Stewart**

Rise Of Laity In Evangelical Protestantism:

The Rise of the Laity in Evangelical Protestantism Deryck Lovegrove, 2003-08-29 This comprehensive investigation into the involvement of ordinary Christians in Church activities and in anti clerical dissent explores a phenomenon stretching from Britain and Germany to the Americas and beyond It considers how evangelicalism as an anti establishmentarian and profoundly individualistic movement has allowed the traditionally powerless to become enterprising vocal and influential in the religious arena and in other areas of politics and culture

Protestant Autobiography in the Seventeenth-Century Anglophone World Kathleen Lynch, 2012-03-22 This book provides a new view of the historical conditions and methods by which godly communities turned personal experience into an authorizing principle A broad range of life writing is explored including Augustine's Confessions John Bunyan's Grace Abounding to the Chief of Sinners and Richard Baxter's Reliquiae Baxterianae

The Advent of Evangelicalism Michael A. G. Haykin, Kenneth J. Stewart, 2008 Various scholars discuss the thesis put forth in David Bebbington's increasingly popular 1989 book Evangelicalism in Modern Britain A History from the 1730s to the 1980s

Protestants Alec Ryrie, 2018-04-03 On the 500th anniversary of Luther's theses a landmark history of the revolutionary faith that shaped the modern world Ryrie writes that his aim is to persuade you that we cannot understand the modern age without understanding the dynamic history of Protestant Christianity To which I reply Mission accomplished Jon Meacham author of American Lion and Thomas Jefferson Five hundred years ago a stubborn German monk challenged the Pope with a radical vision of what Christianity could be The revolution he set in motion toppled governments upended social norms and transformed millions of people's understanding of their relationship with God In this dazzling history Alec Ryrie makes the case that we owe many of the rights and freedoms we have cause to take for granted from free speech to limited government to our Protestant roots Fired up by their faith Protestants have embarked on courageous journeys into the unknown like many rebels and refugees who made their way to our shores Protestants created America and defined its special brand of entrepreneurial diligence Some turned to their bibles to justify bold acts of political opposition others to spurn orthodoxies and insight on their God given rights Above all Protestants have fought for their beliefs establishing a tradition of principled opposition and civil disobedience that is as alive today as it was 500 years ago In this engrossing and magisterial work Alec Ryrie makes the case that whether or not you are yourself a Protestant you live in a world shaped by Protestants

Protestant Millennialism, Evangelicalism and Irish Society, 1790-2005 C. Gribben, A. Holmes, 2006-07-10 This volume documents the evolution and impact of one of the most enduring sources and symbols of sectarian conflict in Ireland Protestant millennialism The volume explores new sources and offers new conclusions setting a new research agenda and emphasizing the vitality of religious discourse in Irish studies

Revival, Renewal, and the Holy Spirit Dyfed Wyn Roberts, 2009-11-01 The revival of 1904-05 had a profound effect not only on Wales but also on many other nations This volume of academic papers from the centenary conference in 2004 explores the local and International

Impact of the revival as well as previous eighteenth and nineteenth century Welsh revivals Contributors include David Bebbington and Mark A Noll The Religious History of American Women Catherine A. Brekus, 2009-11-13 More than a generation after the rise of women's history alongside the feminist movement it is still difficult observes Catherine Brekus to locate women in histories of American religion Mary Dyer a Quaker who was hanged for heresy Lizzie Robinson a former slave and laundress who sold Bibles door to door Sally Priesand a Reform rabbi Estela Ruiz who saw a vision of the Virgin Mary how do these women's stories change our understanding of American religious history and American women's history In this provocative collection of twelve essays contributors explore how considering the religious history of American women can transform our dominant historical narratives Covering a variety of topics including Mormonism the women's rights movement Judaism witchcraft trials the civil rights movement Catholicism everyday religious life Puritanism African American women's activism and the Enlightenment the volume enhances our understanding of both religious history and women's history Taken together these essays sound the call for a new more inclusive history Contributors Ann Braude Harvard Divinity School Catherine A Brekus University of Chicago Divinity School Anthea D Butler University of Rochester Emily Clark Tulane University Kathleen Sprows Cummings University of Notre Dame Amy Koehlinger Florida State University Janet Moore Lindman Rowan University Susanna Morrill Lewis and Clark College Kristy Nabhan Warren Augustana College Pamela S Nadell American University Elizabeth Reis University of Oregon Marilyn J Westerkamp University of California Santa Cruz John Leland Eric C. Smith, 2022 John Leland the colorful Baptist itinerant was one of the most important and fascinating religious figures in early America He is best remembered for delivering a 1 200 pound Mammoth Cheese to Thomas Jefferson's White House and for negotiating the inclusion of a Bill of Rights in the Constitution with James Madison But Leland was also a tireless revivalist and a dogged advocate of religious freedom for all an anti slavery spokesman and unofficial Democratic Party whip a defender of popular Calvinism and promoter of extreme religious individualism among Baptists Eric C Smith explores these and other major themes in this first ever biography of John Leland whose story provides a unique window into the remarkable transformations that swept American society from 1760 to 1840

