Practical Truths from the Pastoral Epistles Eugene Stock, 1983-06-01 *Pastoral Epistles, Volume 46*

Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

The Pastoral Epistles Benjamin Fiore (s.j.), 2007 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time two or more decades after Paul's death The Pastorals differ from Paul's own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to

parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada

Women in Ministry Edgar Stubbersfield, 2022-05-24 Worldwide most Christians are members of denominations that exclude women from ministry However coinciding with the rise of feminism there has been a strong pushback against this traditional view Conversely in some quarters there has been a strengthening of resolve to maintain the status quo believing that male leadership is God ordained and valid for all times and places Is the push for women in Christian leadership a case of the church now conforming to the spirit of the age or has the church with its male leadership for the last 1900 years been guilty of that Is the present move for inclusion a case of yet more light and truth breaking forth

from God's word This book is a defense of women's role in ministry It looks initially at the condition women lived under when the New Testament was written and their expectation for ministry Later chapters examine the discord in ancient Ephesus that led to restrictions in ministry for women and then look in detail at 1 Tim 2 8 15 the passage that is commonly quoted to restrict women's roles My conclusion is that it does not provide clear evidence of a permanent prohibition of women in leadership roles

Truth Word and Sword Richard J. McQueen, Fernand D'AMICO, Jacques WISMAN, 2011-02-12 The subject of Truth Word and Sword based on the research topics conducted by Fernand D Amico and Jacques Wisman is proposed in this book as a themed walk through the passages of Scripture from the Old and New Testament The biblical text KJV is presented deliberately devoid of additional comments to offer an immediate and direct perception of the selected track The thematic reading of the biblical text opens to the reader as a fascinating experience that allows him to benefit in a short time a surprising and rich picture of content The truth is a value of paramount importance in the context of Scripture The biblical texts do give full testimony The word in turn is the medium through which man expresses himself but at the same time is a weapon with which to defend or attack the truth In the biblical texts are symbolic references of special interest between word and sword that it is not difficult to discover through a careful reading of selected passages

Baptism of Salvation and Christian Salvation Anthony R. Lusvardi, 2024-01-05 Belief in the necessity of baptism for salvation is rooted in the New Testament and was forcefully affirmed by the Church Fathers yet today this belief is treated with unease if not ignored altogether Over the course of centuries Catholic theology has wrestled with a doctrine baptism of desire that both preserves this fundamental principle and allows for salvation in hard cases such as catechumens dying unexpectedly Baptism of Desire and Christian Salvation traces this doctrine's varied history from its genesis in a fourth century funeral oration given by Ambrose of Milan to its uneasy position in the Anonymous Christianity of Karl Rahner More than a history however this book raises questions about the nature of religious ritual and the sacraments the mission of the Church and the essence of salvation Arguing that theologians of the past two centuries have tended to downplay the role of the sacraments when discussing salvation Lusvardi suggests that baptism should remain our theological starting point Engaging with the theological tradition and at times challenging

the conventional wisdom Baptism of Desire and Christian Salvation shows how such a sacramental approach can offer credible and sometimes surprising responses to questions related to the salvation of non Christians the fate of unbaptized infants and the relevance of the Church s mission today *Sermons for the Christian Year: Sermons for Easter to Ascension Day* John Keble, 1876 **Sermons for the Christian Year** John Keble, 1876 *Sermons for the Christian Year: Ascension Day to Trinity Sunday* John Keble, 1876 Sermons for Easter to Ascension Day John Keble, 1876 Sermons for Ascension Day to Trinity Sunday John Keble, 1876
