*Dictionary of Daily Life in Biblical and Post-biblical Antiquity* Edwin M.

Yamauchi, Marvin R. Wilson, 2014-01-01 Most Bible dictionaries on the market today miss a number of cultural and sociological issues of interest to the study of the Scriptures The Dictionary of Daily Life in Biblical and Post Biblical Antiquity aims to fill this void Written and edited by a world class historian and also by a highly respected biblical scholar this unique reference work provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600 Articles on domestic life technology culture laws and religious practices are rarely found in available Bible dictionaries and encyclopedias but here they are explained in detail accompanied by bibliographic material for further exploration Articles range from 5 to 20 pages long While the authors are well known they have also recruited 35 to 40 experts in the actual fields being discussed in numerous cases and thus the series is further strengthened by the high level of scholarship applied to each of the articles Scholars pastors and students and their teachers will find this to be a very useful resource for biblical study exegesis and sermon preparation This first volume in the The Dictionary of Daily Life series covers topics including agriculture art barbers and beards boats and ships camels childbirth and children clothing dance and many more *Dictionary of Daily Life in Biblical & Post-Biblical Antiquity* Edwin M.

Yamauchi, Marvin R. Wilson, 2022-05-17 This unique reference article excerpted from the larger work Dictionary of Daily Life in Biblical and Post Biblical Antiquity provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600 Written and edited by a world class historian and a highly respected biblical scholar each article addresses cultural technical and or sociological issues of interest to the study of the Scriptures Contains a high level of scholarship Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration Useful for scholars pastors teachers and students for biblical study exegesis or sermon preparation Possible areas covered include details of domestic life technology culture laws or religious practices Each article ranges from 5 to 20 pages in length For the complete contents of Dictionary of Daily Life in Biblical and Post Biblical Antiquity see ISBN 9781619708617 4 volume set or ISBN 9781619701458 complete in one volume **Medical**

**Ethics in Antiquity** P. Carrick, 2012-12-06 The idea of reviewing the ethical concerns of ancient medicine with an eye as to how they might instruct us about the extremely lively disputes of our own contemporary medicine is such a natural one that it surprises us to realize how very slow we have been to pursue it in a sustained way\_ Ideologues have often seized on the very name of Hippocrates to close off debate about such matters as abortion and euthanasia as if by appeal to a well known and sacred authority that no informed person would care or dare to oppose\_ And yet beneath the polite fakery of such reference we have deprived our selves of a familiarity with the genuinely unsimple variety of Greek and Roman reflections on the great questions of medical ethics The fascination of recovering those views surely depends on one stunning truism at least humans sicken and die they must be cared for by those who are socially endorsed to specialize in the task and the changes in the rounds of human life are so much the same from ancient times to our own that the disputes and agreements of

the past are remarkably similar to those of our own      *Medical Ethics in the Ancient World* Paul Carrick,2001-04-30 In this book Paul Carrick charts the ancient Greek and Roman foundations of Western medical ethics Surveying 1500 years of pre Christian medical moral history Carrick applies insights from ancient medical ethics to developments in contemporary medicine such as advance directives gene therapy physician assisted suicide abortion and surrogate motherhood He discusses such timeless issues as the social status of the physician attitudes toward dying and death and the relationship of medicine to philosophy religion and popular morality Opinions of a wide range of ancient thinkers are consulted including physicians poets philosophers and patients He also explores the puzzling question of Hippocrates identity analyzing not only the Hippocratic Oath but also the Father of Medicine s lesser known works Complete with chapter discussion questions illustrations a map and appendices of ethical codes *Medical Ethics in the Ancient World* will be useful in courses on the medical humanities ancient philosophy bioethics comparative cultures and the history of medicine Accessible to both professionals and to those with little background in medical philosophy or ancient science Carrick s book demonstrates that in the ancient world as in our own postmodern age physicians philosophers and patients embraced a diverse array of perspectives on the most fundamental questions of life and death      **Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Barbers & Beards** Edwin M.
