Maximum Morphonios The Life And Times Of Americas Toughest Judge:

Maximum Morphonios Ellen Morphonios, Mike Wilson, 1991 People tell a lot of outrageous stories about Florida's Ellen Morphonios most of them true Known for being tough on crime she gives long sentences to criminals in one instance 1 698 years behind bars especially if they've hurt children or pets She has had her own radio talk show and has been seen nationally on 60 Minutes and now she hands down her gutsy memoir *Photographs* **Offender Rehabilitation Issues**

Charles B.A. Ubah, 2023-09-30 Most of the studies that discuss offender rehabilitation focus on the debate over whether prison based education programs work ignoring the important issues that these programs undertake Using a critical approach *Offender Rehabilitation Issues Critical Lessons for Criminology Criminal Justice and Public Policy* fills the gap by highlighting the offender rehabilitation programs that continue to divide scholars policy makers correctional practitioners students and the public This book demonstrates and reaffirms that offender rehabilitation programs and recidivism rates are important and critical social issues that do not exist in a vacuum are complex interacting social processes and issues with broader social economic legal and political environmental forces and pressures *The Year of Dangerous Days* Nicholas Griffin, 2020-07-14 In the tradition of *The Wire* the utterly absorbing *The New York Times* story of the cinematic transformation of Miami one of America's bustling cities rife with a drug epidemic a burgeoning refugee crisis and police brutality from journalist and award winning author Nicholas Griffin Miami Florida famed for its blue skies and sandy beaches is one of the world's most popular vacation destinations with nearly twenty three million tourists visiting annually But few people have any idea how this unofficial capital of Latin America came to be *The Year of Dangerous Days* is an engrossing peek between your fingers history of an American city on the edge Kirkus Reviews With a cast that includes iconic characters such as Jimmy Carter Fidel Castro and Janet Reno this slice of history is brought to life through intertwining personal stories At the core there's Edna Buchanan a reporter for the *Miami Herald* who breaks the story on the wrongful murder of a black man and the shocking police cover up Captain Marshall Frank the hardboiled homicide detective tasked with investigating the murder and Mayor Maurice Ferr the charismatic politician who watches the case and the city fall apart On a roller coaster of national politics and international diplomacy these three figures cross paths as their city explores one of the worst race riots in American history as more than 120 000 Cuban refugees land south of Miami and as drug cartels flood the city with cocaine and infiltrate all levels of law enforcement In a battle of wills Buchanan has to keep up with the 150 percent murder rate increase Captain Frank has to scrub and rebuild his homicide bureau and Mayor Ferr must find a way to reconstruct his smoldering city Against all odds they persevere and a stronger more vibrant Miami begins to emerge But the foundation of this new Miami partially built on corruption and drug money will have severe ramifications for the rest of the country Deeply researched well written *New York Journal of Books* and covering many timely issues including police brutality immigration and the drug crisis *The Year of Dangerous Days* is both a clarion call and a dramatic rebirth story of one of
