

A night scene of a road with a bright light source in the distance. The road is illuminated by a warm, yellowish light, possibly from a street lamp or a fire. The light source is a large, bright, yellowish-orange glow with some red and white patterns, resembling a fire or a large light source. The road is dark, and the surrounding area is dark, with some trees visible on the left side. The overall mood is mysterious and evocative.

When you look back,
The only things you can
Keep forever are the memories.
