Forthcoming Books Rose Army, 2002-04 **Subject Guide to Books in Print**, 2001 **Maxims of Robert E. Lee for Young Gentlemen**, The Williams, Jr., Richard G., 2010-09-23 A SELECTION OF THE CONSERVATIVE BOOK CLUB I can think of no better guide for young men embarking on the adventure of life than the maxims of Robert E Lee H W Crocker III author of Robert E Lee on Leadership Must reading for all fathers and sons The example of Robert E Lee illustrates in stark colors what it means to be a man a model essential for all of us who are products of this distinctly unmanly age Rick Williams has placed us all in his debt with this wonderful anthology of Lee s wisdom and grace J Steven Wilkins author of Call of Duty The Sterling Nobility of Robert E Lee Gen Robert E Lee 1807-70 was renowned for his brilliant leadership during the Civil War however his genius extended far beyond the battlefield All his life he relied upon his faith for strength and guidance not only in troubled times but also as the foundation upon which he based all of his dealings with others This volume contains his advice and observations drawn from the great man s own writings on crucial topics such as education duty humility and Christian faith making this a valuable guide for today s youth Each section is preceded by a brief anecdote from his life and each of the quotes is described with the time and circumstance **Lee** Charles Bracelen Flood, 1998 Honors the memory of the great Confederate general in an exploration of his post Civil War years The Papers of Robert Morris, 1781-1784, Volume 1: February 7-July 31, 1781 Robert Morris, 1973-06-30 Although Robert Morris 1734-1806 the Financier of the American Revolution was a signer of the Declaration of Independence the Articles of Confederation and the Constitution a powerful committee chairman in the Continental Congress an important figure in Pennsylvania politics and perhaps the most prominent businessman of his day he is today least known of the great national leaders of the Revolutionary era This oversight is being rectified by this definitive publication project that transcribes and carefully annotates the Office of Finance diary correspondence and other official papers written by Morris during his administration as superintendent of finance from 1781 to 1784 **The Legend and Legacy of Lee** David Chaltas, 2003 Last Chance For Victory Scott Bowden, Bill Ward, 2025-05-01 Gettysburg is the most written about battle in American military history Generations after nearly 50 000 soldiers shed their blood there serious and fundamental misunderstandings persist about Robert E Lee s generalship during the campaign and battle Most are the basis of popular myths about the epic fight Last Chance for Victory Robert E Lee and the Gettysburg Campaign addresses these issues by studying Lee s choices before during and after the battle the information he possessed at the time and each decision that was made and why he acted as he did Even options open to Lee that he did not act upon are carefully explored from the perspective of what Lee and his generals knew at the time Some of the issues addressed include Whether Lee s orders to Jeb Stuart were discretionary and allowed him to conduct his raid around the Federal army The authors conclusively answer this important question with the most original and unique analysis ever applied to this controversial issue Why Richard Ewell did not attack Cemetery Hill as ordered by General Lee and why every

historian who has written that Lee's orders to Ewell were discretionary are dead wrong Why Little Round Top was irrelevant to the July 2 fighting a fact Lee clearly recognized Why Cemetery Hill was the weakest point along the entire Federal line and how close the Southerners came to capturing it Why Lee decided to launch an echelon attack on July 2 and why most historians have never understood what it was or how close it came to success Last Chance for Victory will be labeled heresy by some blasphemy by others all because its authors dare to call into question the dogmas of Gettysburg But they do so carefully using facts logic and reason to weave one of the most compelling and riveting military history books of our age Readers will never look at Robert E Lee and Gettysburg the same way again **Books in Print** ,1991 **Incidents of the**
