

# PRAGMATIC THEOLOGY

Negotiating the Intersections  
of an American Philosophy  
of Religion and Public Theology

VICTOR ANDERSON

# Pragmatic Theology

**Sheila Greeve Davaney**

## **Pragmatic Theology:**

*Pragmatic Theology* Victor Anderson, 1998-01-29 Pragmatic Theology argues for a vision of religious life that is derived from the tradition of American pragmatism James Dewey Royce empirical theology Chicago School D C Macintosh H Richard Niebuhr and American philosophy of religion Stone Frankenberg Corrington The author argues that there is a divine reality in human experience that when encountered gives meaning and value to a person's need for cultural fulfillment and to his or her religious need for self transcendence The book commends the openness of nature the world and human experience to creative transformation and growth It supports the increase of human capacities to create morally livable and fulfilling communities the enhancement of the free play of interpretation and a social order where democratic utopian expectations are envisioned and actualized

**Pragmatic Historicism** Sheila Greeve Davaney, 2000-09-07 Sheila Greeve Davaney develops a bold new option in theology and religious reflection pragmatic historicism which emerges out of the historicist assumptions of human situatedness particularity and plurality that have come to characterize Western thought The major theological attempts by postliberal and revisionist theology to incorporate these insights have failed to contend fully with the historicist challenge Davaney's pragmatic historicism more clearly repudiates essentialism universalism and confessionism The theology that emerges is constructive and critical resisting all forms of confessionism without resorting to new forms of universalism In its academic mode it is interpreted not in opposition to religious studies but as one subdiscipline within the study of religion whose major concerns are the identification analysis and critical reconstruction of religious ideas As such it is a form of cultural analysis and criticism The work includes a detailed exploration of the thought of philosophical pragmatists Richard Rorty Cornel West and Jeffrey Stout and theologians Sallie McFague John B Cobb Jr Gordon Kaufman Delwin Brown and William Dean among others

God the Created Benjamin J. Chicka, 2022-02-01 In God the Created Benjamin Chicka develops a method of inquiry and program for theology that he labels pragmatic constructive realism While influenced most heavily by American pragmatism especially that of Charles S Peirce Chicka's method draws upon a variety of sources ranging from Plato to Karl Popper Paul Tillich and the field of biosemiotics Chicka presents pragmatic constructive realism as a means of moving past binary debates between realism and antirealism in both philosophy and theology and its fruitfulness is displayed by examining the philosophical theologies of John Cobb and Robert Cummings Neville The result of that engagement is a novel hypothesis about God that embraces legitimate criticisms of both process theology Cobb and ground of being theology Neville while integrating insights from both ways of thinking God's transcendence and immanence indeterminacy and determinacy are fully affirmed The entire argument serves as an example of why a fallible and pluralistic form of theology one that embraces and learns from difference instead of trying to eliminate it is important for the future of theology

Theology After Neo-Pragmatism Adonis Vidu, 2009-02-16 This book develops the thesis that Evangelical theology not only cannot afford to avoid engaging with the philosophy of neo pragmatism but it can also benefit from the proposals of

some of its leading exponents especially Donald Davidson Three different themes run throughout the book meaning epistemic justification and ontology How can theologians be confident of the meanings ascribed to religious beliefs in the wake of the dissolution of the very concept of meaning and of the analytic synthetic distinction Is there any rational fraction between our beliefs religious or mundane and some extra linguistic reality Is God something more than simply a symbolic construct associated with a certain manner of speaking The surprising thought of Donald Davidson offers resources for Evangelical theology seeking hopeful answers to these troubling questions Davidson s rejection of the so called third dogma of empiricism namely the dualism of scheme of content should be welcomed by those defending theological rationality and refuting relativism and incommensurability Furthermore his truth conditional semantics can serve as a check against revisionist accounts of religious beliefs that flaunt the first person point of view of the religious believer herself These Davidsonian contributions to an Evangelical theology are however balanced by inherent inadequacies which require a theological supplement which is also a creative proposal calling for the continued significance of experience in theology beyond the myth of the Given an understanding of the role of Scripture as both epistemic as well as dispositional and finally an understanding of the nature of truth as located in the mind of God Theology After Neo Pragmatism is both an introduction to an influential philosophical trend and a critical and constructive theological proposal which is at once scriptural and historicist pragmatic and realist

