Bartholomew Gill,2009-10-13 The theft of the Book of Kells an exquisite ninth century amalgam of Christian doctrine and Celtic legend from the Trinity College library is in itself a most shocking crime But it is the brutal slaying of a night watchman that throws Peter McGarr of the Dublin Murder Squad into the mix Forced to share investigative duties equally with a publicity hungry co Chief Superintendent McGarr is soon entangled in a twisted web of murder thievery back biting politics and dark pagan rituals And surely more blood will flow as secrets deceptions and well guarded lies come to light forcing an intrepid detective to doubt the loyalties of even his closest compatriots in a chilling case that threatens to bring about nothing less than the destruction of contemporary Irish society *Places for Dead Bodies* Gary Hausladen,2000 From Tony Hillerman s Navajo Southwest to Martin Cruz Smith s Moscow an exotic vividly described locale is one of the great pleasures of many murder mysteries Indeed the sense of place no less than the compelling character of the detective is often what keeps authors writing and readers reading a particular series of mystery novels This book investigates how police procedural murder mysteries have been used to convey a sense of place Gary Hausladen delves into the work of more than thirty authors including Tony Hillerman Martin Cruz Smith James Lee Burke David Lindsey P D James and many others Arranging the authors by their region of choice he discusses police procedurals set in America the United Kingdom and Ireland Europe Moscow Asia and selected locales in other parts of the world as well as in historical places ranging from the Roman Empire to turn of the century Cairo **The Death of a Joyce Scholar** Bartholomew Gill,2009-10-13 Trinity professor and Joycean scholar Kevin Coyle was one of Dublin s most colorful and controversial characters until someone stabbed him through the heart on Bloomsday the annual citywide celebration honoring Ireland s most beloved literary light The poetic irony is not lost on Chief Superintendent Peter McGarr one of the foremost experts on the works of James Joyce was slain on the so called Murderers Ground made famous in the author s magnum opus Ulysses But the connection does not end there And the deeper the intrepid McGarr digs the more startling truths he uncovers about a victim s dark licentious history a list of suspects as vast and varied as the characters in a great novel and a motive for murder that can hide as easily in the pages of a classic book as in the twisted passions of a human heart **The Death of an Irish Consul** Bartholomew Gill,2008-07-08 It s a rare occurrence when Chief Inspector of Detectives Peter McGarr leaves the shores of his beloved Ireland but this time he has little choice The blood of two prominent British subjects both former S I S chiefs both brutally murdered is staining Irish soil And Sir Colin Cummings the current head of Britain s elite secret service and potential third victim en route to Italy with McGarr coming along for the man s protection A macabre conspiracy of murder and revenge is

spreading its tentacles across several nations and McGarr's time spent amidst the charm and rustic beauty of Siena promises to be anything but restful. Because there are many hidden players in this most deadly game from ex spies to Communist rabble rousers to wealthy Italian industrialists. And a single misstep could place one dedicated and inquisitive Chief Inspector of the Garda Soichana directly in the line of killing fire.

La proie pour l'ombre Phyllis Dorothy James, 2016-10-28 Cordelia Gray n a pas froid aux yeux. C'est une qualité utile quand on exerce le métier de détective privé. Lorsque Sir Ronald Callender l'engage pour enquêter sur le suicide de son fils Mark elle se met bravement à l'ouvrage et débarque à Cambridge par un beau matin d'été. Promenades sur la Cam, parties chevelées, étudiants enjôleurs et professeurs au charme discret. Pour un peu Cordelia se laisserait gagner par la douceur des choses. Mais ce qu'elle découvre n'a rien d'aimable, la haine de classe, la malediction et le sadisme rongent cette société en décomposition. Est-ce le mal de vivre qui a poussé Mark Callender se tuer. Ou bien quelqu'un l'a-t-il froidement limé, maquillant le meurtre en suicide. La menace est toujours là comme une présence tapie dans l'ombre prête à surgir si on l'approche de trop près. Et c'est exactement ce que Cordelia a l'intention de faire. Une véritable roman-ci-re, une roman-ci-re de crimes.