Wesley and Whitefield? Wesley versus Whitefield? Ian J. Maddock, 2018-02-28 John Wesley and George Whitefield were in many ways larger than life figures during their own lifetimes and continue to be so today Yet our ability to appreciate their abiding influence on contemporary Evangelical theology and practice is lacking if we consider them in isolation from one another Our understanding of Wesley and the legacy of his public ministry is impoverished apart from considering Whitefield and vice versa This collection of essays explores the complex dynamics at work in the Wesley Whitefield relationship spanning a variety of theological historical and pastoral facets of their full orb'd public ministries They serve as an invitation to grow in our awareness of their undoubted affinities and significant differences all the while resisting the potential allure of either uncritically ecumenical Wesley and or uncharitably partisan Whitefield versus narratives *Revival Movements as*

Conflict Agendas of the Popular in the Nineteenth and Early Twentieth Centuries Veronika Albrecht-Birkner, Stefanie Siedek-Strunk, 2025-02-04 This open access book focuses on the potential for conflict between high and low culture during the transformations of the popular in the field of religion in the nineteenth and early twentieth centuries Specifically the contributors to this edited collection consider the so called Revival Movements that came up as a symptom of differentiation and pluralisation of Protestantism in reaction to the Enlightenment rationalism and criticism of religion and explore the attempts at theological self empowerment of Christian laymen and laywomen Water from a Deep Well Sittser, Gerald L., 2013-04-23 Gerald L Sittser carves out a new discipline that blends spirituality and Christian history spiritual history He overviews Christian history through the lens of spirituality looking at what we can learn about the spiritual life from various figures and eras The Pietist Impulse in Christianity G William Carlson, Christian T Collins Winn, Christopher Gehrz, Eric Holst, 2012-10-25 Pietism is a reform movement originating among German Lutherans in the 17th century It focused on personal faith reacting against Lutheran Church's emphasis on doctrine and theology over Christian living The movement quickly expanded exerting an enormous influence on various forms of Christianity and became concerned with social and educational matters Indeed Pietists showed a strong interest in issues of social and ecclesial reform the nature of history and historical inquiry the shape and purpose of theology and theological education the missional task of the church and social justice and political engagement Though the movement remained largely misunderstood especially in Anglo American contexts negative stereotypes depicted Pietism as a quietist and sectarian form of religion merely concerned with the pious soul and its God The main proposal of the editors of this volume is to correct this misunderstanding assembling a deep collection of essays written by scholars from a variety of fields this work demonstrates that Pietism was a movement characterized by great depth and originality Besides they show the vitality and impulse of Pietism today and emphasize the ongoing relevance of the movement for contemporary problems and questions **God's Irishmen** Crawford Gribben, 2007-08-16 Conflicts between protestants and Catholics intensified as the Cromwellian invasion of 1649 inflamed the blood soaked antagonism between the English and Irish In the ensuing decade half of Ireland's landmass was confiscated while thousands of natives were shipped overseas all in a bid to provide safety for English protestants and bring revenge upon the Irish for their rebellion in 1641 Centuries later these old wounds linger in Irish political and cultural discussion In his new book Crawford Gribben reconsiders the traditional reading of the failed Cromwellian invasion as he reflects on the invaders fractured mental world As a tiny minority facing constant military threat Cromwellian protestants in Ireland clashed over theological issues such as conversion baptism church government miraculous signs and the role of women Protestant groups regularly invoked the language of the Antichrist but used the term more often against each other than against the Catholics who surrounded them Intra protestant feuds splintered the Cromwellian party Competing quests for religious dominance created instability at the heart of the administration causing its eventual defeat Gribben reconstructs these

theological debates within their social and political contexts and provides a fascinating account of the religious infighting instability and division that tore the movement apart Providing a close and informed analysis of the relatively few texts that survive from the period Gribben addresses the question that has dominated discussion of this period whether the protestants small numbers sectarian divisions and seemingly beleaguered situation produced an idiosyncratic theology and a failed political campaign

A History of Christian Conversion David W. Kling, 2020 In this first in depth and wide ranging history of Christian conversion David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach and engaging recent methods and theories in conversion studies the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Although conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest

