The City, Second Edition James A. Clapp, 2014-02-10 The City is the best funniest saddest and most thought provoking compilation ever assembled on the urban scene James A Clapp has arranged more than three thousand quotations epigrams epithets verses proverbs scriptural references witticisms lyrics literary references and historical observations on urban life from antiquity until the present These quotes are drawn from the written and spoken words of more than one thousand writers throughout history This volume with contributions from

speakers poets song writers politicians philosophers scientists religious leaders historians social scientists humorists architects journalists and travelers from and to many lands is designed to be used by writers speechmakers students and scholars on cities and urban life Clapp's text is striking for its sharp contrasts of urban and rural life and the urbanization process in different historical times and geographical areas This second edition includes four hundred new entries updated birth dates and occupations of quoted authors and an expanded and updated introduction and preface Clapp also added new introduction pages for each section containing pictures and unique quotations The indexes have also been expanded to include more subjects and cities The scope of this book is international including entries on most major and many minor cities of the world It is noteworthy for its pleasures and as well as its insights **The City Speaks** Subashish

Bhattacharjee, Goutam Karmakar, 2022-09-29 This book studies the significance and representation of the city in the writings of Indian poets graphic novelists and dramatists It demonstrates how cities give birth to social images perspectives and complexities and explores the ways in which cities and the characters in Indian literature coexist to form a larger literary framework of interpretations Drawing on the theoretical concepts of Western urban thinkers such as Henri Lefebvre Georg Simmel Walter Benjamin Edward Soja David Harvey and Diane Levy as well as South Asian thinkers such as Ashis Nandy Arjun Appadurai Vinay Lal and Ravi Sundaram the book projects against a seemingly monolithic and homogenous Western qualification of urban literatures and offers a truly unique and contentious presentation of Indian literature Unfolding the urban literary landscape of India the volume lays the groundwork for an urban studies approach to Indian literature It will be of great interest to scholars and students of literature especially Indian writing in English urban studies and South Asian studies **Criminality and Power in the Postcolonial City** Maria Ridda, 2022-11-21 This book investigates the literary

imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present Employing the analogy of a black hole it posits the discourse on criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity Despite their different histories Mumbai and Naples have remarkable similarities Both are port cities gateways to their countries and regional trade networks and both are marked by extreme wealth and poverty They are also the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back As one of the characters of the novel *The Neapolitan Book of the Dead* puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power

The Secret Son Deepak Peschard, 2020-06-08 *The Secret Son* is the story of the author's search for his mother and his own identity It is as much a journey within himself as it is across continents through the narrow lanes of Chennai Mumbai and Kolkata He finally gets the closure he wanted all his life but does he get to meet his mother *Handbook of Religion*

and the Asian City Peter van der Veer, 2015-05-19 Handbook of Religion and the Asian City highlights the creative and innovative role of urban aspirations in Asian world cities It points out that urban politics and governance are often about religious boundaries and processions in short that public religion is politics The essays show how projects of secularism come up against projects and ambitions of a religious nature a particular form of contestation that takes the city as its public arena Asian cities are sites of speculation not only for those who invest in real estate but also for those who look for housing for employment and for salvation In its potential and actual mobility the sacred creates social space in which they all can meet Handbook of Religion and the Asian City makes the comparative case that one cannot study the historical patterns of urbanization in Asia without paying attention to the role of religion in urban aspirations Provided by publisher Delhi: New Literatures of the Megacity Alex Tickell, Ruvani Ranasinha, 2020-06-29 In this book leading scholars working on urban South Asia chart new forms of literature about contemporary Delhi Incorporating original contributions by Delhi based commentators and covering significant new themes and genres it updates current critical understanding of how contemporary literature has registered the momentous economic and social forces reshaping India's major cities This timely volume responds not only to the contextual challenge of a Delhi transformed by economic liberalisation and commercial growth into a global megacity but also to the emergent formal and generic changes through which this process has been monitored and critiqued in writing The collection includes studies of the city as a disabling metropolis as a space of marginal electronic text as a zone of gendered spatiality and sexual violence and as a terrain in which urban villagers have been displaced by the growing city It also provides close analyses of emerging genres such as urban comix digital narratives literary reportage and city biography Delhi New Literatures of the Megacity will be of interest to students and researchers in disciplines ranging from postcolonial and global literature to cultural studies civic history and South Asian and urban studies It was originally published as a special issue of the Journal of Postcolonial Writing **Cities of Empire** Tristram Hunt, 2014-11-25 An original history of the most enduring colonial creation the city explored through ten portraits of powerful urban centers the British Empire left in its wake At its peak the British Empire was an urban civilization of epic proportions leaving behind a network of cities which now stand as the economic and cultural powerhouses of the twenty first century In a series of ten vibrant urban biographies that stretch from the shores of Puritan Boston to Dublin Hong Kong New Delhi Liverpool and beyond acclaimed historian Tristram Hunt demonstrates that urbanism is in fact the most lasting of Britain's imperial legacies Combining historical scholarship cultural criticism and personal reportage Hunt offers a new history of empire excavated from architecture and infrastructure from housing and hospitals sewers and statues prisons and palaces Avoiding the binary verdict of empire as good or bad he traces the collaboration of cultures and traditions that produced these influential urban centers the work of an army of administrators officers entrepreneurs slaves and renegades In these ten cities Hunt shows we also see the changing faces of British colonial settlement a haven for religious dissenters a

Two intelligence experts with unique access to inside sources reveal the fascinating story behind the evolution of America's new effective approach to counterterrorism **The Archaeology of Ancient Cities** Glenn R. Storey, 2020-12-31

Cities are the largest artifacts investigated by archaeologists entities that have been under academic scrutiny for a long time Urban places are both physical and social agglomerations fostering the most intense interaction of any human settlement Archaeological evidence illustrates how ancient cities worldwide were similar in origin development and maturation showing considerable isomorphism with modern cities This book explores issues of definition and the essential elements of cities offers a new heuristic typology of cities and reviews case studies of six ancient cities Copan Great Zimbabwe Gyeongju Hierakonpolis Rome and Teotihuacan with illustrative exercises at the end of each chapter Cities have been characterized as social reactors working much like a star in creating an explosive increase in human connectivity Urban planning both ancient and modern helps us understand the essence of this the most exciting and vibrant product of the human tendency to nucleate

The Neighborhood of Gods William Elison, 2018-12-10 There are many holy cities in India but Mumbai is not usually considered one of them More popular images of the city capture the world's collective imagination as a Bollywood fantasia or a slumland dystopia Yet for many if not most people who live in the city the neighborhood streets are indeed shared with local gods and guardian spirits In *The Neighborhood of Gods* William Elison examines the link between territory and divinity in India's most self-consciously modern city In this densely settled environment space is scarce and anxiety about housing is pervasive Consecrating space first with impromptu displays and then eventually with full blown temples and official recognition is one way of staking a claim But how can a marginalized community make its gods visible and therefore powerful in the eyes of others *The Neighborhood of Gods* explores this question bringing an ethnographic lens to a range of visual and spatial practices from the shrine construction that encroaches on downtown streets to the tribal art practices of an indigenous group facing displacement to the work of image production at two Bollywood film studios A pioneering ethnography this book offers a creative intervention in debates on postcolonial citizenship urban geography and visibility in the religions of India **The Palgrave Encyclopedia of Urban Literary Studies** Jeremy Tambling, 2022-10-29
