Playing a Part Melaney Poli, 2019-07-11 All they wanted was to know how I could do this I could invent something It is 1991 and on a trip to the United States to research a new novel British artist and writer Brinsel Thomas discovers she has more to deal with than just writing When two police officers show up at her door with questions her next stop is the police station One little lie intended to extricate herself from what she is certain is a terrible mistake instead snowballs into a story she cannot get out of trapped with a secret she cannot risk giving away Instead of working on her novel Brinsel finds herself enlisted to help solve a murder attempting to fabricate an incriminating correspondence shedding a few copyrights and dodging insistently prying questions There is one person who she is convinced might be able to help her a private detective and sometime professional musician named Max Thompson Then again he might not Because there is one enormous indisputable complication

Quicklet on Tucker Max's Hilarity Ensues Nolan Collins, 2012-04-04 ABOUT THE BOOK Hilarity Ensues is Tucker Max's third book in a series that has created a new literary genre called fratire Fratire doesn't necessarily have to involve guys in fraternities even though it is derived from the word but it is about the drunken debauchery of young adult males who only focus on alcohol and sex Defining this genre and revelling in it has made Tucker Max a rich famous man This is his last book in this genre because he claims the book does not represent who he is anymore

All three of his books are really just a collection of short stories that are claimed to be autobiographical some people don't believe that for a second and have no real link except for the characters and general themes of demeaning women and sleeping with anyone

MEET THE AUTHOR Nolan Collins grew up in South Carolina and attended the great University of South Carolina in Columbia There he learned that his love for writing and story telling was something that he needed to pursue as a career

EXCERPT FROM THE BOOK There are countless other entertaining anecdotes in the pages of *Hilarity Ensues* but a lot of them while funny are also very sad It seems like Tucker is having a great time but his life is so empty and that he is borderline sociopathic due to his seeming lack of conscience More importantly the book makes me feel bad for the all of Tuckers victims The women he constantly berates belittles abuses emotionally and demeans don't always deserve it Sometimes they do but very few Im sure there is more to Tucker emotionally than what he writes about and he even says that he leaves those things out because he doesn't want to ruin the funny parts But it would be much more interesting to see how this lifestyle has affected Tucker on an emotional level Unfortunately he stays away from that like the plague

CHAPTER OUTLINE Quicklet on Tucker Max's *Hilarity Ensues* About The Book About the Author Overall Summary Chapter by Chapter Summary and much more Tucker Max's *Hilarity Ensues*
