Paul McCartney After the Beatles: A Musical Appreciation Adrian Allan, 2019-07-10 This is a musical analysis of Paul McCartney from 1970 to today It is aimed at students of popular music theory educators musicians and aspiring songwriters It will also appeal to the general Beatles and McCartney fan who wishes to understand music on a deeper level A beginner's guide to music theory and glossary are provided Eighty of McCartney's post Beatles songs are discussed in the format of short but accessible essays For each song full details are provided concerning date of release place of recording instrumentation and key signature The description for each song details the musical techniques that McCartney uses such as chord patterns structure use of instruments vocal harmony tonality and key changes In addition every chapter details his life and work in each decade A conclusion identifies the main characteristics of McCartney's style The appendix details every recording location used An invaluable guide to the music of the world's most successful songwriter *The Words and Music of Paul McCartney* Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970-2007 offers an analysis of his songs recordings and his impact on popular music *The Words and Music of Paul McCartney The Solo Years* examines the large and varied oeuvre of this deeply personal artist showing how McCartney's stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four After a biographical introduction chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles his work with Wings during the 1970s his collaborations with other artists during the 1980s and his compositions of the 1990s including his first forays into classical music The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century including *Memory Almost Full* and *Ecce Cor Meum* a composition written in the style of sacred English choral music Throughout the book supplies analytical insights and historical background to a repertoire that surprisingly has not previously been covered in detail **The Beatles Diary Volume 2: After The Break-Up 1970-2001** Keith Badman, 2009-10-28 From 1970 onwards the disbanded Beatles were at last free to follow their individual interests From that point on there were four separate stories but they were stories that would form a complex overlapping history of quarrels and reconciliations personal projects and sporadic collaborations For the first time ever a noted Beatles expert has meticulously documented the entire period of The Beatles after the break up **That Was Me** Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi-faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and

reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today **The Paul McCartney Catalog** Ted Montgomery,2020-02-10 This complete discography of Paul McCartney s solo and other post Beatles work examines his entire catalog It covers his studio and live albums and compilations including the trance electronic classical and cover albums and selected bootleg recordings all of the singles videos and DVDs and the 15 radio shows he made as Oobu Joobu Each song is reviewed in depth providing a wealth of information for both dedicated McCartney fans and those just discovering his music **The Unknown Paul McCartney** Ian Peel,2013-04-02 Internationally acclaimed knighted and immortalised in music s pantheon Paul McCartney nevertheless remains one of the least fully appreciated of modern icons Throughout his career McCartney has initiated and participated in projects that have taken him very far away from the kind of music associated with his career in The Beatles in Wings and as a solo artist From as far back as the 1960s there have been experimental solo projects both under his own name and incognito These include the legendary Carnival of Light sixties freak out the Percy Thrillington diversion in the 70s techno ambient and chill out releases as The Fireman pure noise performance art as well as less publicised activity much of which Ian Peel now reveals in depth in print for the first time What emerges is a unique critical insight into an apparently over familiar public figure Paul McCartney avant garde musician Undertaking extensive research for this book Ian Peel interviewed many of McCartney s intimate musical associates from this less familiar side of his career including Super Furry Animals on their carrot chewing percussion and electronic sound collage collaborations Youth the three times BRIT nominated producer speaks in depth for the first time ever on his two albums of techno ambient and chill out recorded with McCartney as The Fireman Nitin Sawhney on McCartney s first tentative steps into drum bass holed up in Sawhney s London bedsit Richard Hewson breaks a 20 year silence on the Thrillington project and pseudonym David Vaughan the renowned psychedelic artist and organiser of 60s happenings airs his strong views on Carnival of Light The Beatles most legendary unreleased track Other interviewees include Yoko Ono bassist Herbie Flowers Gong s Daavid Allen Frank Zappa s guitarist Mike Keneally JJ Jeczalik Art of Noise and members of Wings

Off the Ground JR Moores,2024-11-12 A sympathetic but clear eyed exploration of Paul McCartney s work in the 1990s arguably his most important since the rise of the Beatles Paul McCartney s 1990s was an era like no other perhaps even the most significant decade of his entire career after the 1960s Following a shakier 1980s the decade would see McCartney reemerge with greater energy momentum and self belief JR Moores s sympathetic but not uncritical new book explores McCartney s 90s with its impressive studio and live albums colossal tours unexpected side projects and imaginative collaborations forays into classical composition some new Beatles numbers and a whole lot more besides Moores reveals how McCartney s reputation began to be perceived more generously by the public and he argues that Macca s output and activities in the 90s would uncover more about the person behind them than in any other decade Conversations with
