Hunger Movements in Early Victorian Literature Lesa Scholl, 2016-05-05 In *Hunger Movements in Early Victorian Literature* Lesa Scholl explores the ways in which the language of starvation interacts with narratives of emotional and intellectual want to create a dynamic evolving notion of hunger Scholl's interdisciplinary study emphasises literary analysis sensory history and political economy to interrogate the progression of hunger in Britain from the early 1830s to the late 1860s Examining works by Charles Dickens Harriet Martineau George Eliot Elizabeth Gaskell Henry Mayhew and Charlotte Bronte Scholl argues for the centrality of hunger in social development and understanding She shows how the rhetoric of hunger moves beyond critiques of physical starvation to a paradigm in which the dominant narrative of civilisation is predicated on the continual progress and evolution of literal and metaphorical taste Her study makes a persuasive case for how hunger as a signifier of both individual and corporate ambition is a necessarily self interested and increasingly violent agent of progress within the discourse of political economy that emerged in the eighteenth century and subsequently shaped nineteenth century social and political life

Barons Sellers and Suits The Changing Images of the Businessman through Literature originally began as a conversation
about a hybrid course at Quinnipiac University Its purpose was to take an online English course for non traditional business
majors and create a theme that would be relevant to the business world Being given the task to create this course from the
ground up was exciting and intriguing There turned out to be a lot more material that could be used for this theme than
previously thought To gauge the temperature of the topic a panel was set up with the theme of businessmen or women and
their changing image through literature At the 2009 NeMLA Northeast Modern Language Association conference in Boston
the panel was held and many ideas such as some of the ones presented in this book were discussed A secondary theme
evolved out of the construction of the first Participants discussed the environment as a catalyst in the change of what a
person actually thinks a businessman or woman looks like Many of these images were formed based upon pop culture such as
the traveling salesman in the Looney Tunes cartoons who sells brushes door to door and hails from Walla Walla Washington
Others were based on the images read about in books such as Willy Loman from Death of a Salesman The essays included in
this volume presented by doctoral candidates and scholars from across a range of geographical regions and disciplines result
in a collection that investigates the idea of the changing image of the businessman throughout literature both in America and
in Europe The arrangement of the collection is a comparative timeline allowing the changing images of business to evolve
with each essay **Poems and Prose** Christina Rossetti,2008-10-09 The mystery of Life the mystery Of Death I see Darkly
as in a glass Christina Rossetti 1830 94 is perhaps the most contradictory of the great Victorian poets She writes of the world
s beauty but fears that it may be deceptive even deadly She is a religious poet but much of her work is driven by uncertainty
Her poems are restrained even secretive but they seek nothing less than the mystery of Life and Death This edition contains
Rossetti s strongest and most distinctive work poetry including Goblin Market The Prince s Progress and the sonnet
sequence Monna Innominata stories including the complete text of Maude devotional prose with nearly fifty entries from the
reading diary Times Flies and personal letters Those poems which Rossetti published and those which she withheld from
publication are here brought together in chronological order allowing the reader to observe her poetic trajectory This edition
also records the major revisions made by Rossetti when preparing her poems for publication It brings together the fullest
range of Rossetti s poetry and prose in one volume and is an indispensable introduction to this entrancing writer ABOUT THE

The Broadview Anthology of Poetry - Second Edition Amanda Goldrick-Jones, Herbert Rosengarten, 2008-09-30

Among the poets new to this edition are such leading names as Americans Robert Pinsky, Louise Erdrich, and Louise Glück; Britons James Fenton and Carol Ann Duffy; and Canadians Anne Carson, Robert Brinkhurst, and Christian Bok. A number of names who may be new to many readers of poetry are also included among them: Ohioan Debra Allberry, Vancouverite Elise Partridge, and the Cree poet Connie Fife. As with the first edition, the editors have endeavored to include much that is fresh as well as much that is familiar. There are many additions to the selections from poets who appeared in the first edition, including selections from the recent work of Leonard Cohen, Les Murray, and Margaret Atwood. As before, the anthology includes work from English language poets throughout the world, from India, Africa, and the Caribbean, as well as from Britain, North America, and Australia. Although the selections from the work of poets of earlier eras are largely unchanged from the first edition, there have been some changes among poems added for this edition: Milton's "L'Allegro and Il Penseroso," Bradstreet's "Employment," Dickinson's "I cannot live without You," Frost's "Once by the Pacific," and Auden's "Funeral Blues." As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition, *The Broadview Anthology of Poetry* included biographical information about the poets at the back of the anthology; for the new edition, biographical material appears in a headnote to each poet. Two other features are also new to this edition: the date of first publication is appended after each poem, and line numbering is used throughout. The numbers have been kept unobtrusive, however, as with the first edition, the designers have endeavored to give a clean look to the pages of the anthology. A substantial section on prosody, figures of speech, and so on, is included as an appendix.
