Maverick Gun:

Maverick Gun M. Lemartine,1999 **The Future of the Gun** Frank Miniter,2014-08-11 The history of the American gun is intricately entwined with the history of America itself Promising developments in gun technology could change not only America s future but the future of the world Unfortunately the radical anti gun lobby is standing between innovation and the American people Bestselling author Frank Miniter details the amazing breakthroughs waiting to happen in gun technology that could make today s firearms exponentially safer and smarter if the anti gun lobby weren t halting progress in its tracks In *The Future of the Gun* you will learn Why anti gun groups often oppose gun safety features How guns and gun education for young people cut crime How federalism could save your gun rights New trends in gun technology that will make guns safer and more effective Why most talk about assault rifles is bogus How military and civilian gun technology have always advanced in tandem for the benefit of soldiers and private citizens What guns could look like in just a few years Want to know about the future of guns There is no better place to start than here **Rough Cut Men** David Dusek,2015-03-18 In the movie industry the rough cut is defined as the raw first edition of a movie which provides an idea of what the finished product will look like giving indications of where it has problems and where it excels Much like a rough cut movie *Rough Cut Men* are not the finished product We are a work in progress Philippians 1:6 reads being confident of this that he who began a good work in you will carry it on to completion until the day of Christ Jesus Men today have hundreds of acquaintances but most have no real friends Men are isolated and struggling alone And while the Bible says we are to Pity the man who falls and has no one to help him up Ecc 4:10 most guys go into the battles of life with no covering fire Every man needs a battle buddy *Rough Cut Men* utilizes a strategic blend of guy movie scenes real world tales of men Biblical Truth and even throws in some of the author s personal testimony to accomplish one focused mission To get men talking to each other about what s really going on in their lives Each chapter contains hard hitting questions designed to drive men deeper in their walk with other men and with Christ *Rough Cut Men* is real raw and authentic And it will equip you for the battle
