the mid to late 1990s when the Internet became a mass medium this book treats the computer as an expressive instrument fostering new forms of creativity and popular culture **Adventures of Phileas Foggy** Philip James

Mainwaring,2011-05-07 This is an account of fourteen months travelling around the world I left England in the Spring of 09 with the intent of finding work in New Zealand all entries are taken from journals online and handwritten that I kept over the course of my journey Sections from the first written journal were damaged following exposure to monsoons in the rainforests of Northern Thailand however most of the text has been recovered and is still legible This is the full colour edition of the journal *Come Up Here... the Door Is Open* Catherine E. Wright,2014-09 If you knew heaven s door was opened wide for

you to get a glimpse of heaven while on Earth would you be willing to take a look Catherine E Wright was and it changed her life for eternity Come Up Here the Door Is Open unveils Catherine s numerous supernatural experiences with the heavenly realms of visions and angels and explains why they resulted when she accepted Jesus invitation to enjoy a deeper spiritual life through worship Scriptural foundations for her encounters such as Acts 2 16 21 are provided as are principles for accessing the heavenly realm Come Up Here the Door Is Open is a compelling spiritual memoir of the author s spiritual life during periods of triumph happiness and sorrow In it you ll see how her own personal angelic visions and encounters with Jesus unshakably deepened her love for Him Narrative Personae and Desire in Modernist Fiction Kevin Ohi,2025-09-25

Examining modernist fiction in the context of a longer tradition of narrative impersonality Narrative Personae and Desire in Modernist Fiction explores how narrative language renders subjective states of interiority and desire Inspired by linguistic analyses of the speakerless sentences of narrative language and their unoccupied centers of perception Kevin Ohi argues that modernist texts are populated by quasi persons narrative voices that are impersonal while trailing effects of personality and characters whose personhood is suspended the incisive rendering of psychology and desire produced by externalizations of consciousness Certain first person texts highlight the constitutive tension between the functions of narrator and character joined in that first person while in third person texts a charismatic or impervious central voice can be shown nevertheless to hold the psychologies it empties from the characters it describes At stake is the particular way that modernist narrative responds to the question of literature s capacities for addressing psychic life In Virginia Woolf s Jacob s Room William Faulkner s As I Lay Dying Ford Madox Ford s The Good Soldier Eudora Welty s The Golden Apples Ronald Firbank s Concerning the Eccentricities of Cardinal Pirelli and James Purdy s Mourners Below this volume finds a paradoxical merger a humanizing effect achieved by narrative depersonalization and its evocations of psychology and desire **Low Level Hell**

Hugh L. Mills, Jr.,2009-01-16 The aeroscouts of the 1st Infantry Division had three words emblazoned on their unit patch Low Level Hell It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle The Outcasts as they were known flew low and slow aerial eyes of the division in search of the enemy Too often for longevity s sake they found the Viet Cong and the

fight was on These young pilots 19 22 years old invented the book as they went along Praise for Low Level Hell An absolutely splendid and engrossing book The most compelling part is the accounts of his many air to ground engagements There were moments when I literally held my breath Dr Charles H Cureton Chief Historian U S Army Training and Doctrine TRADOC Command Low Level Hell is the best bird s eye view of the helicopter war in Vietnam in print today No volume better describes the feelings from the cockpit Mills has captured the realities of a select group of aviators who shot craps with death on every mission R S Maxham Director U S Army Aviation Museum **The Office Girls** Sylvester

Stephens,2010-05-11 A topsy turvy ride through corporate America where the male is the minority and must face a comedic blend of sex discrimination and harassment that threatens his sanity Michael Forrester a floundering author has been reduced to writing articles for a local newspaper under a pseudonym When the newspaper runs an article he finds offensive to African American men he writes a rebuttal which offends so many women it gets him fired Michael then sets out to write a book that proves corporate women are just as scandalous competitive and insensitive as their male counterparts But when he manipulates events to get hired into an office that is staffed by all women events quickly spiral out of control As romances sprout like weeds and Michael finds himself fighting for the women he works alongside rather than against them the question is whether he will be able to focus on his work keep his flings a secret and achieve the success he has always dreamed of In turns hilarious sobering and eye opening The Office Girls tells the story of every woman who works in the corporate world and the challenges they face on a daily basis The misogyny sexual harassment and gender inequality faced by these characters will ring true for all women who have experienced corporate America **Parrots For Dummies** Nikki
