My Various Nature Experiences John T. Rogers,2023-11-29 About the Book *My Various Nature Experiences* is a compilation of autobiographical short stories that detail John Rogers experiences over the years with the flora and fauna that Mother Nature has allowed him to be a part of It is Rogers deepest wish that readers will relate to the animals and actions that are involved and that they are inspired to remember their own involvement with nature For those who have not witnessed what nature has to offer firsthand challenge yourself to frequent not just your local parks and zoos but to travel to new places where nature can be seen and enjoyed in person About the Author John T Rogers is very fortunate to have been raised in northern Wyoming and to teach school in North Dakota and Montana These areas have allowed him to live in sparsely populated regions where he was able to observe and be a part of the actions of animals as they lived and competed with each other in Mother Nature s land He is delighted to share these experiences with readers With his ongoing love for nature and his hobbies of fishing and prospecting he s sure that many more exciting stories will find their way into his life

White Lion Walter Williams,2011 From an innocent country boy to the jungles of Viet Nam and Africa A life filled with adventure danger and death The emotional rollercoaster of being a soldier doing his job to perhaps crossing the line The struggle from within to justify his lifestyle to the pulpit of an evangelist A story of one mans climb from hell to a life much different and his struggle to keep his past life in the past

The Endangered Species Road Trip Cameron MacDonald,2013-07-22 Bill Bryson meets John Vaillant in this life list quest to see the rarest species in North America Crammed into a minivan with wife toddler infant and dog accompanied by mounds of toys diapers tent sleeping bags and other paraphernalia Cameron MacDonald embarks on a road trip of a lifetime to observe

North America's rarest species In California the family camps in the brutally hot Mojave where he observes a desert tortoise the size and shape of a bike helmet and the colour of gravel sitting motionless in the shade of a scrubby sagebush In Yellowstone after driving through unseasonal snow he manages to spot a rare black wolf and numerous grizzlies which unfortunately call forth a crowd of grizzly gawkers The journey takes the MacDonald family from British Columbia along the west coast of the U S through the Southwest and Florida up the east coast of the U S and finally to eastern Canada and then back home to BC Along the way MacDonald offers fascinating details about the natural history of the endangered species he seeks as well as threats like overpopulation commercial fishing and climate change that are driving them towards extinction
