival in the nineteenth and twentieth centuries Attending closely to the social history of the movement as well as to its continental connections and its theological complexity this research re-evaluates its historiographical legacy in the light of recent research and controversy Traditional interpretations of High Churchmanship have presented it either as a heroic rediscovery of the real essence of Anglicanism or as an eccentric distortion of it This volume asserts instead its theological creativity and its popular roots as a permanent enrichment of the Anglican tradition

whilst also analysing and describing the nature and limits of its growth **John Venn** Lukas M. Verburgt,2022-04-08 John Venn is remembered today as the inventor of the famous Venn diagram The postmortem fame of the namesake diagram has until now eclipsed Venn's own status as one of the most accomplished logicians in his day Praised by John Stuart Mill as a highly successful thinker with much power of original thought Venn profoundly influenced nineteenth century philosophers ranging from Mill and Henry Sidgwick to Charles Sanders Peirce Venn was heir to a clerical Evangelical dynasty but religious doubts led him to resign Holy Orders and instead turn to an academic life writing influential textbooks on probability theory and logic and advocating for education reform including for women's education Venn also collaborated with Francis Galton in the unofficial Anthropometrical Laboratory and through his writing and teaching a direct line can be traced from Venn and his circle to the development of analytic philosophy in the work of W E Johnson G E Moore Bertrand Russell and C D Broad Through family descent Venn was connected to eminent Victorians like Leslie Stephen and Virginia Woolf This essential book explores Venn's life and work in context taking readers on his journey from Evangelical son to Cambridge don The picture that emerges of Venn the person is of a man with many sympathies sometimes mutually reinforcing and at other times outwardly contradictory **Oliver Quick and the Quest for a Christian Metaphysic**

Alexander J. Hughes,2016-03-03 Oliver Chase Quick 1885-1944 was one of the foremost and most widely read British theologians of his day Oliver Quick and the Quest for a Christian Metaphysic presents the first major study of his work Exploring Quick's understanding of the task of theology his Christology sacramental theology and doctrine of God Hughes explains Quick's attempt to restructure the idea of divine transcendence Expanding the narrative of twentieth century historical theology this book draws conclusions about shifts in English theology in the last century particularly the persistence and vitality of a philosophically oriented Anglican theology Offering fresh insights into twentieth century English theology and its leading figures this book will also appeal to those with an interest in philosophical theology systematic theology and Christian doctrine **Crucicentric, Congregational, and Catholic** David R. Peel,2019-03-04 This book presents a synthesis of Alan Sell's theology drawn from his voluminous publications As Sell's doctrinal views are explored and interpreted his indebtedness to P T Forsyth becomes clear What emerges is a theology rooted in and flowing from the Cross Resurrection event Standing in the Separatist Dissenting and Nonconformist traditions Sell advocates a wholehearted commitment to a Congregational ecclesiology which he maintains carries the potential to break through the log jams holding up the establishment of full ecumenical relationships across the churches Saddened by Christianity's many sectarianisms Sell's intentions are thoroughly catholic while his faithfulness to the Christian tradition handed on to him is matched by a willingness to receive insights from beyond it The result is a generous if eclectic expression of Christian orthodoxy The critical phase of the book turns upon the question whether Sell's generous orthodoxy is generous enough Do his theological conclusions actually do justice to the life and ministry of Jesus And secondly are they credible in the contemporary world For

all Sell's commitment to apologetics does his theology actually speak to contemporary hearers

The Reception of Darwinian Evolution in Britain, 1859-1909 Martin Hewitt, 2024-10-20