**Pragmatism and Religion** Stuart E. Rosenbaum, 2003 This distinctive collection of classical and contemporary readings comes at a time when pragmatism is undergoing a renaissance across a spectrum of disciplines Pragmatism and Religion addresses an important but overlooked issue whether or not the deep passions and commitments of American pragmatism s central figures are independent of Western religious traditions The first of the book s three sections samples pragmatism s religious roots Classical Sources includes works by John Winthrop Jonathan Edwards Henry David Thoreau and Ralph Waldo Emerson as well as Charles Sanders Peirce s Evolutionary Love William James s Philosophy chapter 18 of The Varieties of Religious Experience and selections by John Dewey W E B Du Bois John McDermott and Richard Rorty Part 2 Contemporary Essays on the American Tradition of Religious Thought features Richard Bernstein s Pragmatism s Common Faith Stuart Rosenbaum s Morality and Religion and Robert Westbrook s Uncommon Faith among others Part 3 Theism Secularism and Religion Seeking a Common Faith includes Raymond D Boisvert s What Is Religion Sandra B Rosenthal s Spirituality and the Spirit of American Pragmatism Carl Vaught s Dewey s Conception of the Religious Dimension of Experience and Steven C Rockefeller s Faith and Ethics in an Interdependent World among others Stuart Rosenbaum s contemporary contributors are among the best in the fields of pragmatism and pragmatism in religion A unique resource Pragmatism and Religion will serve students of religion history and philosophy as well as those in interdisciplinary core courses

**Pragmatism and Modernities** , 2010-01-01 Pragmatism belongs at least to a certain degree to the Protestant based reaction towards the economic social and political developments of the time in the US and it is no

coincidence that the pragmatists all came from religious families if not even theologian families But these life conditions have changed over the course of the last century as much as the Protestant self assurance has been questioned more and more The question discussed in this book by international scholars is as to whether the possible modernity of pragmatism of around and after 1900 can still be labeled modern today in the modernity or post modernity around and after 2000 Has philosophy and philosophy of education found better alternatives Have the alternatives of the time around 1900 proven to be better Were the contemporary critics of pragmatism right These questions are discussed in fourteen chapters clustered in three larger parts The first part deals with pragmatism and modernity around 1900 the second part discusses contemporary alternatives to pragmatism and critics of pragmatism and the third and last part of the book deals with the modernity of pragmatism today Intended audience philosophers philosophers of education historians historians of education religious educators historians of sociology cultural historians political scientists postmodernists

**The American Philosophy Pragmatism Critically Considered in Relation to Present-day Theology** Arnold van Couthen Piccardt Huizinga,1911

**Pragmatic Spirituality** Gayraud S. Wilmore,2004-07 A collection of the writings by one of the most influential African American theologians **Reinhold Niebuhr and John Dewey** Daniel F. Rice,1993-01-01 Reinhold Niebuhr and John Dewey frequently have been identified as the most influential American philosophers of their respective times Although their direct contact in print and in political action was marginal their substantive conflict over such issues as religion naturalism the liberal tradition and democracy both reflected and shaped much of America's inner dialogue from 1932 to mid century and beyond In this intriguing book Daniel Rice makes a strong case that although the clash between Niebuhr and Dewey was real and important in a wider context the two shared more insights than either realized

**William James, Pragmatism, and American Culture** Deborah Whitehead,2016-01-21 Continues and adds to a rich conversation among American philosophers concerning the origins of pragmatism and its possibilities for the future William Gavin University of Southern Maine William James Pragmatism and American Culture focuses on the work of William James and the relationship between the development of pragmatism and its historical cultural and political roots in nineteenth century America Deborah Whitehead reads pragmatism through the intersecting themes of narrative gender nation politics and religion As she considers how pragmatism helps to explain the United States to itself Whitehead articulates a contemporary pragmatism and shows how it has become a powerful and influential discourse in American intellectual and popular culture

