## **Practicing The Word Of God:**

*Practicing the Word of God* Roberta Palmer Grummond, 2005 The dictionary definition of the word practice is 1 to do something frequently or customarily either for instruction profit or amusement 2 to form a habit of acting in any manner I believe in our day we need to practice the Word of God or to practice God s principles outlined in the Word We need to practice what we have been taught from the pulpit from ministry programs from teaching tapes and videos We need to prove the Word of God in our lives in times of little stress so we can be better prepared when the times of pressure the times of need are at hand As with all things that we practice initially we might not be very good at what we are practicing i e piano painting etc We miss the correct keys we paint outside the lines we falter we fade we fail But it is only through our practice that we can become proficient at anything So it is with the Word of God we initially might not be successful at the Word which we practice but as we keep trying as we grow in understanding of Bible principles we become stronger and our practice more sure Then our success in the Word becomes greater and greater and our faith becomes stronger and stronger This is a lesson that God was able to convey to me during my play times in particular my rounds of golf It became apparent to me that if I would practice out there on the golf course what I have been learning all these years that I have been a student of the Word then I would become more spiritually proficient during other times of my life when the import was greater Jesus said in John 17 17 Thy word is truth The premise on which this book is written is that God s Word in its entirety is true and that we all need to set aside time to practice what we learn from God s Word How to do that how to apply His Word to a round of golf or to leisure time is the initial focus of this book and is based on my experiences on the golf course Any hobby craft sport any leisure activity that one enjoys can be substituted for golf the principles remain the same God wants to be part of all aspects of our lives including our times of fun

*52 Weeks of Practical Applications to Biblical Principles* Dr. Catherine Braswell, 2018-02-02 It is Dr Catherine Braswells opinion that in our daily walk as a Christian reading studying and learning the Word of God Bible is very important But over the course of years I have noticed that as Christians it is very hard for many of us to take what we have learned and walk it out from day to day We can read the Bible and tell others what we have read but very few of us can actually take the words of the scripture and apply them to daily crisis For this reason I would like to introduce you to a guide that will teach you how to walk daily in the Word of God This is a book of fifty two weeks of biblical principles with weekly applications to help the reader or Christian practice as you go through life challenges It will teach you how to face life challenges without losing or compromising your integrity As you apply these principles you should be able to see growth and maturity in life and learn how to trust God in every area and situation that you may encounter in this life

*Practicing the Presence of the Living God* Jean Maalouf, 2010

This book *Practicing the Presence of the Living God* intends to be a guide for a spiritual journey. It can be used in a retreat center at home or at work when you are able to secure a few moments of quiet solitude and silence. It is structured around seven days, the number of days normally used for a spiritual retreat. However, the seven days can be reduced to a weekend if this is all the time you can afford. It can also be spread to a much longer time if your circumstances do not allow you to have this amount of hours at the same time. All that you need is your total self. God is totally present to you and you should be totally present to God also. It is based on Brother Lawrence of the Resurrection's little book *The Practice of the Presence of God*. More Information: The content of Brother Lawrence's book encompasses a lifelong application that is life-changing. Its message is transformative in its utmost clarity and simplicity because it reveals the heart and soul of everyone's life purpose and work to live joyfully in the presence of God, no matter what our circumstances are. In his book, Brother Lawrence reveals a very ordinary life that most of us would not really desire and yet as he fulfilled his everyday duties in the midst of the most mundane and tedious tasks, he learned to live the happiest and most rewarding life. With his gracious humility, he thought only of doing little things for the love of God since he was not capable of doing great things. Indeed, he modeled a life lived in the glory of God's love, peace, and joy. No wonder his book was called a little spiritual classic, a devotional masterpiece, an unparalleled classic, and a book relevant and timeless. Jean Maalouf, in his thorough knowledge of Brother Lawrence's teachings, becomes an exceptional guide for a retreat with Brother Lawrence.

ABOUT THE AUTHOR: Jean Maalouf has two doctorates from Paris Sorbonne University and L'Institut Catholique de Paris. He is the author and editor of more than twenty-five books that include the bestseller *Experiencing Jesus with Mother Teresa* and the three books on prayer: *The Healing Power of Prayer*, *I Can Tell God Anything*, *Living Prayer*, and *Bold Prayers from the Heart*. He also wrote numerous articles on spiritual, educational, psychological, philosophical, cultural, and social issues as well as contributed to the *Encyclopedia of Catholic Social Thought*, *Social Science*, and *Social Policy*. He is a member of several associations that include the Fellowship of Catholic Scholars, the American Academy of Religion, the Society of Christian Philosophers, and Contemplative Outreach.

