Six, 2005 The first words I heard the Lord speak in my inner heart and spirit on the retreat were I know you can't think reason or love but lean on me I can do all things For the first time in months I felt at peace my mind which had been spinning out of control came to rest The first chapter Desperation Street shows how God

loves us even when we can't love ourselves The beginnings of our infant steps as we learned to walk with Jesus How his teachings filled with gentle loving kindness met us in our everyday needs The lessons so simple and clear that we could understand them My prayer for the first year of our walk always began forgive me Lord if I am praying wrong I don't know any other way With no one to guide us he taught us to read and study his word most of the time teaching with one or two versus of scripture at a time Sometimes going over those same verses for weeks before understanding would come He taught us not only to read his Word but to find our answers in its pages that it was alive and living not just words in a page of a book Teaching Spiritual truths from a Christmas Tree Eggs and everyday mundane things in our lives Showing each of us he was the God of our every day miracles As you read this and see in our lives how God taught us about His I pray that God's love will bless you and that you would hunger to know more of him