The Oxford History of Protestant Dissenting Traditions, Volume I John Coffey, 2020-05-29 The Oxford History of Protestant Dissenting Traditions Volume I traces the emergence of Anglophone Protestant Dissent in the post Reformation era between the Act of Uniformity 1559 and the Act of Toleration 1689 It reassesses the relationship between establishment and Dissent emphasising that Presbyterians and Congregationalists were serious contenders in the struggle for religious hegemony Under Elizabeth I and the early Stuarts separatists were few in number and Dissent was largely contained within the Church of England as nonconformists sought to reform the national Church from within During the English Revolution 1640-60 Puritan reformers seized control of the state but splintered into rival factions with competing programmes of ecclesiastical reform Only after the Restoration following the ejection of two thousand Puritan clergy from the Church did most Puritans become Dissenters often with great reluctance Dissent was not the inevitable terminus of Puritanism but the contingent and unintended consequence of the Puritan drive for further reformation The story of Dissent is thus bound up with the contest for the established Church not simply a heroic tale of persecuted minorities contending for religious toleration Nevertheless in the half century after 1640 religious pluralism became a fact of English life as denominations formed and toleration was widely advocated The volume explores how Presbyterians Congregationalists Baptists and Quakers began to forge distinct identities as the four major denominational traditions of English Dissent It tracks the proliferation of Anglophone Protestant Dissent beyond England in Wales Scotland Ireland the Dutch Republic New England Pennsylvania and the Caribbean And it presents the latest research on the culture of Dissenting congregations including their relations with the parish their worship preaching gender relations and lay experience

Theological Foundations for Collaborative Ministry Rt Revd Dr Stephen Pickard, 2013-06-28 This book examines the theological foundations of a collaborative approach to Christian ministry The discovery that Christians are members one of another creates energy and joy in ministry and empowers the Church in an age of mission Outlining the

present challenges for ministry Stephen Pickard offers an historical perspective on ministry over the last century develops a theory of collaborative ministry based on a dialogue between theology and science and explores some implications of collaborative ministry for lay and ordained people of the Church This book breaks new ground in its theory of collaborative ministry through a dialogue with the sciences of emergence It also offers fresh insights on important texts in ministry relationships between Christology pneumatology and ministry a relational ontology of ministry episcopacy ecumenism ordination vows and wisdom for team ministry Dispensational Modernism B. M. Pietsch,2015-06-04 Dispensationalism emerged in the twentieth century as a hugely influential force in American religion and soon became one of America s most significant religious exports By the close of the century it had developed into a global religious phenomenon claiming millions of adherents As the most common form of contemporary prophecy belief dispensationalism has played a major role in transforming religion politics and pop culture in the U S and throughout the world Despite its importance and continuing appeal scholars often reduce dispensationalism to an anti modern apocalyptic and literalist branch of Protestant fundamentalism In *Dispensational Modernism* B M Pietsch argues that on the contrary the allure of dispensational thinking can best be understood through the lens of technological modernism Pietsch shows that between 1870 and 1920 dispensationalism grew out of the popular fascination with applying engineering methods such as quantification and classification to the interpretation of texts and time At the heart of this new network of texts scholars institutions and practices was the lightning rod Bible teacher C I Scofield whose best selling Scofield Reference Bible became the canonical formulation of dispensational thought The first book to contextualize dispensationalism in this provocative way *Dispensational Modernism* shows how mainstream Protestant clergy of this time developed new scientific methods for interpreting the Bible and thus new grounds for confidence in religious understandings of time itself *First Freedom* Jason G. Duesing,Thomas White,Malcolm B. Yarnell,2016-08-15 Challenges to religious liberty are increasingly common today as historical Christianity comes into conflict with a new secular orthodoxy In this thoroughly revised second edition of *First Freedom* leading evangelical scholars present the biblical and historical foundations for religious freedom in America and address pressing topics such as Religious freedom and the exclusivity of the gospel The Christian doctrine of religious liberty Religious liberty and the public square Religious freedom and the sexual revolution Baptist contributions to religious freedom and much more The contributors equip churches pastors and Christian citizens to uphold this first freedom given by God and defended by Christians throughout our nation s history *To Think Christianly* Charles E. Cotherman,2020-04-28 In this comprehensive history Charles Cotherman traces the stories of notable study centers and networks as well as their influence on twentieth century Christianity Beginning with the innovations of L Abri and Regent College Cotherman sheds new light on these defining places in evangelicalism s life of the mind **The Oxford Handbook of Early Evangelicalism** Jonathan Yeager,2022 Contexts Churches and movements The culture of evangelicalism Personalities
