Smith,2008-03-07 This edited volume presents a comprehensive analysis of the Baltic question which arose within the context of the Cold War and which has previously received little attention This volume brings together a group of international specialists on the international history of northern Europe It combines country based chapters with more thematic approaches highlighting above all the political dimension of the Baltic question locating it firmly in the context of international politics It explores the policy decision making mechanisms which sustained the Western non recognition of Soviet sovereignty over the Baltic States after 1940 and which eventually led to the legal restoration of the three countries statehood in 1991 The wider international ramifications of this doctrine of legal continuity are also examined within the context both of the Cold War and of relations between post soviet Russia and the enlarging Euro Atlantic area The book ends with an examination of how this Cold War legacy continues to shape relations between Russia and the West      [The Fall of an Empire, the Birth of a Nation](#) Chris Chulos,Timo Piirainen,2017-12-01 This title was first published in 2000 A collection of articles by Russian and Western experts on nationalism The objective of the work is to give an overview of the new Russian identity building and of the historical continuities that lie behind this ongoing process The main theme is the shift from empire and imperial consciousness characteristic both of the imperial Russia and the Soviet Union towards a new identity as a nation state Ultra nationalism and the threat posed by ultra right extremists groups is also among the most important themes in the book The rising nationalist extremism is one of the several major projects that seek to redefine the Russian nationhood The ultra nationalist challenge is examined in several articles the anatomy of extreme Russian nationalism is also examined through a case study of a small militant group of extremists      [Swedish Naval Administration, 1521-1721](#) Jan Glete,2010 This book is a long term study of organisational capabilities as parts of early modern state formation Sweden was a largely non maritime society which nevertheless maintained a large navy as part of the armed forces which created a Baltic empire Many of the resources came from the peasant society which was exploited in an entrepreneurial fashion by a highly ambitious dynasty For a long time Sweden was organisationally more advanced than its neighbours but the empire ceased to grow and finally collapsed when other Northern powers developed strong states The book provides detailed information about the strength of the navy in terms of warships equipment guns and men and it relates changes in size and structure to changes in policy

**The House of Hemp and Butter** Kevin C. O'Connor,2019-11-15 Founded as an ecclesiastical center trading hub and intended capital of a feudal state Riga was Old Livonia s greatest city and its indispensable port Because the city was situated in what was initially remote and inhospitable territory surrounded by pagans and coveted by regional powers like Poland Sweden and Muscovy it was also a fortress encased by a wall The House of Hemp and Butter begins in the twelfth century

with the arrival to the eastern Baltic of German priests traders and knights who conquered and converted the indigenous tribes and assumed mastery over their lands It ends in 1710 with an account of the greatest war Livonia had ever seen one that was accompanied by mass starvation a terrible epidemic and a flood of nearly biblical proportions that devastated the city and left its survivors in misery Readers will learn about Riga s people merchants and clerics craftsmen and builders porters and day laborers about its structures and spaces its internal conflicts and its unrelenting struggle to maintain its independence against outside threats The House of Hemp and Butter is an indispensable guide to a quintessentially European city located in one of the continent s more remote corners
