Discover Patterns That Make it  
Easier To Spell Words

The *Spelling Workout* series will engage your child in cross-curricular reading passages that develop key spelling words. It utilizes a test-study method of teaching spelling. This approach:

- ✓ Determines how many words your child can already spell
- ✓ Allows them to analyze spelling mistakes
- ✓ Helps them discover patterns that make it easier to spell words

The words used in *Spelling Workout* have been chosen for their frequency in written and oral vocabularies, their relationships to subject areas, and for structural, as well as phonetic generalizations.
