

rites of passage

DEFINITION

A rite of passage is a ceremony or event marking an important stage in someone's life, especially birth, puberty, marriage, and death. It serves as a formal transition from one social or religious status to another. These rituals often involve symbolic activities, challenges, or teachings that convey cultural values and expectations to the participants.

EXAMPLES

- **Quinceañeras:** The "Quinceañera" in Latin American cultures celebrates a girl's fifteenth birthday, symbolizing her transition from childhood to womanhood.
- **Weddings:** In many cultures, wedding ceremonies celebrate the union of two individuals, signifying their transition from single to married life.

Bibliography Conference held in Belmont 1974 Oct 16 to 19 **The Evangelical Dictionary of World Religions** H. Wayne House, 2019-02-19 With all of the different religions sects denominations and belief systems out there it can be difficult to separate the facts from mere opinion especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them How can we truly understand if we cannot even be sure we are getting the facts straight In this comprehensive resource more than 75 evangelical scholars offer a thoroughly researched guide to Christianity other world religions and alternative religious views including entries on movements theological terms and major historical figures Perfect for pastors students and anyone who wants ready access to information on today's religious landscape

Ritual in Early Modern Europe Edward Muir, 2005-08-18 The comprehensive 2005 study of rituals in early modern Europe argues that between about 1400 and 1700 a revolution in ritual theory took place that utterly transformed concepts about time the body and the presence of spiritual forces in the world Edward Muir draws on extensive historical research to emphasize the persistence of traditional Christian ritual practices even as educated elites attempted to privilege reason over passion textual interpretation over ritual action and moral rectitude over gaining access to supernatural powers Edward Muir discusses wide ranging themes such as rites of passage carnivalesque festivity the rise of manners Protestant and Catholic Reformations the alleged anti Christian rituals of Jews and witches This edition examines the impact on the European understanding of ritual from the discoveries of new civilizations in the Americas and missionary efforts in China and adds more material about rituals peculiar to women

Liturgical Music as Ritual Symbol Judith Marie Kubicki, 1999 In this book Sister Kubicki uses Jacques Berthier's Taize music to explore the nature of liturgical music as ritual symbol She carries out a hermeneutical analysis of Berthier's chants and examines biographical and historical data related to the creator's of Taize music and the founding of the Taize community The author draws on five areas of study to interpret the Taize chants as ritual symbol symbol theory semiotics theologies of symbol ritual theory and performative language theory The final chapter explores potential ecclesial meanings which may be mediated in the Taize liturgy and the role of Berthier's chants in mediating that meaning The study concludes that it is music's symbolic property that enables it to be both ministerial and integral to the liturgy As symbolic activity music making evokes participation negotiates relationships and enables the assembly to orient themselves and to find their identity and place within their world Furthermore music

making provides the illocutionary force to do something in the act of singing Thus it is that as part of a complexus of ritual symbols music interacts with other symbols in mediating the liturgy s meaning

The Age of Sex Corrie Decker,2025 As in much of the world societies in precolonial East Africa what is today Kenya Tanzania and Uganda used rites of passage to chart an individual s social and developmental progress toward adulthood Under European colonialism from the 1890s to the 1960s colonial judicial systems and the emerging genre of ethnography converged to subject African people to standardized definitions of childhood and adulthood The coexistence of rites of passage and chronological age regulations generated confusion well into the postcolonial era and the question of when childhood ends sparked extensive debate about gender race and development Corrie Decker argues that ultimately these debates came down to the age of sex The age of sex a term Decker conceptualizes in this carefully researched monograph refers to the hypothetical moment when a girl becomes a woman capable of engaging in heterosexual activity and a boy becomes a man imbued with the right and responsibility to have heterosexual intercourse Colonial ethnographic studies reduced complex precolonial rites of passage to puberty rites fixated on these sexual transformations The resulting stereotypes influenced in turn how colonial and postcolonial court officials decided age of consent and other sex crime cases Court rituals thus legally transformed girls into women by ruling on their sexual maturity and boys into men by sentencing them to corporal punishment marking their acceptance of sexual responsibilities

Ascetics and Kings in a Jain Ritual Culture Lawrence A. Babb,1998-01-01 Jainism is aside from Buddhism the only surviving example of India s ancient non Vedic religious traditions celebrated for its systematic practice of non violence and for the rigor of the asceticism it promotes It sheds light on a little known religious tradition and demonstrates that divine absence

Making Men Stephen Wilson,2015-12-01 Making Men identifies and elaborates on a theme in the Hebrew Bible that has largely gone unnoticed by scholars the transition of a male adolescent from boyhood to manhood Wilson locates five examples of the male coming of age theme in the Hebrew Bible The protagonists of these stories include the well known biblical heroes Moses Samuel David and Solomon He also reveals the existence of a narrative theme of failing to mature to manhood exemplified in the tales of Samson and Gideon s son Jether Beyond identifying the coming of age theme Wilson describes how the theme is employed by biblical narrators and redactors to highlight broader messages and transitions in the historical narratives of the

