May Sarton:

May Sarton Margot Peters, 1998-06-23 From acclaimed writer Margot Peters comes the first completely authorized biography of novelist poet and feminist May Sarton. Granted unprecedented access to personal papers and diaries, Peters gives us a compelling look at the woman who influenced a legion of readers with rich and intimate writings and reveals the fascinating life that Sarton herself kept hidden. Beginning with a young Sarton largely ignored by her parents, Peters traces the compulsive quest for recognition and artistic inspiration that would characterize most of Sarton's life. We witness her at nineteen as she chooses a life in the theater only to discover later her real passion: writing. As her literary career takes shape, we watch her personal and professional struggles for acceptance, her intense relationships with such learned friends as Muriel Rukeyser and Louise Bogan, and her secret turmoil over her sexuality. But ultimately we see Sarton begin to create in her works the image of a strong, independent woman who lived peacefully with solitude, an image that often contradicted the reality of her life.

May Sarton Selected Letters 1955 To 1995 May Sarton, 2002-06-04 All her life May Sarton carried on a voluminous private correspondence with family, friends, and lovers. Early childhood into middle age covers topics of theater, study, travel, teaching, and the anguish as World War II approaches. Later joys of flowers, affection for animals, and illustrious acquaintances and intimates both here and abroad are shown.

May Sarton, Revisited Elizabeth Evans, 1989 Presents a retrospective of May Sarton's work, addressing recurrent issues like feminism, aging, and solitude.

Selected Poems of May Sarton May Sarton, 2014-12-23 The comprehensive collection detailing the career of a twentieth-century master. In her prolific six-decade career, May Sarton was as at home crafting a novel as she was writing a memoir. However, it was in poetry that Sarton's feelings were laid bare. She was a writer of immense creativity and strength and created a back catalog of poetry that could rival those of any of her contemporaries. In *Selected Poems of May Sarton*, a collection from her first forty years of writing, many of the author's classic themes are on display. There are her meditations on solitude, featuring the breathtaking *Gestalt at Sixty*; there is her beautifully written tribute to literature in *My Sisters*; *O My Sisters*; and there is a rumination on affairs of the heart in an excerpt from the sonnet collection *A Divorce of Lovers*. Sarton was a true literary force with the ability to speak to readers of all genders, persuasions, and ages, and *Selected Poems of May Sarton* demonstrates that power perfectly.

May Sarton: A Self-Portrait May Sarton, 2015-08-18 This transcript from the film *World of Light: A Portrait of May Sarton* illuminates the life and writing of the poet while celebrating the joys of creativity, love, and solitude. In June of 1979, May Sarton answered the questions of two filmmakers and read to them from her poetry. This four-day jam session ultimately became an acclaimed documentary about her life and work. For Sarton, the muse has always been female, and the writer says that her own poems tell her where to go. In this rare and inspiring window into a singular woman's soul, Sarton speaks candidly about everything from how a single image opened the door to writing about her mother to the importance of transparency in art and life. She shares insights into her very personal art, including the

unusual people and events that provide inspiration how creativity can grow out of pain solitude as a two edged sword the difficulties of being a female poet and the ways love can open the door into one's own secret and frightening real self Featuring sections entitled On Inner Space On Nature and On Love this revealing volume is also about the need to go on even when up against overwhelming odds May Sarton A Self Portrait pays tribute to an artist's vision and serves as a revealing window into a fascinating life

Crucial Conversations May Sarton, 2014-12-16 May Sarton's provocative novel is about a wife who has outgrown her husband and after twenty seven years of marriage decides that she has had enough Poppy is altogether believable The Atlantic To their close friend Philip Poppy and Reed Whitelaw's marriage appears stable and happy Their ritual Sunday tennis matches and dinners are a highlight of his week and the Whitelaws' repartee is an object of wonder and admiration But beneath the surface the marriage has slowly been unraveling for years An artist Poppy feels the weight of time calculating that she has twenty good years left for her work and little remaining tolerance for her diminishing marriage And so as newscasts about Vietnam and Watergate issue nightly warnings about the dangers of deceit and delusion Poppy has decided to leave The separation guts Philip who finds that his investment in the affairs of his friends outweighs his investment in his own The relationship between the three friends had often been riven by jealousy and the cataclysm of the Whitelaws' separation does little to lessen anxieties roiling beneath the surface As those in the Whitelaws' orbit struggle to adjust to their new reality a world of buried feelings rise inevitably to the fore

Encore May Sarton, 2015-08-18 The

bestselling author and newly minted octogenarian demonstrates that old age can be a vibrant and liberating experience fearless and triumphant Publishers Weekly On the second day of her 80th year May Sarton began a new journal She wrote it because she wanted to go on a little while longer to discover what is really happening to me This triumphant sequel to Endgame Sarton s journal of her 79th year is filled with the comforting minutiae of daily life from gardening to planning dinners and floral arrangements to answering fan mail The wonderful thing about getting older Sarton writes is the freedom to be absurd the freedom to forget things the freedom to be eccentric Her other octogenarian pleasures include preparing for holidays and weddings lunches with old friends and new admirers the heady delight of critical recognition and the rebirth of her lyric voice as she creates new poems Yet Sarton knows that age can also bring pain and ill health as well as a deepening awareness of the perilousness of life on all sides knowing that at any moment something frightful may happen

Conversations with May Sarton May Sarton,1991 With increasing candor and openness May Sarton s conversations have given an intimate view of her honest courageous inner life Best known to her many readers as a novelist and keeper of journals Sarton sees herself pre eminently as a poet In the interviews collected here she speaks forthrightly about herself her independence and her writing Although born in Belgium Sarton is quintessentially American in her choice of solitude on which her personal well being and writing depend She is a modernist who has defined herself as an artist with the occasionally painful recognition that all else must finally be subordinated to her writing Her journal After the Stroke makes clear that when she cannot write she stands on the edge of the abyss of nonbeing These interviews offer Sarton s readers the model of a woman who has supported herself as a writer of achievement who has made her way without the comforts of academic tenure grants or bestseller listings

A self-portrait May Sarton,1982 In the film World of Light A Portrait of Mary Sarton Mary Sarton responded spontaneously to question about her life and work put to her by Marita Simpson and Martha Wheelock This book is a transcript from that film with an additional section of her poems and her commentary on each
