

Rise Of The Missionary Spirit In America 1790 1815

Douglas A. Sweeney

Rise Of The Missionary Spirit In America 1790 1815:

The Rise of the Missionary Spirit in America, 1790-1815 Oliver Wendell Elsbree, 1969 The Rise of the Missionary Spirit in America, 1790-1815 Oliver Wendell Elsbree, 1928 The Rise of the Missionary Spirit in America, 1790-1815 Oliver Wendell Elsbree, 2013-08-21 The Rise of the Missionary Spirit in America, 1790 - 1815, 1928 The Rise of the Missionary Spirit in America, 1790-1815, Etc. [A Thesis. With a Bibliography.]. Oliver Wendell ELSBREE, 1928 North American Foreign Missions, 1810-1914 Wilbert R. Shenk, 2004 The year 1810 marks the start of the North American foreign missions movement a movement begun with typical American enthusiasm and vigor but in need of practical grounding This volume explores important facets of the development of North American foreign missions paying particular attention to the role agencies like the American Board of Commissioners for Foreign Missions ABCFM played in shaping the theology theory and policy of evangelistic activities overseas Written by leading experts on missions and religious history this volume is distinguished by its focus on key events taking place at the home base rather than on happenings in the foreign mission field In doing so these insightful studies shed light on important yet neglected topics including the impact of debates about slavery on foreign missions the emergence of distinctive mission strategies for women the role of the social gospel as a missionary ideology and the contribution of foreign missions to the creation of a global evangelical network Contributors Alvyn AustinRuth Compton Brouwer Wendy | Diechmann Edwards Janet F Fishburn Paul Harris David W Kling Charles A Maxfield III Susan Wilds McArver John F Piper Jr Dana L Robert Richard Lee Rogers Wilbert R Shenk Carol Ann Vaughn bThis excellent volume will command widespread attention not only for its display of scholarly expertise but for the fresh and revealing light it throws on the principal landmarks and major themes in the history of missionary expansion overseas b Andrew Porter Kingbs College London India in the American Imaginary, 1780s-1880s Anupama Arora, Rajender Kaur, 2017-11-09 This book seeks to frame the idea of India in the American imaginary within a transnational lens that is attentive to global flows of goods people and ideas within the circuits of imperial and maritime economies in nineteenth century America roughly 1780s 1880s This diverse and interdisciplinary volume with essays by upcoming as well as established scholars aims to add to an understanding of the fast changing terrain of economic political and cultural life in the US as it emerged from being a British colony to having imperial ambitions of its own on the global stage The essays trace variously the evolution of the changing self image of a nation embodying a surprisingly cosmopolitan sensibility open to different cultural values and customs in the late eighteenth and early nineteenth century to one that slowly adopted rigid and discriminatory racial and cultural attitudes spawned by the widespread missionary activities of the ABCFM and the fierce economic pulls and pushes of American mercantilism by the end of the nineteenth century The different uses of India become a way of refining an American national identity The American Evangelical Story Douglas A. Sweeney, 2005-08-01 The American Evangelical Story surveys the role American evangelicalism has had in the shaping of global evangelical history

Author Douglas Sweeney begins with a brief outline of the key features that define evangelicals and then explores the roots of the movement in English Pietism and the Great Awakening of the eighteenth century He goes on to consider the importance of missions in the development of evangelicalism and the continuing emphasis placed on evangelism Sweeney next examines the different subgroups of American evangelicals and the current challenges faced by the movement concluding with reflections on the future of evangelicalism Combining a narrative style with historical detail and insight this accessible illustrated book will appeal to readers interested in the history of the movement as well as students of church Birth of Missions in America Charles L. Chaney, 2012-12-07 In one blow this stout book replaces all previous vague brief and seriously erroneous summaries of the origins of missions in America a definitive treatment Ralph D WinterContemporary Christian missions desperately in need of a theology of mission will benefit form a serious study of this book Neglected episodes of missionary history are eruditely exploited to provide theological undergirding Missiology needs this stabilizing historical doctrinal emphasis Justice C AndersonCharles Chaney makes an important contribution to the understanding of the development of the American missionary movement from its beginning He demonstrates the unity and interaction of Indian home and overseas missions in a single worldwide enterprise Here is a wealth of knowledge organized and interpreted for our illumination which will give almost every reader an entirely new understanding of the mission of the American church R Pierce BeaverI am writing to express my enthusiasm in view of the publication of The Birth of Missions in America I shall be making use of it in my classes a solid work in a neglected area and time period that will meet a need Hugo H Culpeper an immense volume meticulously documented and representing exhaustive research It presents the most excellent primary source material that this reviewer has seen in a long time Helen E Falls Salvation and the Savage Robert F. Berkhofer Ir., 2021-10-21 The great pre Civil War attempt of Protestant missionaries to Christianize Native Americans is found by Robert F Berkofer Jr to be a significant point of contact with enduring lessons for American thought The irony displayed by this relationship he says did not really lie in the disparity between Anglo Saxon ideals and the actual treatment of first peoples but in the failure of all including the missions to see that both sides had ultimately behaved according to their cultural values Using the records of missions to sixteen tribes in various regions of the United States Berkofer has carefully followed the hopeful efforts of sixty five years The ultimate outcome when the Civil War brought most of the missions to an end was only a nominal conversion of Native Americans despite the unflagging optimism of missionaries struggling against cultural barriers Critical Bibliography of Religion in America, Volume IV, parts 1 and 2 Nelson Rollin Burr, 2015-12-08 Volume IV bound as two volumes provides a critical and descriptive bibliography of religion in American life that is unequalled in any other source Arranged topically so that books and articles on a single subject are discussed in relation to each other and carefully cross referenced and indexed it will be an indispensable tool for anyone exploring further into American religion or related subjects Originally published in 1961 The Princeton Legacy Library uses