**Practicing Ministry in the Presence of God** John Jefferson Davis, 2015-07-13

*Practicing Ministry in the Presence of God* presents a new paradigm for church ministry, one that is based on fundamental truths of the Christian faith such as the Trinity, union with Christ, and the already presence of the Holy Spirit in the church. This new paradigm can help busy pastors avoid burnout in the ministry and model Trinitarian New Testament patterns of ministry to their people.

Practicing Ministry in the Presence of God reflects the best of recent New Testament scholarship sensitivity to the contexts of globalized postmodern cultures dominated by digital media and practical applications for Christian life discipleship worship and mission     *How to Enjoy God and How to Practice the Enjoyment of God* Witness Lee,2006-03-01 This book leads the

believer into the experience and enjoyment of God This is a practical and intimate concern in the spiritual life of a Christian It helps the believer eat and drink the Lord through prayer and reading the Bible The first section chapters 1 through 14 covers the matter of how to enjoy God and the second section chapters 15 through 21 covers the matter of how to practice the enjoyment of God     The Exercise and Practice of the God-Ordained Way Witness Lee,1990-06     **Practicing Baptism**

Bard Eirik Hallesby Norheim,2014-02-19 Where is Jesus Christ This fundamental question is the starting point of this book which investigates the shape of Christian life and ministry in a post Christendom context Over the last decades there has been a shift in much of Western theology towards focusing on Christian practices in ministry and theological education This may be seen as a way to deal with theological anxiety in an era of heightened personal autonomy In Practicing Baptism Bard Norheim critically analyzes the engagement in Christian practices As a response to this engagement Norheim develops a missional and diaconal theology for ministry focusing on the presence of Christ in Christian practices Fundamentally this is an attempt to answer a pressing question for today What do Christians do Norheim draws on Martin Luther s theology and his notion of the three modes of Christ s presence the present tense of baptism and Luther s idea of the marks of the church Based on this reading of Luther s theology Norheim suggests that Christian life and ministry could be interpreted through the concept practicing baptism     **Essential Words From Almighty God, Christ of the Last Days** Christ of the Last

Days, This book contains excerpts from the essential words expressed by Almighty God Christ of the last days in The Word Appears in the Flesh These essential words directly elucidate the truth and can directly enable people to understand God s will come to know His work and gain knowledge of His disposition and what He has and is They are a guide for all those who long for the appearance of God by which to seek His footprints They can lead you to find the entrance to the kingdom of heaven Website <https://www.holyspiritspeaks.org> YouTube <https://www.youtube.com/godfootstepsen> Facebook <https://www.facebook.com/en.godfootsteps.org> Email [info@almightygod.church](mailto:info@almightygod.church)     Practicing the Ordinary Supernatural Presence of God

John Jefferson Davis,2021-09-30 Growing in our ability to have a conscious awareness of God s presence with us in the midst of our busy and over stimulated world is a key to our spiritual health and emotional well being Practicing the Ordinary Supernatural Presence of God helps us to do exactly that by enriching our devotional lives with a richer and deeper biblical theology based on key biblical texts such as Acts 2 John 17 and Matthew 28 and crucial biblical doctrines such as the Trinity Union with Christ and the Holy Spirit     Practicing Midrash F. Timothy Moore,2018-07-24 Have you ever been puzzled by contradictions in the Bible Or wondered why there are four Gospels three sets of Ten Commandments or two creation stories at the beginning of Genesis Beginning with the first pages of Genesis the Bible tells most of its stories through multiple

versions which contain both similarities and disagreements The inherent arguments in Scripture did not seem to bother the Jewish faith A practice called midrash developed in Judaism sometime before the days of Jesus Rabbis and scholars sparred over opposing passages developed theological arguments and filled gaps in biblical stories with their own understandings This book will use the threefold prayer of St John of the Cross to allow the divergent voices in Scripture to speak and practice midrash with each other enabling the reader to join the conversation The contradictions and arguments have a divine purpose Not only did they prompt the Bible's evolution over hundreds of years but have enabled it to remain a living word for thousands of years This pluralism in the Bible is good news for the faithful living in a multi cultural pluralistic age

