Women's History at the Cutting Edge Karen

Offen,Chen Yan,2020-06-04 This book considers the promise of women's and gender history for revolutionizing our understanding of the past while also acknowledging the current national political financial and other contextual realities that can and do constrain or promote the possibilities for researching and writing women's history The editors assert that the promise of women's and gender history is a cutting edge field of research a revolutionary development in the politics of historical scholarship essential for understanding the human past Further they argue for the inseparability of women's history and gendered analytical approaches The contributors to the volume address questions including what have been the achievements of women's and gender history over the past two decades To what extent has it succeeded in making women's

history an integral part of historical study rather than an optional specialist area What impact has the study of manhood masculinities and men s gendered power had on our understanding of women s lives What is the relationship between gender studies and new critical histories of colonialism and empire contact zones cross cultural encounters and racialization How is new work on cultural geography and spatial categories impacting on our historical understandings of bodily difference This book was originally published as a special issue of the Women s History Review Trotsky Ian D. Thatcher,2005-06-27 This new biography provides a full account of Leon Trotsky s political life based upon a wealth of primary sources including previously unpublished material Ian D Thatcher paints a new picture of Trotsky s standing in Russian and world history Key myths about Trotsky s heroic work as a revolutionary especially in Russia s first revolution of 1905 and the Russian Civil War are thrown into question Although Trotsky had a limited understanding of crucial contemporary events such as Hitler s rise to power he was an important thinker and politician not least as a trenchant critic of Stalin s version of communism *The Sources of Social Power: Volume 3, Global Empires and Revolution, 1890-1945* Michael Mann,2012-09-17 This third volume of Michael Mann s analytical history of social power focuses on the interrelated development of capitalism nation states and empires History for the IB Diploma: The Soviet Union and Eastern Europe 1924-2000 Allan Todd,2012-07-05 An exciting series that covers selected topics from the Higher Level options in the IB History syllabus This coursebook covers Higher Level option 5 Topic 9 The Soviet Union and Eastern Europe 1924 2000 The text is divided into clear sections following the IB syllabus structure and content specifications It offers a sound historical account along with detailed explanations and analysis and an emphasis on historical debate to prepare students for the in depth extended essay required in the Paper 3 examination It also provides plenty of exam practice including student answers with examiner s comments simplified mark schemes and practical advice on approaching the Paper 3 examination *The Routledge Companion to Modern European History since 1763* Chris Cook,John Stevenson,2004-11-10 The Routledge Companion to Modern European History since 1763 is a compact and highly accessible work of reference covering the broad sweep of events from the last days of the ancient regime to the ending of the Cold War and from the reshaping of Eastern Europe to the radical expansion of the European Union in 2004 Within the broad coverage of this outstanding volume particular attention is given to subjects such as the era of the Enlightened Despots the Revolutionary and Napoleonic era in France and the revolutions of 1848 nationalism and imperialism and the retreat from Empire the First World War the rise of the European dictators the coming of the Second World War the Holocaust and the post war development of Europe the Cold War the Soviet Union and its break up the protest and upheavals of the 1960s as well as social issues such as the rise of the welfare state and the changing place of women in society throughout the period With a fully comprehensive glossary a biographical section a thorough bibliography and informative maps this volume is the indispensable companion for all those who study modern European history **The Routledge Companion to European History Since 1763** Chris Cook,John Stevenson,2005 The Routledge

Enlivening Secondary History 50 Classroom Activities for Teachers and Pupils *Revolution and Terror* Graeme Gill,2024
This book is a study of the relationship between revolution and terror Graeme Gill uses a detailed analysis of the French Russian and Chinese revolutions to show that in order to understand that relationship it is necessary to distinguish between different types of terror revolutionary transformational and inverted *The World in the Long Twentieth Century* Edward Ross Dickinson,2018-02-06 The biological transformation of modern times The foundations of the modern global economy Reorganizing the global economy Localization and globalization The great explosion New world dis order High modernity Revolt and refusal Transformative modernity Democracy and capitalism triumphant **Boundaries of Utopia - Imagining Communism from Plato to Stalin** Erik van Ree,2015-05-22 The idea that socialism could be established in a single country was adopted as an official doctrine by the Soviet Union in 1925 Stalin and Bukharin being the main formulators of the policy Before this there had been much debate as to whether the only way to secure socialism would be as a result of socialist revolution on a much broader scale across all Europe or wider still This book traces the development of ideas about

communist utopia from Plato onwards paying particular attention to debates about universalist ideology versus the possibility for socialism in one country The book argues that although the prevailing view is that socialism in one country was a sharp break from a long tradition that tended to view socialism as only possible if universal in fact the territorially confined socialist project had long roots including in the writings of Marx and Engels

NATO and Western Perceptions of the Soviet Bloc Evanthis Hatzivassiliou, 2014-05-30 This book examines the NATO reports on the Soviet bloc's political and economic system from 1951 to the aftermath of the Soviet invasion of Czechoslovakia and the beginning of detente As part of the wider history of Cold War Alliances the detailed assessments of the NATO experts regarding the non military aspects of Soviet power are a crucial indicator of Western allied perceptions of the adversary Their study allows us to widen the discussion on the Western alliance the accuracy of its information or perceptions and the nature of the Cold War Hatzivassiliou argues that the Cold War was not only a strategic dilemma although it certainly was that as well but also the latest stage of the crisis of legitimization which had been raging since the dawn of modernity NATO Western analysis is examined in this context At the same time the book discusses the relative influence of the major NATO members US and British influence was strong while French West German and Italian influence was also significant in the drafting of the reports and thus in shaping the alliance's perceptions during the Cold War This book will be of much interest to students of NATO Cold War Studies international history foreign policy and IR in general

Victor Arnautoff and the Politics of Art Robert W. Cherny, 2017-03-07 Victor Arnautoff reigned as San Francisco's leading mural painter during the New Deal era Yet that was only part of an astonishing life journey from Tsarist officer to leftist painter Robert W Cherny's masterful biography of Arnautoff braids the artist's work with his increasingly leftist politics and the tenor of his times Delving into sources on Russian migrants and San Francisco's arts communities Cherny traces Arnautoff's life from refugee art student and assistant to Diego Rivera to prominence in the New Deal's art projects and a faculty position at Stanford University As Arnautoff's politics moved left he often incorporated working people and people of color into his treatment of the American past and present In the 1950s however his participation in leftist organizations and a highly critical cartoon of Richard Nixon landed him before the House Un American Activities Committee and led to calls for his dismissal from Stanford Arnautoff eventually departed America a refugee of another kind now fleeing personal loss and the disintegration of the left labor culture that had nurtured him before resuming his artistic career in the Soviet Union that he had fought in his youth to destroy
