World Language Education as Critical Pedagogy Timothy G. Reagan, Terry A. Osborn, 2020-09-02 Accessible and cutting edge this text is a pivotal update to the field and offers a much needed critical perspective on world language education Building off their classic 2002 book *The Foreign Language Educator in Society* Timothy G Reagan and Terry A Osborn address major issues facing the world language educator today including language myths advocacy the perceived and real benefits of language learning linguistic human rights constructivism learning theories language standards monolingualism bilingualism and multiculturalism Organized into three parts Knowing Language Learning Language and Teaching Language this book applies a critical take on conventional wisdom on language education evaluates social and political realities assumptions and controversies in the field Each chapter includes questions for reflection and discussion to support students and educators in developing their own perspectives on teaching and learning

languages With a critical pedagogy and social justice lens this book is ideal for scholars and students in foreign world language education social justice education and language teaching methodology courses as well as pre and in service teachers The ERIC Review ,1991 Provides information on programs research publications and services of ERIC as well as critical and current education information **Research in Education** ,1969 *The Foreign Language Educator in Society* Timothy G. Reagan,Terry A. Osborn,2001-12 Introduces teachers future teachers of foreign langs to what they need to know understand about lang lang attitudes lang practices lang rights lang policy and related issues Brings together foreign lang ed and critical pedagogy Designed for *Iowa Foreign Language Bulletin* ,1987 **A Tale of Two Schools** Richard Donato,G. Richard Tucker,2010-09-16 This volume documents a sixteen year longitudinal study of two elementary schools in which Spanish and Japanese foreign language programs were implemented and evaluated Evaluation of the programs involved documenting children s language development assessing the attitudes of various constituents and examining critical issues related to the introduction and successful operation of a well articulated sequential foreign language program in schools The volume concludes with a discussion of possible reasons why over time certain sequential foreign language programs flourish and grow while other programs are reduced or eliminated from the school s curriculum Parallels with the theory and practice of environmental sustainable development are used as a framework for this analysis Team Teachers in Japan Takaaki Hiratsuka,2023-07-14 This book provides insights into the professional and personal lives of local language teachers and foreign language teachers who conduct team taught lessons together It does this by using the Japanese context as an illustrative example It re explores in this context the professional experiences and personal positionings of Japanese teachers of English JTEs and foreign assistant language teachers ALTs as well as their team teaching practices in Japan This edited book is innovative in that 14 original empirical studies offer a comprehensive overview of the day to day professional experiences and realities of these team teachers in Japan with its focus on their cognitive ideological and affective components This is a multifaceted exploration into team teachers in their gestalt who they are to themselves and in relation to their students colleagues community members and crucially to their teaching partners This book therefore offers several empirical and practical applications for future endeavors involving team teachers and those who engage with them including their key stakeholders such as researchers on them their teacher educators local boards of education governments and language learners from around the world *Shaping the Future* Helen S. Lepke,1989 **Northeast Conference Reports** ,1987 **Foreign Language Program Articulation** Carolyn Lally,2001-01-30 Few matters induce more dialogue among foreign language educators than the problem of students transition between levels of language study Secondary school teachers worry about how best to prepare their students for the demands of postsecondary language study College instructors struggle with how to integrate a diversely prepared freshman population into their curriculum The mission of this volume has been to assemble the theory research and vision of leaders in the field of foreign language articulation into a

single volume which will benefit foreign language educators students program administrators and researchers by presenting models of the most recent articulation efforts in the United States Readers are provided with practical suggestions for facilitating placement at the local level and offered theoretical direction for the future The scope of this work is broad enough to reflect the experience and observations of most educators grappling with placement issues while chapter themes offer concrete and theoretical insight into many individual facets of articulation Research in Education ,1972 **Developing Language Teachers for a Changing World** C.