**I Exist in All Planes at the Same Time** Carl Alexander-Reindorf,2006-06-07 In this ANTHOLOGY II Leader Olumba Olumba Obu's identification as the Promised Comforter and Supernatural Teacher and His teachings on Love His Mission His Characteristics The Holy Spirit The Word The Trinity Baptism Brotherhood of the Cross and Star Vegetarianism Humility Forgiveness and Mercy Watch and Pray Holy Thursday Dry Fasting and Feast are amply recorded and documented

**The Practice of Godliness** Jerry Bridges,2016 Over 500 000 copies in print Godliness has value for all things 1 Timothy 4 8 NIV How can you develop godly character Bestselling author Jerry Bridges says that godliness is more than a character trait It is a foundational spiritual quality that makes the entire Christian life dynamic effective and pleasing to God Growing in godliness is a twofold process It involves an ever deepening devotion to God and developing character that is steadily transformed into His likeness In The Practice of Godliness the sequel to the popular book The Pursuit of Holiness readers will learn how laying an inward foundation of God centeredness will permit them to build an outward structure of godliness Character formation will never

be the same Discussion guide included *The Gospels and Christian Life in History and Practice* Richard Valantasis, Douglas K. Bley, Dennis C. Haugh, 2009-06-15 The Gospels And Christian Life reads the four canonical Gospels as handbooks for religious formation through communal practices The book focuses on the communities that produced each gospel the dynamic energy each gospel displays for creating and sustaining community life the different interpretations of the person of Jesus and the different systems of organization and leadership each gospel promulgated The authors carefully describe the social context of each Gospel and delineate the practices the texts prescribe Each gospel has an imaginative portal an introductory chapter introducing the necessary background for understanding the social intellectual and religious setting for each gospel Their reading of each Gospel builds on these foundations to illustrate the nature and scope of the community's practices Their work starts from the assumption that the communities did not look to the Gospels for biographical data on the life of Jesus to offer the reader a powerful reading of each Gospel community its unique practices and the way people were trained to become members of it This book is aimed at undergraduate and graduate teachers and students pastors and the general audience eager for new ways to understand the New Testament **The Practice of God's Presence** Andrew Murray, 2000-03-01 The Secret of Spiritual Strength Is something missing in your Christian life Do you long to feel God's presence and experience His power Andrew Murray's scriptural insights make it easy for you to know God Discover how to have a dynamic joyful relationship with the Lord Live every day every hour in intimate fellowship with Him Not only can you have an effective prayer life but you can also experience the fullness of the Holy Spirit a blameless heart and absolute power over sin The supernatural life God has called you to is available right now Discover the power as you daily walk in God's presence Divine Revelation and Human Practice Rev. Dr. Tony Clark, 2008-01-01 In this creative contribution to the doctrine of revelation Clark seeks to develop and articulate an understanding of God's self-disclosure located in the participation of the ecclesial community in the trinitarian life of God Clark takes as his point of departure Karl Barth's doctrine of the Word of God Barth has impressed upon theology that revelation is primarily an event in which God establishes relationship with humanity in an act of his sovereign freedom But what is the role of human participation in this revelatory event It is here that Barth's account is less than satisfactory and this shortcoming points to the principal theme of the book Addressing this theme Clark engages with the work of Michael Polanyi whose philosophy provides a potent resource for the task One profoundly innovative aspect of Polanyi's work is his theory of tacit knowledge which demonstrates how articulate knowledge conceptual understanding arises out of knowledge established through practical and intrinsically imaginative participation in particular practices or life ways Although we depend upon such knowledge we can articulate it only in part We know more than we can tell This insight has profound implications for the doctrine of revelation It suggests that knowledge of God is necessarily bound up with the various practices of the church in which Christians are imaginatively engaged and through which God makes himself known It also suggests that such knowledge cannot be fully articulated Clark

does not deny the possibility or the importance of doctrinal formulation but he does issue a reminder that theological statements are only possible because God gives himself to be known in the life and practices of the church This substantial work provides important and original proposals for rearticulating the doctrine of revelation
