

Prayer for the Dead

**In your hands, O Lord,
we humbly entrust our brothers
and sisters.**

**In this life you embraced them
with your tender love;
deliver them now from every
evil**

**and bid them eternal rest.
The old order has passed away:
welcome them into paradise,
where there will be no sorrow,
no weeping or pain,
but fullness of peace and joy
with your Son and the Holy Spirit
forever and ever.
Amen.**

Pray For Death:

Pray for Death (A Gunn Brothers Thriller) James Hilton, 2018-10-16 A heart pounding thriller for fans of Lee Child Matt Hilton and James Hilton EVEN PRAYER WON T SAVE THEM NOW Brothers Danny and Clay Gunn were brought up an ocean apart Both served in the military and both know how to kill taking work as private military contractors and freelance fixers Celine Chavez is the closest thing to a daughter that Clay Gunn has But now she has disappeared while vacationing in Mexico Clay and his brother Danny must venture into the ultra violent criminal underworld to bring her home From the bright lights of Canc n to a living nightmare in the wildest jungles of the Yucat n the Gunn brothers face the direst of enemies yet One thing is for sure if they survive the Gunn brothers will never be the same again *Prayers for Prisoners Under the Sentence of Death* ,1712 **Prayer Against Untimely Death** Tella Olayeri, 2021-07-02 Untimely death has caused disaster to families and nations at large Bread winners loved ones and people loaded with talents often lose their lives before they know it The agony is much if weighed on scale It is high time we put check on wicked spirits behind such acts It is time to say Thou spirit behind sudden death your cup is full surrender and disappear from the corridor of my life What stories have we not heard Kidnappers terrorize lives on a daily basis News of disaster of different dimensions never ceases Loss of lives as a result of motor accident is rampant Witchcraft and wizards are finding it comfortable to kill and maim captives The cause of untimely death is on and on and on Life is no longer safe as untimely death has taken grip of society This book stands out to give both practical and spiritual remedy to this nonsense It builds hope against sudden death and keys to destroy terrors of life This can be achieved through case studies and loaded prayer points vomited by the Holy Spirit in this book FROM LIFE TO DEATH Richard Allen Brooks, 2011-02-09 If you are seeking perfect rhyme and meter go no further because you are about to read the wrong book of poetry If however you are seeking thoughtful introspection reasoned thought and query interrogatory and response then proceed to read this book for that is just what is in store for you in this first compilation of the poetic expressions of Richard Allen Brooks No one can fully understand or appreciate the works of another person We each bring to our interpretation our own set of experiences through which we must view the work We have not lived the author s life tribulations exalts despair disappointments or jubilations Our interpretation of the author s work is thus a skewed vision of what the author intended in the original meaning of the work even if only slightly and it must be so in order to fit within the confines of our own personal experience which must always be different from that of the author if not in kind then in degree Starting with A Friend Indeed that offers encouragement Your Name tells of living your life but never obtaining the goals you ve set for yourself while The Falling Snow was a quiet time after the loss of mother dear sitting on the steps of my younger sister s home just looking out the window at the flakes landing here and there Another one How Sad This Day expresses a loss after losing another loved one and then there is Between Atlantic and Pacific an awareness of those who died during World War II and a memorial dedicated to them Additionally the reader must be advised that Mr Brooks

throughout his life has been a tireless giver of his time and energy to the advancement of mankind in every manner at his disposal As much joy as his work has brought him it has also contained bitter returns through many people who mistook his willingness to be of assistance as a weakness and thus resulted in significant pain and disappointment being experienced by Richard There are many other themes running through this work However there are three predominant and recurring themes which the reader will be confronted with Richard s profound sense of loss on the death of his mother a search for direction and the passing of time This work should be read with deliberation Much of what it has to offer cannot be appreciated through casual mindless reading However if you take the time to think about not just what is being said but why it is being said and the message that is being conveyed in each poem you will come away from this book greatly enriched in your understanding of the significance of love loyalty commitment compassion and understanding not just for your fellow man but for yourself Marilyn V Joyner
