Coppins, 2024-09-24 NEW YORK TIMES BESTSELLER In this illuminating and scoop-rich biography, the tell-all tales rush forth. Los Angeles Times offering a penetrating analysis of the ongoing Republican civil war through the eyes of one of its last embattled centrists. Publishers Weekly Few figures in American politics have seen more and said less than Mitt Romney. An outspoken dissident in Donald Trump's GOP, he has made headlines in recent years for standing alone against the forces he believes are poisoning the party he once led. Romney was the first senator in history to vote to remove from office a president of his own party. When that president's supporters went on to storm the US Capitol, Romney delivered a thundering speech from the Senate floor accusing his fellow Republicans of stoking insurrection. Despite these moments of public courage, Romney has shared very little about what he's witnessed behind the scenes over his three decades in politics: in GOP cloakrooms and caucus lunches, in his private meetings with Donald Trump and his family, in his dealings with John McCain, George W. Bush, Barack Obama, Joe Biden, Mitch McConnell, Joe Manchin, and Kyrsten Sinema. Now Romney provides a window to his most private thoughts. Based on dozens of interviews with Romney, his family, and his inner circle, as well as hundreds of pages of his personal journals and private emails, this in-depth portrait by award-winning journalist McKay Coppins shows a public servant authentically wrestling with the choices he has made over his career. In lively, revelatory detail, the book traces Romney's early life and rise through the ranks of a fast-transforming Republican Party and exposes how a trail of seemingly small compromises by political leaders has led to a crisis in democracy. A rare feat in modern-day political reporting. *The New Yorker* Romney: A Reckoning is a redemptive story about a complex politician who summoned his moral courage just as fear and divisiveness were overtaking American life. *The Hour of Lead* Bruce Holbert, 2014-06-16

Lonesome Animals was named as a Best Book of 2012 by both *The Seattle Times* and *Slate*, a literary debut sparking with beautiful language set against the rugged landscape of 1920s Washington state. Holbert returns with *The Hour of Lead*, an epic family novel and coming-of-age story that is once again imbued with the mythology of the west. After losing both his twin and his father in a brutal unexpected snowstorm, Matt Lawson must take over the family ranch. As his mother disappears into grief, Matt learns the hardest lesson the west has to teach: he is on his own. The necessity of work stabilizes young Matt against the pitfalls of first love with Wendy, the daughter of a local grocer, and their ragged end will send Matt on a journey across the county, leaving Wendy to tend the ranch with local schoolteacher Linda Jefferson and her unwieldy son Lucky. It will take decades for Matt to learn his way back home, and that long journey will have great impact on all of those around him. Invoking the same
