*Prairie Moon* R.L. Mata, 2020-03-25 On the high plains of northeastern Colorado Dennis Camp's world already small is getting smaller. Wherever he looks towns are disappearing schools are closing and his social world is shrinking. Emptiness is not inevitable for Dennis himself however his mother who knows him better than he knows himself has asked him for a promise and he has given it. If he can just figure out how to act on that promise his world may become large enough to bring him happiness and fulfillment as a man.

**Prairie Moon** Barbara Bergan, 2010-11-16 Beginning on December 29 1890 as two Indian boys find safety together amidst a massacre continuing as white settlers push ever westward *Prairie Moon* is the heartfelt story of four families whose lives intertwine over more than a century. Coming full circle to the place where it begins Wounded Knee South Dakota it is the best kind of historical fiction one that offers hope for a better understanding of whom we are as a people. All profits from *Prairie Moon* donated to Friends of Pine Ridge Reservation which supports reservation organizations in need.

*Beneath a Prairie Moon* Kim Vogel Sawyer, 2018-03-20 Readers rabid for the sweet historical romances of Tracie Peterson and Tamara Alexander will flock to best selling author Kim Vogel Sawyer's prairie set heartwarmer of high society cast off and the western town that welcomes her. Abigail Brantley grew up in affluence and knows exactly how to behave in high society. But when she is cast from the social registers due to her father's illegal dealings she finds herself forced into a role she never imagined tutoring rough Kansas ranchers in the subjects of manners and morals so they can marry up with their mail order brides. Mack Cleveland whose father was swindled by a mail order bride wants no part of the scheme to bring Eastern women to Spiveyville Kansas and he's put off by the snooty airs and fastidious behavior of the little city gal in their midst. But as time goes by his heart goes out to the teacher who tries so diligently to smooth the rough edges from the down to earth men. How can he teach her that perfection won't bring happiness.

**Prairie Moon** Maggie Osborne, 2003 Haunted by the memories of life with an adoring husband widowed Della Ward lives on a run down farm near a small Texas town. **Once in a Blue Moon (Large Print 16pt)** Eileen Goudge, 2011-04 Lindsay and Kerrie Ann are sisters who have known hardship from an early age when their mother was sent to prison and they were separated and sent into foster care. Kerrie Ann feels intimidated by the classy more educated Lindsay while Lindsay is dismayed by Kerrie Ann's streetwise ways. They immediately clash as Lindsay becomes threatened by Kerrie Ann. [The Sirens' Call](#) Chris Hayes,2025-01-28 An Instant 1 New York Times Bestseller From the New York Times bestselling author and MSNBC and podcast host a powerful wide angle reckoning with how the assault from attention capitalism on our minds and our hearts has reordered our politics and the very fabric of our society An ambitious analysis of how the trivial amusements offered by online life have degraded not only our selves but also our politics New York Times Brilliant book Reading it has made me change the way I work and think Rachel Maddow We all feel it the distraction the loss of focus the addictive focus on the wrong things for too long We bump into the zombies on their phones in the street and sometimes they re us We stare in pity at the four people at the table in the restaurant all on their phones and then we feel the buzz in our pocket Something has changed utterly for most of human history the boundary between public and private has been clear at least in theory Now as Chris Hayes writes With the help of a few tech firms we basically tore it down in about a decade Hayes argues that we are in the midst of an epoch defining transition whose only parallel is what happened to labor in the nineteenth century attention has become a commodified resource extracted from us and from which we are

increasingly alienated The Sirens Call is the big picture vision we urgently need to offer clarity and guidance Because there is a breaking point Sirens are designed to compel us and now they are going off in our bedrooms and kitchens at all hours of the day and night doing the bidding of vast empires the most valuable companies in history built on harvesting human attention As Hayes writes Now our deepest neurological structures human evolutionary inheritances and social impulses are in a habitat designed to prey upon to cultivate distort or destroy that which most fundamentally makes us human The Sirens Call is the book that snaps everything into a single holistic framework so that we can wrest back control of our lives our politics and our future
