**Rise and Fall of Vajpayee Government** O. P. Gupta, 2004-01-01 It Is A Study That Looks Closely At The Establishment And Consequent Journey Of Vajpayee Government At The Centre Brings Out The Plus Points And Achievements Of Nda Government And Finally Talks About The Seams Particularly In The Defence And Disinvestment Seeks And The Failure Of The Gujrat Government In Maintenance Of Communal Peace And Harmony All Of Which Have Led To The Fall Of The Government And Its Substitution By A New Government Heard By Dr Manmohan Singh **Divine Revelations Of A Sai**

**Devotee** Prof. S. P. Ruhela, India's Long Road Vijay Joshi, 2017 India's surge in high well sustained economic growth captured the world's attention for much of the period from the 1990s to the early 2010s Often paired with China as being at the leading edge of emerging economies the last few years have witnessed shortfalls in India's performance which have also occurred in the cases of other BRICS namely Brazil Russia and South Africa India is now facing a possible fiscal crisis higher inflation greater concentration of economic wealth and a slowdown in productivity While its business sector remains vigorous the Indian state has not yet found a viable way to fund food subsidies or come to grips with the costs of its employment guarantee program Corruption also hinders growth at many turns All these factors bring into question how feasible or wise it is for India to pursue a path toward global political power rather than concentrate on improved economic engagement worldwide Dr Joshi believes India's economic problems are serious and systemic not a temporary blip His analysis sets forth that the only way the country can truly prosper is to find the means to return to the earlier levels of growth through massive economic reform This policy reorientation calls for eliminating price controls as well as both explicit and hidden subsidies to industries introduction of direct cash transfers to the poor in place of the state's own costly production of goods and services and an aggressive move toward privatization rather than over reliance on family firms and widely held corporations Without these the requisites of economic stability cannot be fully established let alone propel significant growth **NCERT Political**

 Globalization Power Authority and Legitimacy in Late Modernity analyses the new pessimism that has descended on the  
 globalized world The America that was once the bastion of hope optimism and progress is now showing clear signs of a  
 superpower in decline The first sign of the American decline since 1941 in Pearl Harbor was the destruction of the World  
 Trade Center in New York City on 11 September 2001 The other signs are the Vietnamization of Iraq a nuclear stand off with  
 North Korea increasing trade imbalances with China and India a stalemate with terrorists in Afghanistan the challenge of  
 European protectionism a belligerent politics in the Middle East overt American dependence on fossil fuels and the  
 mushrooming of various subprime crises into an escalating global recession This second edition incorporates the latest

developments in terms of culture wealth and terrorism around the world and provides possible solutions to salvage the American Dream

**Ballots and Breakups** Sunita Aron, 2019-06-24 Winning elections is not everything what is crucial for the good health of a robust democracy is forming a government From strategically devised pre poll alliances to hastily stitched together post poll associations noted journalist Sunita Aron has travelled the length and breadth of the country painstakingly documenting the drama and dharma of coalition politics in India The result of her exhaustive research and insightful analysis Ballots and Breakups is a cracker of a read As Indian voters deliver fractured verdicts political parties resort to constructing fragile coalitions by hook or by crook The hapless casualties of this relentless quest for power are the Indian voters and this book is for them as the writer eloquently exhorts for the need of common guidelines on the formation of a government in the case of a hung house A gripping take on coalition politics in India Aron charts a riveting tale of modern Indian politics that has all the masala of a Bollywood potboiler but the ending the writer asserts has to be happy like that of any Hindi film stable governments and a prosperous society even in a hung house

*In the Valley of Historical Time* Abhinav Sinha, 2024-04-22 The descent of working class movements that began with neoliberal globalization is nearing completion However the ascent is yet to begin This period is witnessing novel forms of organization and resistance For students activists and academics it is imperative to understand changes in the modus operandi of capital since the 1970s to explain the crisis of conventional trade unionism as well as the spontaneous outbursts of creativity in movements of informal workers in recent times Delhi has been a centre of such innovative experiments In the Valley of Historical Time attempts to understand these new forms and strategies and possibilities of resurgence of working class movements

**Great Events** Salem Press, 2002 This updated eight volume set contains essays that cover the 20th century s most important events With its articles arranged in chronological order this new edition covers a wide variety of events from national and world politics wars civil disturbances disasters crimes business scientific and medical discoveries and breakthroughs and other fields The set s new articles extend the coverage through September 2001 and include stories such as the massacre of the Nepalese royal family by its own crown prince and the terrorist attacks of September 11 2001 and their aftermath The top matter offers a summary description of the event and defines its significance in a brief sentence Following that description is a list of the what when and where who of the event providing readers with the data on the first page of the article The text of each 1000 word article is divided into three subsections the first and second of which detail the event itself and the background to it and the last of which Consequences identifies both the short range consequences and the projected long range impact of the event The chronological arrangement of the articles not only serves as timeline but also casts light on the social political and economic evolution of the world from a collectopn of individual nations to a global community in which developments in one regions have repercussions in others
