Prairie Song and Western Story Hamlin Garland,1928 **Prairie Song and Western Story** Hamlin Garland,1971

Prairie Song Cheryl Anne Porter,2014-07-15 Prairie Song by Cheryl Anne Porter A desperate bargain Running for her life Kate Chandler flees to Oklahoma with a price on her head hoping to stake a claim in the Great Land Run of 1889 But with no money no protection no food and an unborn baby to think about she is desperate enough to accept a devil s bargain from notorious bounty hunter Cole Youngblood Ruggedly handsome he ll stake her claim if she ll be a mother to his sister s three orphaned children unaware of Kate s dangerous secret she is the quarry he s been hired to find A dangerous love Cole knows Kate is running from something terrible the fear in her eyes is clear as day But that doesn t change his plan to marry her make the Land Run then leave Kate and the children behind safe away from the hard life he s chosen He didn t expect the wild emotions that would sear his hardened heart and make him yearn for a life beyond the grim realities of living by his gun But as passion exposes the deadly secrets that shadow them both he knows their only hope for a future together is to forge a love stronger than the danger trying to tear them apart **Short Story Index** ,1953 Quinquennial supplements 1950 1954 1979 1983 compiled by Estelle A Fidell and others published 1956 1984 *North Dakota* Federal Writers' Project,1968

The Book of the American Indian Hamlin Garland,2005-01-01 In these and other stories written from 1890 1905 Hamlin Garland sought to capture his vision of the spirit of the Native American Indian in transition Based on ten years of visits to reservations in the American West these stories are of interest for readers today in part because they illustrate a sincere and well intentioned white reformer coming to understand a culture radically at odds with his own and discovering in the process that his own culture is less advanced than he had supposed This edition reprints the text and illustrations from the 1923 printing as well as two of Garland s essays indicting the treatment of Indians An introduction places the stories in the historical context of Garland s life and times **BOOK JACKET** **Supplement, 1953** Isabel S. Monro,Dorothy E. Cook,1953-12 **North Dakota** Federal Writers' Project of the Works Progress Administration for the State of North Dakota,1938 Content warning Some illustrations and stories depict racist stereotypes to describe Native Americans Stanford Libraries collects and makes these materials available to facilitate scholarly research and education and does not endorse the viewpoints within Our collections may contain language images or content that are offensive or harmful **Bulletin** Texas Education Agency,1929 *Hamlin Garland* Keith Newlin,2008-06-01 In recognition of his achievements in literature Hamlin Garland 1860 1940 received four honorary doctorates and a Pulitzer Prize Keith Newlin traces the rise of this prairie farm boy with a half formed ambition to write who then skyrocketed into international prominence before he was forty His life is a story of ironic contradictions the radical whose early achievement thrust him to the forefront of literary innovation but whose evolutionary aesthetic principles could not themselves adapt to changing conditions the self styled veritist whose credo demanded that he verify every fact but whose credulity led him to spend a lifetime seeking to confirm the existence of spirits

His need for recognition caused him to cultivate rewarding friendships with the leaders of literary culture yet even when he attained that recognition it was never enough and his self doubt caused him fits of black despair The first and only other biography of Hamlin Garland was published more than forty years ago since then letters manuscripts and family memoirs have surfaced to provide along with changing literary scholarship a more evaluative and critical interpretation of Garland s life and times Hamlin Garland A Life is an exploration of Garland s contributions to American literary culture and places his work within the artistic context of its time **Manual for Teachers of Adult Elementary Students** William Scott Gray,1934 Year-book of the Brooklyn Institute of Arts and Sciences Brooklyn Institute of Arts and Sciences,1908 Containing the names of the officers and of members a brief history of the institute an account of the work and a copy of laws relating specifically to the corporation **The Arena** ,1891 **Monthly Bulletin** St. Louis Public Library,1929 Teachers bulletin vol 4 issued as part of v 23 no 9 **Monthly Bulletin.
