Practical Guide To Handling Motor Insurers Bureau Claims:

Practical Guide to Handling Motor Insurers' Bureau Claims Nick Jervis, 2013-03-04 The 1999 Uninsured Drivers Agreement applies to accidents in which an uninsured driver was involved which have occurred after 1 October 1999. Limitation periods for cases under the agreement will start to expire from 1 October 2002 after which procedural defects cannot be overcome by discontinuing and reissuing. To avoid satisfying any unpaid judgments the Motor Insurers Bureau (MIB) will be able to act on any failure by claimants/solicitors to comply with the strict terms of the Agreement. In order to prepare for this those dealing with Motor Insurers Bureau claims must have watertight systems in place in order to avoid potential negligence claims. This book is an essential guide to preparing such procedures and includes a series of standard letters, checklists and diary entries to guide a practitioner through each aspect of such a claim. The guide deals with the detailed provisions of the 1999 Agreement and the Revised Notes for Guidance 2002. The difficult tasks of handling claims against uninsured drivers and dealing with the MIB are addressed in a practical manner. All relevant recent legislation is discussed as well as claims against untraced drivers and methods of discovering road traffic insurers to prevent the necessity of involving the MIB. Guidance is also given regarding setting up a department to deal with MIB claims. The book will be indispensable for any legal executive or solicitor dealing with MIB claims, particularly those handling road accident personal injury claims and all those managing teams of injury specialists. To effectively handle Motor Insurers Bureau claims the letters and checklists in this book are essential. To save you time all the documents, letters, checklists, questionnaires and forms contained in the book are available as Word documents for a fee of 10. The complete package can be sent to you by email or on disk by post.

Guide to Motor Insurers' Bureau Claims Donald Williams, 2012-12-05 The tenth edition of this well established work offers a concise outline of the scope and workings of the Motor Insurers Bureau. It explains the extent of the Bureau's liability and the procedure for recovering compensation for victims of accidents involving a hit and run and uninsured drivers. This new edition has been extensively updated offering practical coverage of The Uninsured Drivers Agreement including the 2008 Supplementary Uninsured Agreement, The Untraced Drivers Agreement including the 2008 and 2011 Supplementary Uninsured Agreements, cases involving the Bureau including Byrne implementation of the Fifth EC Motor Directive. The book includes the full text of the two agreements governing the Motor Insurers Bureau's activities, the Uninsured Drivers Agreement and the Untraced Drivers Agreement as well as the forms required to pursue such claims. **The New Law**
