The Moments in Between Anthony M. Pesola,2015-02-06 This book was originally a blog diary I decided to bring it together as a story not quite exactly my story but bits and pieces of it so other people living with these emotions of obsession and devotion obliteration etc can know they are not alone Very few people know how to deal with these feelings especially if they are feeling them for the first time This story was definitely my first time feeling this and I was definitely lost I poured my heart out into this book and wrote most of it while I was having these emotions not out of memory They are very raw pure and I did my best not to censor my thoughts so the reader can feel the pureness of the mind I definitely exaggerated but only where I felt necessary Nothing is exact Characters may or may not have actually existed and may have been invented to provide for the plot All of this situations in this book even though they may be based on real life events are entirely fictional Any and all emotions may have been exaggerated The obsessive feelings and thoughts have definitely been exaggerated for the drama and tension of the book This book does not contain advice It is merely an experience Something I feel everyone