the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Keepers of the Covenant James Russell Rohrer,1995 With hundreds of letters diaries field reports and sermons at his disposal James Rohrer examines the background and evangelistic style of the frontier missionaries to show that Congregational missionaries took the frontier seriously adapting themselves to its requirements Reading Jonathan Edwards M.X. Lesser,2008-02-13 This compilation of reader response to Jonathan Edwards spanning 276 years includes a reprint of two earlier works Jonathan Edwards A Reference Guide 1981 and Jonathan Edwards An Annotated Bibliography 1994 and the publication of a third a gathering of commentary from 1994 to 2005 Nearly 140 essays have been added to the first and second works while the last new gathering which includes a celebration of the tercentenary of Edwards s birth adds another 700 to the whole The text preserves the pattern of arranging items alphabetically within a given year and of recording cross references Essays in a collection are annotated serially rather than alphabetically Each of the three sections is self contained with an introduction and annotated bibliography of its own Adding to the immense value of this work to Edwards scholars are the chronology of Edwards s works listed by date and by short and long title which precedes the entire work and the three comprehensive indexes of authors and titles of subjects and additions to the previous volumes

Protestant Pluralism and the New York Experience Richard W. Pointer, 1988-03-22 This study will mark a turning point in the historiography of religion in colonial New York a book that every student of that subject must reckon with Patricia Bonomi New York University excellent and significantly revisionist examination American Studies International concise insightful and provocative an important contribution that warrants the attention of all students of American religion Journal of the Early Republic an important accomplishment Journal of American History Pointer has written a fine piece of church history that explores the interactions of denominations and politics in eighteenth century New York He has filled an important gap in the religious history of colonial America American Historical Review Pointer's study will be valuabe to those curious about the wonderful religious tapestry of colonial New York Journal of Church and State Richard Pointer should be commended for both his scholarship and his courage Pointer has written the most complete analysis we have of the impact and development of evangelical Protestantism in the province and state before 1800 New York History this is really an engaging piece of scholarship intended for the student of early America but certainly useful to anyone having an interest in the origins of American pluralism and its impact on religious equality and toleration History A major new study in colonial American religious history Journal of the Evangelical Theological Society

The Burned-over District Whitney R.

Cross, 2015-05-15 During the first half of the nineteenth century the wooded hills and the valleys of western New York State

were swept by fires of the spirit The fervent religiosity of the region caused historians to call it the burned over district The Journal of Religion ,1929 Includes section Book reviews The Greenwood Encyclopedia of Daily Life in America Randall M. Miller, 2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph's University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood's highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index Looking-glass for Ladies Lisa Joy Pruitt, 2005 Lisa Joy Pruitt offers a new look at women s involvement in the mission movement with a welcome focus on the often overlooked antebellum era Most scholars have argued that the emergence of women as a dominant force in American Protestant missions in the late nineteenth century was an outgrowth of nascent feminist activism in the various denominations This new contribution suggests that the feminization of the later mission movement actually stemmed in large part from images of the degraded Oriental woman that popular evangelical literature had been circulating since the 1790s and that the increasing focus on and involvement of women was supported by male denominational leaders as an important strategy for reaching the world with the Christian gospel In the late eighteenth through the early nineteenth centuries popular evangelical literature began circulating descriptions of women of the Orient designed to illustrate the need of those women for the Christian gospel Such powerful and widely disseminated images demonstrated to young American women their relatively privileged position in society and throughout the nineteenth century led many to support the cause of missions with their money and sometimes their lives A belief in the desperate need of Oriental women for salvation and social uplift was largely responsible for feminizing the American Protestant foreign mission movement A Looking Glass for Ladies American Protestant Women and the Orient in the Nineteenth Century traces the creation and dissemination of images of women who lived in that part of the world known to nineteenth century Westerners

as the Orient It examines the emotional power of those images tocreate sympathy in American women for their sisters in Asia That sympathy catalyzed many evangelical women and men to argue for vocational roles for women both married and single in the mission movement The book demonstrates the ways in which assumptions about the condition and needs of Oriental women shaped American evangelical women s self perceptions as well as the evangelizing strategies of the missionaries and their sending agencies The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and beeninterpreted in literature and popular culture Provides insights into the historiography of religion butpresents the subject as a story in motion rather than a snapshot ofwhere the field is at a given Hinduism in America Michael J. Altman, 2022-04-28 Hinduism in America An Introduction is a concise moment introduction to the long history of religion in the encounter between America and India It is not a book that will tell you what Hinduism is rather it is an introduction to the variety of ways in which Hinduism has been represented constructed and practiced in the United States Americans have been interested in the religions of India since the colonial period and by the late nineteenth century the first Hindu teachers arrived in the United States Throughout the twentieth century interest in Hinduism and yoga grew even as anti Asian and anti immigrant politics and policies in America intensified When the Cold War led to changes in U S immigration policy in 1965 new immigrant communities arrived in the United States and built new Hindu institutions Hinduism in America is an accessible introduction to these developments of Hinduism in the United States Each chapter uses a key theoretical term in the study of religion to explore a variety of historical topics including American missionary encounters with India representations of Hindu religions in American literature world religions and Hinduism Vedanta yoga Hinduism in the American counterculture of the 1960s and immigrant Hindu communities in the United States Hinduism in America provides an overview of the multifaceted history of Hinduism in America Ideal for students and scholars approaching the topic for the first time the book includes sections in each chapter that provide useful theoretical terms for understanding that history

Rise Of The Missionary Spirit In America 1790 1815 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rise Of The Missionary Spirit In America 1790 1815 PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rise Of The Missionary Spirit In America 1790 1815 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rise Of The Missionary Spirit In America 1790 1815 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