Hebrew Bible He additionally considers how these stories provide unique insight into the varying representations of biblical masculinity and how the ideals associated with manhood can change dramatically over time Transformations Grant David McCracken, 2008-05-12 The reinvention of identity in today's world **To Be Continued** Thomas Schirrmacher, 2014-09-26 The Heidelberg Catechism was first issued in the kingdom of the Electoral Palatinate in the year 1563 As early as 1623 it was translated into the Malay language a predecessor of the modern day Indonesian language This Malay translation was used all over the Indonesian archipelago to teach newly converted Christians and to prepare them for baptism Even now the Heidelberg Catechism is used in many Indonesian churches and connects them to many other reformed churches all over the world where the Heidelberg Catechism is being used also One of these Indonesian churches is the Christian Church from North Central Java Gereja Kristen Jawa Tengah Utara GKJTU a fruit of the missionary work of Neukirchen Mission and Salatiga Mission Nevertheless in the 21st century the Indonesian churches have to face many new challenges in the field of culture religious plurality science and technology etc As an answer to these challenges the Synod Assembly of the Christian Church from North Central Java launched this 21st Century Update of the Heidelberg Catechism in 2008 Even for Christians outside Indonesia these 69 questions and answers may be helpful in facing modern challenges which are surprisingly similar in Indonesia and in other parts of the world such as How can culture be renewed According to the Christian faith where does religious plurality come from May the church be active in politics Does salvation in Christ also affect science humanities and technology and 65 other interesting questions and answers all of them very brief concise and biblically based The purpose of this annotated English translation is to make these questions and answers accessible for Christians outside Indonesia

Charting the Course of Psalms Research Erhard S Gerstenberger, K C Hanson, 2024-07-25 Erhard Gerstenberger 1932-2023 has been a highly influential exegete of the Psalms for several decades He demonstrated how the Psalms were able to modulate the deepest feelings of individuals and communities encompassing a wide variety of existential experiences relating to God and the world Gerstenberger believed that psalmic poetry grew out of diverse and real life situations The first two essays in *Charting the Course of Psalms Research* deftly review the secondary literature The first covers the lyrical literature of the Old Testament and the second considers the history of interpretation of the Psalms The remaining essays explore the social settings of the Psalms and their connection to theology and communication theory and include two chapters translated into English for the first time and edited by K C Hanson Student and researcher alike will be enriched by the insights Gerstenberger provides **Performance: pt. 1. Foundations and definitions** Philip Auslander, 2003 This collection reflects not only the multidisciplinary nature of current thinking about performance but also the complex and contested nature of the concept itself *A New Dictionary of the Social Sciences* G. Duncan Mitchell, 2017-07-05 Designed especially to meet the needs of beginners in all the social sciences *A New Dictionary of the Social Sciences* follows its highly successful distinguished predecessor initially issued as *A Dictionary of Sociology* first published in 1968 Many of the entries

have been revised and updated to keep abreast of the proliferation in the vocabulary of the social sciences The volume remains on excellent single source for definitions in social research The entries include social psychological terms terms in social and cultural anthropology terms common to political science social administration and social work In the choice of words a generous definition of social science was employed making the dictionary a very useful reference source for all beginners in the social sciences Some terms are explained quite briefly while others are given lengthy treatment according to the further assumptions that some sociological terms can imply Thus long entries are given on words such as authority consensus phenomenology role social stratification structuralism whereas short and succinct entries suffice for words such as agnate eidos or mores A number of short biographical sketches are also included The contributors are all scholars working in universities predominantly in the United Kingdom and the United States More than a glossary A New Dictionary of the Social Sciences helps the student understand some of the theoretical considerations underlying the use of sociological terms as well as something of their history and therefore resembles an encyclopaedia in its scope and depth of information

Coming of Age the RITE Way David G Blumenkrantz, 2016-05-02 Coming of Age the RITE Way Youth How do we raise our children to be resilient self reliant capable adults who are competent and with compassion that is manifested in civic engagement for social justice The book sets forth guiding principles and clear methods for putting into practice a whole systems approach to youth development through rites of passage The approach involves connecting and enhancing environments and building competencies which promote the positive development of children and youth in their families in their schools among their peers in their community and with a strong connection to the natural world It provides extensive narratives and case studies to illustrate how a framework of rites of passage is used to weave a common language throughout the community and links techniques for youth development with prevention identification intervention and treatment and strengthens the fabric of community support

A Complementary Approach to the Interpretation and Translation of Biblical Metaphors Peter Kamande Thuo, 2021-01-31 In this in depth study Peter Kamande Thuo explores the complexity of accurately understanding interpreting and translating Scripture especially biblical metaphors Engaging the need for a stronger theoretical framework for conceptualizing and communicating metaphors across languages Dr Thuo proposes a complementary approach that utilizes relevance theory to bridge gaps presented by conceptual metaphor theory and cognitive linguistics Yet this book is far more than an abstract theoretical treatise Dr Thuo offers the example of the circumcised heart of Romans 2 as a case study providing practical guidance for his readers as he demonstrates the process of translating such a phrase into Kikuyu So doing he reminds us that the challenge of understanding interpreting and applying biblical metaphors across culture and language is not limited to the work of professional translation Rather it is at the heart of all scholarship discipleship and pastoral teaching and the task of every person engaged in reading the word of God
