_____ Anti Social is the diary of a disillusioned local authority worker whose job it is to keep people happy or at least away from each other s throats That s hard enough at the best of times but when your day features secret hoarders violent disputes over dance music and litigious arms dealers the total breakdown of local society is never far away The only thing keeping it together are the chronically underfunded officers charged with patching the fraying threads of civilisation and they have a hard enough time keeping themselves together This is an urgent timely but most of all hysterically funny memoir of a life spent working with the people society wants to forget and the problems that nobody else can resolve This book will make you laugh cry and boil with rage all within a single sentence Updated with a new chapter for the paperback
