D, 2014-03-05 Living in the 21st century learning to pray praying and remaining prayerful are not luxuries for the elite but a survival measure in today's society For this reason young people must be challenged to learn the importance and the necessity of prayer and spiritual readings However it has been noted and reported by many church leaders that children and youth are reluctant to pray in public are not always receptive to prayers nor do they clearly understand the components of prayers Learning to pray and the definition of prayers are not always comprehended as means of communicating or talking to God The Bible teaches that in order to pray sincerely spiritually and effectively one must know God for him or herself through the Trinity of the Father Son and Holy Spirit In addition knowing the functions personalities and clearly understanding the function of the Trinity is necessary The Christian Education Curriculum is utilized as an excellent modality for teaching children and youth the significance of prayers and other parts of the Bible This religious component encompasses all ministries in the church and is responsible for teaching modeling monitoring and correcting non acceptable Christians behaviors and lifestyles from birth to death *The Fruit of the Spirit, Grades 1 - 3* Ewald, 2015-01-01 This engaging classroom supplement teaches children how to respond to situations with the Fruit of the Spirit rather than to simply react to circumstances Each lesson includes a story from the New Testament that demonstrates the Holy Spirit at work in the lives of the apostles or the early church a modern day skit a memory verse discussion questions and a related activity **Praise Scripture Reward Stickers** School Specialty

Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are

study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **Downpour** James MacDonald,2006 Grieved by statistics showing little or no difference between the lifestyles of professing Christians and their nonbelieving neighbors MacDonald presents a five point outline that charts the pathway to personal revival **The Breath of Rapture** Kurt Niece,2008-09 The lives of ordinary people become intertwined on an ordinary day the day of The Change Diversity humor satire politics religion and relationships are fundamental to this evolving story about the Rapture told in three segments The War Cry ,1896 **Drawing Near** John MacArthur,2002-02-28 A daily devotional guide that uniquely takes an expository rather than a thematic or topical approach to Scripture Each reading provides insight as well as suggestions for prayer and further study Veni, Vidi, Vici Roger W.