The Reception of Darwinian Evolution in Britain 1859 1909 Darwinism's Generations uses the impact of Charles Darwin's On the Origin of Species 1859 in the 50 years after its publication to demonstrate the effectiveness of a generational framework for understanding the cultural and intellectual history of Britain in the nineteenth century It challenges conventional notions of the Darwinian Revolution by examining how people from across all sections of society actually responded to Darwin's writings Drawing on the opinions and interventions of over 2 000 Victorians drawn from an exceptionally wide range of archival and printed sources it argues that the spread of Darwinian belief was slower more complicated more stratified by age and ultimately shaped far more powerfully by divergent generational responses than has previously been recognised In doing so it makes a number of important contributions It offers by far the richest and most comprehensive account to date of how contemporaries came to terms with the intellectual and emotional shocks of evolutionary theory It makes a compelling case for taking proper account of age as a fundamental historical dynamic and for the powerful generational patternings of the effects that age produced It demonstrates the extent to which the most common sub periodisation of the Victorian period are best understood not merely as constituted by the exigencies of events but are also formed by the shifting balance generational influence Taken together these insights present a significant challenge to the ways historians currently approach the task of describing the nature and experience of historical change and have fundamental implications for our current conceptions of the shape and pace of historical time

Baudrillard and Theology James Walters, 2012-06-21

Jean Baudrillard was one of the foremost intellectual figures of the late twentieth century and his work is currently reaching a new prominence in the English speaking world Known as the high priest of postmodernity Baudrillard never directly addressed theological concerns However his provocative analysis of the changing nature of reality subjectivity and agency is of increasing importance to contemporary theology Furthermore his mode of cultural analysis which he himself describes as mystical provides fruitful possibilities for theological reasoning in the post idealist world he describes James Walters provides the context of Baudrillard's writing and identifies key influences He then sets out his core ideas drawing in theological responses and relating them to theological concerns Finally he highlights some areas of his work of particular theological interest

Archbishop Randall Davidson Michael Hughes, 2017-08-15

Randall Davidson was Archbishop of Canterbury for quarter of a century Davidson was a product of the Victorian ecclesiastical and social establishment whose advance through the Church was dependent on the patronage of Queen Victoria but he became Archbishop at a time of huge social and political change He guided the Church of England through the turbulence of the Edwardian period when it faced considerable challenges to its status as the established Church as well as helping shape its response to the horrors of the First World War Davidson inherited a Church of England that was sharply divided on a range of issues and he devoted his career as Archbishop to securing its unity whilst ensuring that its voice

continued to be heard both nationally and internationally A modest and pragmatic man he was widely respected both within the Church of England and beyond helping to find solutions to a range of political and ecclesiastical problems This book explores Davidson s role within the Church and in the life of Britain more broadly during his time at Canterbury It includes a large selection of documents that help to reveal the Archbishop s character and cast light on the way in which he carried out his varied and demanding duties

Keshab John Stevens,2018-06-01 Keshab Chandra Sen 1838 84 was one of the most powerful and controversial figures in nineteenth century Bengal A religious leader and social reformer his universalist interpretation of Hinduism found mass appeal in India and generated considerable interest in Britain His ideas on British imperial rule religion and spirituality global history universalism and modernity were all influential and his visit to England made him a celebrity Many Britons regarded him as a prophet of world historical significance Keshab was the subject of extreme adulation and vehement criticism Accounts tell of large crowds prostrating themselves before him believing him to be an avatar Yet he died with relatively few followers his reputation in both India and Britain largely ruined As a representative of India Keshab became emblematic of broad concerns regarding Hinduism and Christianity science and faith India and the British Empire This innovative study explores the transnational historical forces that shaped Keshab s life and work It offers an alternative religious history of empire characterized by intercultural dialogue and religious syncretism A fascinating and often tragic portrait of Keshab s experience of the imperial world and the ways in which he carried meaning for his contemporaries

