House of Cards Robyn Dawes, 2009-11-24 Robin Dawes spares no one in this powerful critique of modern psychotherapeutic practice As Dawes points out we have all been swayed by the pop psych view of the world believing for example that self esteem is an essential precursor to being a productive human being that events in one s childhood affect one s fate as an adult and that you have to love yourself before you can

love another *Leading Matters* John L. Hennessy, 2018-09-04 In *Leading Matters* current Chairman of Alphabet Google's parent company former President of Stanford University and Godfather of Silicon Valley John L. Hennessy shares the core elements of leadership that helped him become a successful tech entrepreneur esteemed academic and venerated administrator Hennessy's approach to leadership is laser focused on the journey rather than the destination Each chapter in *Leading Matters* looks at valuable elements that have shaped Hennessy's career in practice and philosophy He discusses the pivotal role that humility authenticity and trust service empathy courage collaboration innovation intellectual curiosity storytelling and legacy have all played in his prolific interdisciplinary career Hennessy takes these elements and applies them to instructive stories such as his encounters with other Silicon Valley leaders including Jim Clark founder of Netscape Condoleezza Rice former U.S. Secretary of State and Stanford provost John Arrillaga one of the most successful Silicon Valley commercial real estate developers and Phil Knight founder of Nike and philanthropist with whom Hennessy cofounded Knight Hennessy Scholars at Stanford University Across government education commerce and non profits the need for effective leadership could not be more pressing This book is essential reading for those tasked with leading any complex enterprise in the academic not for profit or for profit sector **Insult to Our Planet & The Florida Keys** Jerrold J.

Weinstock, 2017-12-29 Explore the Wonders Face the Reality The medical definition of INSULT is to cause some kind of physical or mental injury Through the eyes of this psychiatrist and his raw existential passion for the planet a web of insult is untangled to expose environmental degradation we face today and its impact on the human spirit For over fifty years Dr Weinstock has lived in the Florida Keys fishing the Atlantic and the Gulf waters off of Key West A prize winning angler he shares exciting stories of the past in this sport fishing mecca You'll feel the humidity as he fights the Permit on Boca Chica beach hear the screeching of the terns while bonefishing on Marvin Key Through twist and turns and stories of the mind the author demonstrates the healing power of nature Hundreds of colorful photos display the glorious diversity of fish and natural beauty from Key West to Alaska exploring the uplifting and the dismal view At the helm are many years of research that uncover abuses of nature in the Florida Keys as a metaphor for global environmental tragedies *Finding Faith in the Face of Doubt* Joseph S. Willis, 2001-11-01 Many Americans say they are uncertain about their religious beliefs although they continue to attend Christian and other churches Interdenominational minister Willis presents this beautifully written book to help questioners maintain their integrity while relating to the vast Mystery that informs the universe beyond all understanding We know we don't know Willis says and yet we all even atheists must stand on assumptions that help us lead good lives To explore these assumptions he discusses different ways of thinking about God scientific and mythical views the sources of good and evil and the need for both freedom and commitment He assures us we can all think reasonably about Ultimate Reality and find a faith that fits The book grew from theology classes Willis taught in Unitarian churches and universities and from conversations with discontented members of other discussion groups His clear and engaging prose is

full of lively exchanges with his students Frequent references to the best contemporary theologians Bishop Spong for example and to philosophers physicists mythologists and Bible experts provide an inspiring resource for those who long to resolve the conflict between faith and reason doubt and belief
