1942- CHRONOLOGY DAY BY DAY Ruben Ygua,2025-08-19 We have overcomplicated the study of the past by giving greater importance to nationalist religious and moral opinions and interests relegating historical fact to a secondary role subordinating it to the interests of the system that controls our education We cannot accept this manipulation it is our duty to free ourselves from false cultural chains out of respect for our ancestors After many years studying history I have come to the conclusion that the best way to understand the past is through an impartial and objective chronology that places each event in its exact place in time and reveals history without manipulation or half truths Chronologies have always been a secondary complement to traditional study methods but in my books they constitute the centerpiece of the narrative a comprehensive reference work that runs year by year as far as possible from prehistory to the present For those who prefer a more detailed study I have organized a second chronology which runs day

by day from 1789 to 1946 divided into four collections **My Universities** Maksim Gorky,1958 **Hearings** United States. Congress Senate,1959 Maxim Gorky in English ,1992 **United States-Latin American Relations** Corporation for Economic and Industrial Research,1960
