Ten Hours Until Dawn Michael J. Tougas, 2025-09-23 In the midst of the Blizzard of 1978, the tanker *Global Hope* floundered on the shoals in Salem Sound off the Massachusetts coast. The Coast Guard heard the Mayday calls and immediately dispatched a patrol boat. Within an hour, the Coast Guard boat was in as much trouble as the tanker, having lost its radar, depth finder and engine power in horrendous seas. Pilot boat Captain Frank Quirk was monitoring the Coast Guard's efforts by radio, and when he heard that the patrol boat was in jeopardy, he decided to act. Gathering his crew of four, he readied his forty-nine foot steel boat, the *Can Do*, and entered the maelstrom of the blizzard. Using dozens of interviews and audiotapes that recorded every word exchanged between Quirk and the Coast Guard, Tougas has written a devastating, true account of bravery and death at sea in *Ten Hours Until Dawn*.

North of Quabbin Revisited Allen Young, 2003

About Crows Craig Blais, 2013-05-17 An unsentimental and at times disquieting first collection, the poems of *About Crows* excavate self, family, race, location, sex, art and religion to uncover the artifacts of a succession of traumas that the speaker does not always experience firsthand but carries with him to refashion into some new importance. This is a book of half-states, broken affiliations and dislocation. The speaker leads the reader through the fragments of a flooded town that grows increasingly elusive the more one looks for it, through a succession of Seoul love motels that further displace the outsider to unclaimed margins transformed into sites of creative invention, through galleries of artwork where movement, color and image are renewed through ekphrasis and through the world of the metatextual long poem *The Cult Poem*, where good and bad moral binaries tangle into a rat's nest of our best and worst spiritual ambitions. The poems and sequences of *About Crows* are marked by their artistic balance of the sublime and the profane, of polyphony, syntactical complexity, clashing images, cagey humor and unsettling sincerity, all trying desperately to connect.