Julia Wedgwood, The Unexpected Victorian Sue Brown,2022-03-08 Though Julia Wedgwood is still remembered as a commentator on the work of her uncle Charles Darwin and for her brief but intense friendship with Browning her contemporary standing as a writer the thoughtful woman par excellence has been obscured as has her role in the pioneering days of women s higher education and the first campaigns for female suffrage Based on her extensive correspondence and unusually wide ranging work this biography unites the private person and the public writer It also looks at her many relationships with leading Victorian cultural figures including not only Darwin and Browning but George Eliot Mrs Gaskell Harriet Martineau Frances Power Cobbe F D Maurice Richard Hutton Arthur Munby and the young E M Forster It considers the challenges facing a single deaf Victorian woman in establishing her own independent but unconventional life

The Self-emptying God Peter J. Colyer,2014-10-17 Christ emptied himself we read in Paul s letter to the Philippians words that are probably part of an early Christian liturgy In this book Peter Colyer examines in detail the concept of the self emptying kenosis of Christ and of the ways in which this understanding of the historic figure of Jesus Christ has been extended to the whole being of God The sections of the book deal with the need for compatibility between theological and scientific views of the natural world the increas

The Eucharistic Theology of Edward Bouverie Pusey Brian Douglas,2015-08-25 In The Eucharistic Theology of Edward Bouverie Pusey 1800 1882 and Regius Professor of Hebrew at Oxford University from 1828 to 1882 Brian Douglas offers a critical account of Pusey s eucharistic theology set in the context

of his life and work at Oxford and as the leader of the nineteenth century Oxford Movement Pusey has often been characterised as conservative and obscurantist but in this book Douglas critically assesses Pusey's eucharistic theology as a consistent expression of moderate realism which is both wise and creative The book analyses Pusey's extensive written output on eucharistic theology and ends with a reassessment of Pusey as a theologian portraying him as a thinker owing much to Scripture the early church Fathers Anglican divines and philosophical reflection Pusey is also seen to anticipate modern eucharistic theology Reassessments of Pusey in the modern era are rare and this book contributes to a significant gap in the literature

The Evolution of Rationality F. LeRon Shults, 2006-11-09 How can science and religion move together toward a collegial future J Wentzel van Huyssteen has spent decades developing an interdisciplinary platform for the fruitful engagement of science and religion Compiled to celebrate van Huyssteen's 65th birthday *The Evolution of Rationality* gathers a stellar roster of scholars in van Huyssteen's main areas of philosophy science and theology The contributors some of them Gifford lecturers and Templeton Prize winners offer significant new methodological and material proposals giving evidence of van Huyssteen's impact on the shape and texture of interdisciplinary conversation itself Their essays are arranged in three parts modern and postmodern philosophical challenges to our understanding of rationality scientific evolutionary perspectives on the nature and development of human rationality in relation to religion religious and theological explorations of the evolution of rationality However because the authors are all involved in interdisciplinary dialogue this philosophical scientific theological arrangement of chapters is not hard and fast Virtually every essay engages issues that overlap all three fields forming an extremely rich blend of thought A creative interdisciplinary collection written by world renowned philosophers scientists and theologians *The Evolution of Rationality* renders fitting tribute to pioneering scholar mentor J Wentzel van Huyssteen Contributors John Hedley Brooke Delwin Brown Philip Clayton Jean Clottes F W Dobbs Allsopp David Fergusson Niels Henrik Gregersen David Lewis Williams George Newlands Richard Robert Osmer Arthur Peacocke Kenneth A Reynhout Holmes Rolston III Michael Ruse Calvin O Schrag F LeRon Shults Christopher Southgate Michael L Spezio Mikael Stenmark Jerome A Stone Ian Tattersall Roger Trigg Keith Ward Wesley J Wildman

Confessing the Faith Yesterday and Today Alan P.F. Sell, 2013-02-26 Can Christians be spiritual and religious Do they even know the difference between the two Through a guide for guardian angels entering into basic training for service to womankind Bound an Earth Walker's handbook overhauls Western Christianity with integrity and clarity

When somebody should go to the books stores, search creation by shop, shelf by shelf, it is really problematic. This is why we present the book compilations in this website. It will completely ease you to see guide **Rise And Decline Of Anglican Idealism In The Nineteenth Century** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