**Sacrificing Truth: The Transformation of Evangelical Leadership and Its Political Implications** Wilda Krueger,2025-04-11 This thought provoking book provides an in depth examination of the profound transformation that evangelical leadership has undergone in recent years and its far reaching implications for our political landscape With meticulous research and insightful analysis the book uncovers the complex factors that have led to the growing alignment of evangelical leaders with conservative political agendas It delves into the historical roots of this shift exploring how the rise of fundamentalism and the influence of

conservative media outlets have played a pivotal role The book also sheds light on the motivations behind this alliance revealing how political power and financial incentives have influenced the decisions of many evangelical leaders Through compelling narratives and case studies the book illustrates the ways in which evangelical leadership has embraced political agendas that deviate from the core values and teachings of Christianity It examines how this transformation has not only divided the evangelical community but also contributed to the polarization of American politics This book is an essential read for anyone seeking to understand the complexities of the modern evangelical movement and its impact on our society

Theology as an Empirical Science Douglas Clyde Macintosh, 1919      **A Darkly Radiant Vision** Gary Dorrien, 2023-07-25

The third and final volume in the first comprehensive history of Black social Christianity by the greatest theological ethicist of the twenty first century Michael Eric Dyson The Black social gospel is a tradition of unsurpassed and ongoing importance in American life argues Gary Dorrien in his groundbreaking trilogy on the history of Black social Christianity This concluding volume an interpretation of the tradition since the early 1970s follows Dorrien s award winning *The New Abolition* W E B Du Bois and the Black Social Gospel and *Breaking White Supremacy* Martin Luther King Jr and the Black Social Gospel Beginning in the shadow of Martin Luther King Jr Dorrien examines the past fifty years of this intellectual and activist tradition interpreting its politics theology ethics social criticism and social justice organizing He argues that Black social Christianity is today an intersectional tradition of discourse and activist religion that interrelates liberation theology womanist theology antiracist politics LGBTQ theory cultural criticism progressive religion broad based interfaith organizing and global solidarity politics *A Darkly Radiant Vision* features in depth discussions of Andrew Young Jesse Jackson Samuel DeWitt Proctor Gayraud Wilmore James Cone Cornel West Katie Geneva Cannon Stacey Floyd Thomas Traci Blackmon William J Barber II Raphael G Warnock and many others      *Social Ethics in the Making* Gary Dorrien, 2009-03-25 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award      **Congregational Revival for America's Heartland** Lauren R. Ley, 2013-01-12 This manual provides lenses geography religion politics culture economics history ethnicity to better understand the complexity and depth of congregations as social institutions and as the body of Christ within a multi layered context of life      *The Routledge*

*Handbook of Religious Naturalism* Donald A. Crosby, Jerome A. Stone, 2018-02-01 Ecological crisis is being widely discussed in society today and therefore the subject of religious naturalism has emerged as a major topic in religion The Routledge Handbook of Religious Naturalism is an outstanding reference source to the key topics problems and debates in this exciting subject and is the first collection of its kind Comprising thirty four chapters by a team of international contributors the Handbook is divided into seven parts Varieties of religious naturalism and its relations to other outlooks Some earlier religious naturalists Pantheism materialism and the value ladenness of nature Ecology humans and politics in naturalistic perspective Religious naturalism and traditional religions Putting religious naturalism into practice Critical discussions of religious naturalism Within these sections central issues debates and problems are examined including defining religious naturalism religious underpinnings of ecology natural piety the religious aesthetic ecstatic naturalism as deep pantheism spiritual ecology African American religious naturalism Christian religious naturalism Dao and water Confucianism environmental action and practices in religious naturalism The Routledge Handbook of Religious Naturalism is essential reading for students and researchers in religious studies theology and philosophy The Handbook will also be useful for those in related fields such as environmental ethics and ecology

**Some Religious Implications of Pragmatism** Joseph Roy Geiger, 1919 **American Journal of Theology** , 1910 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged *The American Journal of Theology* University of Chicago. Divinity School, 1911 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged

**Pragmatism and the Philosophy of Religion** Michael R. Slater, 2014-08-14 Michael R Slater argues for the contemporary relevance of pragmatist views in the philosophy of religion

When people should go to the book stores, search start by shop, shelf by shelf, it is essentially problematic. This is why we present the book compilations in this website. It will certainly ease you to see guide **Pragmatic Theology** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you strive for to download and install the Pragmatic Theology, it is no question simple then, past currently we extend the colleague to purchase and create bargains to download and install Pragmatic Theology fittingly simple!
