Wiersbe, 2010-08-01 Experience eternity Today During His life and ministry Christ assured the apostles that He would one day return for His people But how should this future event affect our lives today In Paul's letter to the Thessalonians he reveals that the promise of Christ's return is more than a doctrine of our faith It is a remarkable truth that can shape how we live how we connect and how we view ministry Part of Dr Warren W Wiersbe's best selling BE commentary series Be Ready has now been updated with study questions and a new introduction by Ken Baugh A respected pastor and Bible teacher Dr Wiersbe balances the prophetic with the practical and shares how Christ's powerful promise can impact every aspect of life So be encouraged Be revived And Be Ready      **Reformed Church Messenger**, 1909      *Nelson's New Illustrated Bible Commentary* Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues alternative views are presented fairly but commentators make their positions clear Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background Visually Appealing Maps drawings and photos illuminate the commentary and visualize important information      Notes Explanatory and Practical on the Epistles of Paul to the Thessalonians, to Timothy, to Titus, and to Philemon. **Bible Studies in the Life of Paul** Henry Thorne Sell, 1904      **Loving God through the Truth, Second Edition** Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core

doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world

*Speaking Truth* Emily Peck-McClain,Jen Tyler,Shannon Sullivan,Theresa S. Thames,J. Paige Boyer,2020-02-18 Women are fierce and fed up and they have been joining hands together for the purposes of societal change for as long as there has been injustice Women of faith are guided by the Holy Spirit to work together to bring down these injustices to build on the foundation Christ laid for the beloved community of God on earth This book is women joining together to speak and act in new ways in response to the increasing challenges of our day This book offers to all women the sustenance needed to face blatant racism bigotry sexism heterosexism and xenophobia in the world and in the church The writers of *Speaking Truth* greet these challenges knowing that the Good News of Jesus Christ is bigger than any societal ill and that God has called us to play a part in God s work of transformation When we pray together and act together we claim a new vision for how things can be a vision God gives us through Scripture We can support both ourselves and other women as we learn to find and claim our voices and end the silences imposed upon us *Speaking Truth* Provides inspirational writings by women for women to face the societal challenges specific to today Includes prayers devotions scriptures and inspirational quotes for special challenges Encourages women supporting advocating and praying for other women

**Present Truth Lifestyle** Michael Scantlebury,2016-10-25 This is a seminal study with strong Apostolic messaging yet its flowing style allows for easy assimilation of biblical truths and provides accurate insights for the cerebral believer who like Daniel and his companions are usually the target of the world system In this book various methodologies are outlined through which spiritual Babylon seeks to entice the brightest and best of every Godly generation to acculturate rob of spiritual identity and manipulate to promote world kingdom ends But thanks be to God there is still a generation in the earth spiritually alert enough to operate within the world system yet deploy their talents and giftings to bring honour and glory to God Those with the Daniel mindset will decode dreams and visions and interpret judgements written on the kingdoms of this world in this

season God is still raising up an Apostolic and Prophetic generation which would feast on heavenly manna and consecrate themselves to spiritual and intellectual purity to accomplish God's Kingdom purposes The Truth About the Lordship of Christ John F. MacArthur, 2012-04-30 Becoming a Christian means being sick of your sin longing for forgiveness and rescue from present evil and future hell and affirming your commitment to the Lordship of Christ to the point where you are willing to forsake everything I've said it before and I'll say it again it isn't just holding up your hand or walking down an aisle and saying I love Jesus John MacArthur Best selling author and pastor John MacArthur brings his deep knowledge of Scripture to this foundational subject Step by step he walks through the impact of God's sovereignty our submission the characteristics of holy living and our assurance of salvation MacArthur makes the case that the Christian life is full and rich but not easy It requires sacrifice perseverance and transformation in the ongoing process of becoming more like Christ And it is absolutely worth the cost In The Truth About the Lordship of Christ you are taken through the Bible and encounter Deep biblical exposition about Jesus Theological instruction Practical application points and ideas Inspiration to grow in the knowledge of the Lordship of Christ Christ Jesus is the very reason men and women can enjoy a relationship with God Without him and the sacrifice he made all would be hopeless and meaningless In this book you are challenged to make Christ the center of your life The Truth About Series For decades MacArthur has encouraged countless Christians to develop a deeper understanding of the Bible and a greater respect for God's truth In The Truth About Series he now gathers his landmark teachings about core aspects of the Christian faith in one place These powerful books are designed to give readers a focused experience that centers on God's character and how it applies to their daily walk of faith *Hagiography and Religious Truth* Rico G. Monge, Kerry P. C. San Chirico, Rachel J. Smith, 2016-09-16 The hagiographic materials from the world's religions can tell us much about the beliefs and practices of the people yet the limited degree to which hagiography has been used as an instrument for understanding diverse religious traditions is surprising *Hagiography and Religious Truth* provides a clearer understanding of the ways hagiography functions to disclose truth for practitioners and suggests various ways that these underexploited sources enrich our comprehension of broader issues in religious studies This volume provides a much needed cross cultural and interreligious comparison of saints lives iconography and devotional practices The contributors show that hagiographic sources can in fact be truths of manifestation which function as vehicles for prefiguring configuring and refiguring religious social and cultural life The editors argue that some meanings simply cannot be communicated effectively through historical critical methodologies By exploring how hagiography functions throughout several of the world's religious traditions this volume illustrates how various modes of hagiography articulate religious ideas and uniquely represent conceptions of sanctity **Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary *Nuggets of Truth* stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber's *My Utmost for His Highest* in that it is

meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day s study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student s Devotional and A Bible Teacher s Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase
